Mikhail Glazunov

Kommersant Money 51 Редакция журнала Коммерсантъ
Деньги, 2020-03-13 Еженедельный экономический
журнал о том, как заработать, сохранить и на что
лучше всего потратить деньги. Журналисты издания
дают ответы на волнующие каждого вопросы, а
именно... Как не ошибиться при выборе товаров и
услуг? Где самый качественный сервис? Как защитить
свои потребительские права? Какие самые надежные и
выгодные финансовые инструменты? Как организовать
собственное дело? А также рассказывают о самых
необычных способах заработка.

Russian Foreign Policy toward Missile Defense
Bilyana Lilly, 2014-08-21 This book offers in-depth
analysis of the reasons behind Russia's policy
toward the construction of a U.S ballistic missile
defense system in Europe. It examines Russia's
policymaking dynamics and argues that, contrary to
Moscow's official claims, Russia's objections are
based on a combination of security concerns and
political calculations.

Understanding the Modern Russian Police Olga B.
Semukhina, Kenneth Michael Reynolds, 2013-05-24
Understanding the Modern Russian Police represents
the culmination of ten years of research and an
ongoing partnership between the Volgograd Academy
of Russian Internal Affairs Ministry (VA MVD) and
the Volgograd branch of the Russian Presidential
Academy of National Economy and Public
Administration (VAPA). The book provides a timely
and comprehensive analysis of the historical
development, functions, and contemporary
challenges faced by the modern Russian police.
Spanning more than two centuries of history, the

book covers: The tsarist police evolution that witnessed the creation of the Ministry of Internal Affairs of the Russian Federation (MVD) in 1802 and concluding with the 1917 October Revolution The Soviet era from the 1917 October Revolution until Stalin's death in 1953 The Khrushchev and Brezhnev periods, and the Soviet police's maturation into a professionally educated and well-equipped law enforcement system The transformational period of police development beginning with Gorbachev's perestroika and concluding with the first term of Putin in 2008 The structure, authority, and workforce of the modern Russian police Public-police relationships existing today in Russia Reports by Amnesty International and Human Rights Watch on corruption and abuse of power, along with a legal analysis of practices by the European Court of Human Rights (ECHR) The 2011 Police Reform by Medvedev The book concludes with some predictions on the future of the Russian police and its potential reforms. Encompassing the efforts of many great researchers from Russia, this exhaustive review of the history of policing in Russia enables readers to comprehend the societal and political forces that have shaped policing in this country.

Security Strategies and American World Order

Birthe Hansen, Peter Toft, Anders Wivel, 2008-10-01

This book analyses security strategies in the American world order, systematically comparing Russian, Middle Eastern and European policies. The main finding is that the loss of relative power has decisive importance for the security strategies of states, but that particular

strategies can only be explained when relative power is combined with ideology and the probability of military conflict. Research on the unipolar world order has focused largely on the general dynamics of the system and the actions of the American unipole. By contrast, this book focuses on states that lost out relatively as a consequence of unipolarity, and seeks to explain how this loss has affected their security strategies. Thus, in essence, the book tells 'the other side of the story' about the contemporary world order. In addition, it makes an important theoretical contribution by systematically coupling relative ideology and relative security with relative power and exploring their explanatory value. This book will be of great interest to students of international relations, security studies and foreign policy.

The Politics of Security in Modern Russia Dr

Mark Galeotti, 2013-03-28 The Putin era saw a striking 'securitization' of politics, something that he has bequeathed to his chosen successor, Dmitry Medvedev. The omens from the early days of the Medvedev presidency have been mixed, marked both by less confrontational rhetoric towards the West and by war with Georgia and continued re-armament. Has the Medvedev generation learned the lessons not just from the Soviet era but also from the Yeltsin and Putin presidencies, or will security remain the foundation of Russian foreign and domestic policy? Fully up-to-date to reflect the evolving Medvedev presidency, the 2008 Georgian war and the impact of the economic downturn, this volume is a much needed objective

and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics. The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs.

Law and the Russian State William E.

