Don't Know Much About® the American Presidents Kenneth C. Davis,2012-09-18 Which president broke the law to prevent enslaved people from being freed? Who said, When the president does it,that means it's not illegal? Why does America have a president? From the heated debates among the framers of the Constitution in 1787 over an elected king, to the creation of the presidency, and on through rich profiles of each man who has held the office, New York Times bestselling author Kenneth C. Davis takes

readers on a guided tour of American history. Examining each chief executive, from the low lights to the bright lights, the memorable to the forgettable and the forgotten, Davis tells all the stories, offering rich anecdotes about real people. He also charts the history of the presidency itself, debunking myths and grading the presidents from A+ to F. For history buffs and history-phobes alike, this entertaining book may change your understanding of the highest office in the land throughout more than two hundred years of history.

The President Did What? Nancy Ragno, 2014-08-19 Go Behind the Scenes at the White House to Uncover Intriguing (Sometimes Startling) Facts About the U.S. Presidents -- Facts Few Others Know Not just another book about the presidents! THE PRESIDENT DID WHAT? is structured as a trivia quiz (multiple choice) to make it interactive and keep you guessing. But that's not all. Turn the page to check your answer. Each answer page is fully illustrated and provides additional information about the president in question. (Every president is covered, from George Washington to Barack Obama.) Plus, there's a complete list of the presidents and their vice-presidents for easy reference. THE PRESIDENT DID WHAT? is really two books in one: (1) an entertaining quiz book of surprising, sometimes quirky, facts about the U.S. presidents; and (2) an illustrated, informative guide that helps you gain an insight into what each president was like, his personality, and why he deserves to be remembered (or not). No more drawing a blank at the mention of such presidents as Franklin Pierce, Millard Fillmore, or Benjamin Harrison. Thanks to THE PRESIDENT DID WHAT? you'll know details about even the "forgotten presidents," details history buffs may be unaware of. For example, see the sample questions below. What president . . . ? worked as a model in college and was on the cover of Cosmopolitan? invented Baked Alaska and Chicken a la King? made all his own suits and a suit for the governor of Kentucky? was so cheap he served White House guests ice water in paper cups? allowed his son's two pet alligators to roam loose in the White House? >>> Who should read this book? U.S. history buffs ... trivia buffs ... students ... teachers ... those looking for a fun, informative read, and those who enjoy an intellectual challenge. Is this book suitable for children? Yes, for those in the middle grades and higher. As one teacher commented: "This book of presidential trivia was fun to read and would make an excellent addition to a history teacher's bookshelf or to an elementary teacher's supplemental material." >>> What's more . . . THE PRESIDENT DID WHAT? is a great party book. It's a rich source of cocktail-party openers. It's an ideal book for the coffee table ... bedroom ... bathroom. It's the perfect book to take on a trip. And ... it makes a great gift!

Remembering the Presidents of the USA Kevin Horsley, Eloise Cooper, Sophie Pretorius, 2014-02-18 Learn the first 44 U.S. presidents with this quick & easy guide from the Wall Street Journal-bestselling author of Unlimited Memory and The Happy Mind. In these pages, you will quickly learn all 44 Presidents of the United States in order. Just by looking at four pictures and reading through the descriptions, you will know the presidents forwards, backwards, inside, and out. You will also instantly learn some extra fun facts and trivia about each president. This book is not about rote learning or memorizing the presidents with some silly acronym, poem, or rhyme. It is about showing you a way to store information quickly and more effectively so that you can instantly recall information. Why is it important to know all the presidents? If you know all 44 presidents, you have a framework and timeline for all American and world history. Once you have the framework in order, it becomes easier to connect new information to it such as time periods and decisions that were made in history that shaped the world. By getting to know each president and doing more research into who they were as people and leaders, the more you will improve your knowledge and thinking on respectable leadership qualities. Having great references and strong stories in our minds can help us be better people in times of decision making and in life in general. When you are familiar with the presidents and the timeline that they fall into, it will also be easier to connect U.S. vice presidents and other countries'

presidents to them and, therefore, further expand your general knowledge. You can also use this method of remembering to stretch your memory, increase your learning, and improve your general knowledge in other areas of your life, as well. This book has no fluff. We will show you exactly what to do and we get straight to the point. Don't just read this book; play with the concepts and make it part of your thinking and your life.

We The Presidents Ronald Gruner,2022-01-11 WE THE PRESIDENTS explores how American presidents over the last century, from Warren G. Harding to Donald Trump, have shaped today's issues. Every generation tends to believe they live in unique times, but immigration, healthcare, civil rights, tax policy, income distribution, globalization and the evolving role of government have all had their roots in earlier presidencies — and continue to affect every American today. Unlike most presidential biographies, WE THE PRESIDENTS is devoid of politics. A successful presidency is not based on political battles won, but rather the well-being and prosperity of ordinary

citizens. For most Americans, that's closely related to their pocketbooks. So, throughout the book are discussions covering economic growth, personal income (and income inequality), taxation, and related topics affecting every American. It's these issues, evolving over decades, that have woven the American tapestry. **WE THE PRESIDENTS** tells a small part of that remarkable story. **PRAISE FROM EARLY READERS** This well-crafted, wonderfully readable book takes the reader on a fascinating journey through the tenures of US presidents over the past 100 years, highlighting the events that shaped America and the world and offers a candid yet balanced and objective critique of their stewardship. An absorbing and compelling tour de force. Howard Handy, held senior management positions at the IMF and Institute of International Finance So you think you know your presidential history? Think again. Ronald Gruner has, and he sees more than most. He has balanced vision and an eye for detail. He has written a knowledgeable and easily read work. It is an excellent investment of your time. It was for me. Jack Falvey, Opinion Writer, The Wall Street Journal and Barron's This highly readable book is a triumph. Author Ronald Gruner with meticulous research has woven a non-partisan tapestry embedded with historical parallels as seventeen presidents, from Harding to Trump, shaped the American century, up to the present day, when our democracy faces yet another crucial test of its resilience and strength. Nicholas G. Penniman IV, Publisher (retired), St. Louis Post-Dispatch Ronald Gruner's clear-sighted view of presidents, their times and contexts is extraordinary. We need the Gruner sensibility in the White House. **We the Presidents** is more than an absorbing read; it is a great education about how our country works. Gruner's engaging and straightforward writing brings alive a century of presidencies from Harding to Trump, and how their actions have led to what America is today. Phil Cooper, Founder and Managing Partner, Pine Island Capital Partners Ronald Gruner is uniquely qualified to write a penetrating presidential history. Gruner applied his significant business experience to objectively analyze the impact of past presidencies on today's America. His extraordinary research provides facts rather than opinions. A must read. Dr. John R. Patrick, President, Attitude LLC