Pomeranz, 2018-12-27 Russia is often portrayed as a regressive, even lawless country, and yet the Russian state has played a major role in shaping and experimenting with law as an instrument of power. In *Law and the Russian State*, William E. Pomeranz examines Russia's legal evolution from Peter the Great to Vladimir Putin, addressing the continuities and disruptions of Russian law during the imperial, Soviet, and post-Soviet. The book covers key themes, including: * Law and empire * Law and modernization * The politicization of law * The role of intellectuals and dissidents in mobilizing the law * The evolution of Russian legal institutions * The struggle for human rights * The rule-of-law * The quest to establish the law-based state It also analyzes legal culture and how Russians understand and use the law. With a detailed bibliography, this is an important text for anyone seeking a sophisticated understanding of how Russian society and the Russian state have developed in the last 350 years.

Secessionist Rule Franziska Smolnik, 2016-09-08

In this timely investigation of secessionist entities in post-Soviet territories, Smolnik explores how political authority is organized, produced, and reproduced in conditions of violent

conflict. Drawing on case studies of unrecognized or only partially recognized states in the South Caucasus, she shows that so-called low-level violent conflicts may significantly influence the form and functioning of political rule and thereby have a considerable impact on the empowerment and disempowerment of local actors. Offering fresh insight into the connections between violence and political power, *Secessionist Rule* not only contributes to the political sociology of violent conflict, but also adds to our knowledge of the largely understudied internal dynamics of de facto states.

Russia's New Authoritarianism David G. Lewis, 2020-03-27 David G. Lewis explores the transformation of Russian domestic politics and foreign policy under Vladimir Putin. Using contemporary case studies - including Russia's legal system, the annexation of Crimea and Russian policy in Syria - he critically examines Russia's new authoritarian political ideology.

Putin's 'preventive Counter-revolution' Robert Horvath, 2013 This text examines the preventive counter-revolution undertaken by the Putin leadership in response to political instability - the colour revolutions - in the former post-Soviet republics and their potential to destabilise Russia itself.

Kommersant Money 49-12-2012 Редакция журнала Коммерсантъ Деньги, 2019-12-17 Еженедельный экономический журнал о том, как заработать, сохранить и на что лучше всего потратить деньги. Журналисты издания дают ответы на волнующие каждого вопросы, а именно... Как не ошибиться при

выборе товаров и услуг? Где самый качественный сервис? Как защитить свои потребительские права? Какие самые надежные и выгодные финансовые инструменты? Как организовать собственное дело? А также рассказывают о самых необычных способах заработка.

The Political Economy of Sovereign Wealth Funds
Xu Yi-chong, Gawdat Bahgat, 2010-10-13 This book examines the origin, nature, the portfolio, organizational structure and operation of the seven largest SWFs from the perspective of the holding countries. Uniquely it tackles the issues from the perspectives of those non-OECD countries whose access to funds creates the most concern.

Media, Dissidence and the War in Ukraine Tabe Bergman, Jesse Owen Hearn-Branaman, 2024-06-21 This volume examines the global media coverage of the armed conflict in Ukraine, focusing on the marginalization of dissident perspectives in the West and the information quality and diversity on social media. Along with presenting original, empirical studies on how mainstream media in countries as diverse as Israel, the Czech Republic, Ghana, and the Netherlands have covered the conflict between NATO and Russia since 2022, this book sheds light on the role of the state and the media in policing the boundaries of permissible thought on the conflict in the West, as well as in Russia and Ukraine. It also delves into the war's representation on prominent social media platforms. Written by a diverse group of international researchers, this multifaceted volume offers new perspectives and insights on the reporting of the ongoing conflict. It will

interest scholars of international communication and media, foreign policy and international politics, war and conflict, content analysis, and journalism.

Russia and the Politics of International Environmental Regimes Anna Korppoo, Nina Tynkkynen, Geir Hønneland, 2015-01-30 Russia and the Politics of International Environmental Regimes examines the political relationship between Russia and other states in environmental matters.

Property, Predation, and Protection Stanislav Markus, 2015-02-05 What threatens the property rights of business owners? And what makes these rights secure? This book transcends the conventional diagnosis of the issue in modern developing countries by moving beyond expropriation by the state ruler or by petty bureaucratic corruption. It identifies 'agent predation' as a novel threat type, showing it to be particularly widespread and detrimental. The book also questions the orthodox prescription: institutionalized state commitment cannot secure property rights against agent predation. Instead, this volume argues that business actors can hold the predatory state agents accountable through firm-level alliances with foreign actors, labor, and local communities. Beyond securing ownership, such alliances promote rule of law in a rent-seeking society. Taking Russia and Ukraine between 2000 and 2012 as its empirical focus, the book advances these arguments by drawing on more than 150 qualitative interviews with business owners, policy makers, and bureaucrats, as well as an original large-N survey of firms.

Business in Post-Communist Russia Mikhail Glazunov, 2013-12-04 It is a widely held idea that Russia has completed its revolution which brought down the Soviet economy, and that many companies after privatisation work as typical western companies. Another belief is that Russia has adopted a market economy but then reverted to authoritarianism. With these two ideas in mind, this book discusses the suggestion that the key element of post-Soviet economic and political reforms in the last two decades was the redistribution of assets from the state to oligarchs and the new elite. It looks at why most Russian companies could not achieve strong long-run corporate performance by analysing in detail a range of different Russian companies. The book is a useful tool for understanding the future prospects for Russian business.

Chechnya at War and Beyond Anne Le Huérou, Aude Merlin, Amandine Regamey, Elisabeth Sieca-Kozłowski, 2014-09-15 The Russia-Chechen wars have had an extraordinarily destructive impact on the communities and on the trajectories of personal lives in the North Caucasus Republic of Chechnya. This book presents in-depth analysis of the Chechen conflicts and their consequences on Chechen society. It discusses the nature of the violence, examines the dramatic changes which have taken place in society, in the economy and in religion, and surveys current developments, including how the conflict is being remembered and how Chechnya is reconstructed and governed.

The Invention of Russia Arkady Ostrovsky, 2017-07-04 WINNER OF THE ORWELL PRIZE
WINNER OF THE CORNELIUS RYAN AWARD FINALIST FOR THE LIONEL GELBER PRIZE FINANCIAL TIMES BOOK OF THE YEAR "Fast-paced and excellently written. –New York Times "Filled with sparkling prose and deep analysis." –The Wall Street Journal An essential analysis to understanding Putin's playbook and understanding the real Russian threat to World order and peace How did a country that embraced freedom over twenty-five years ago end up as an autocratic police state bent once again on

confrontation with the West? In this Orwell Prize-winning book, Arkady Ostrovsky reaches back to the darkest days of the Cold War to tell the story of Russia's stealthy and largely unchronicled post-Soviet transformation. A highly regarded Moscow correspondent for the Economist, Arkady Ostrovsky comes to this story both as a participant and a foreign correspondent. His knowledge of many of the key players allows him to explain the phenomenon of Vladimir Putin - his rise and astonishing longevity, his use of hybrid warfare and the alarming crescendo of his military interventions. In his new paperback preface, Ostrovsky explores how Putin influenced the US election, the Trump Putin access, and shows how Putin's methods - weaponizing the media and serving up fake news - came to enter American politics.

Institutions, Ideas and Leadership in Russian Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought-provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia. It examines the role of leadership, institutions and ideas, and the interactions among them, in shaping Russia's post-Soviet transformation.

PDF downloads, particularly older books in the public domain.

Kommersant : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications.

Internet Archive for Kommersant : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books.

Free-eBooks Kommersant Offers a diverse range of free eBooks across various genres.

Kommersant Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes.

Kommersant Provides a

Kommersant Introduction

Kommersant Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Kommersant Offers a vast collection of books, some of which are available for free as

large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Kommersant, especially related to Kommersant, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Kommersant. Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Kommersant books or magazines might include. Look for these in online stores or libraries. Remember that while Kommersant, sharing copyrighted material without permission is not legal. Always ensure

you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Kommersant eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Kommersant full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Kommersant eBooks, including some popular titles.

FAQs About Kommersant Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms

offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kommersant is one of the best book in our library for free trial. We provide copy of Kommersant in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kommersant. Where to download Kommersant

online for free? Are you looking for Kommersant PDF? This is definitely going to save you time and cash in something you should think about.
