Tuttle Learner's Korean-English Dictionary Kyubyong Park,2013-02-05 This is a comprehensive Korean to English dictionary for language learners. Finally, here is the dictionary that learners have been waiting for: one that specifically answers the needs of English speakers who are studying Korean. Designed for learners who are a elementary to intermediate level, it contains over 5,600 Korean headwords, including the most essential contemporary words, commonly used example phrases, and business and technical terms. Along with refreshingly clear English definitions, the entries are packed with helpful extra details that make learning easier. Included are: 5,633 example sentences given in Hangul, romanizations, and English. English-Korean Word Finder allows two-directional use. Explanations of common idiomatic expressions. Special notes to clarify differences and distinctions that can be challenging for English speakers. Romanization is included for all terms and examples, to assist learners. Extensive notes on grammar and meaning enhance understanding. Especially high-frequency words are marked. Endings and particles—very important components of the Korean language, but often overlooked in reference materials—are clearly indicated and explained. This dictionary presents, with care and expertise, all the words that are most essential for learners to know.

Korean Vocabulary Book Pinhok Languages,2022-05-01 Korean vocabulary book + Korean dictionary This Korean vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Korean-English as well as English-Korean dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Korean learning resource is a combination of Korean vocabulary book and a two-way basic Korean dictionary: Part 1 - Topic based Korean vocabulary book: This is the main part of the book and represents a list of chapters each containing Korean vocabularies for a certain topic. The Korean vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Korean dictionary: The index in the second half of the book can be used as a basic Korean dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Korean-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Korean words and directly find the English translation How to use this Korean vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Korean dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Korean translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Korean dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Korean and comes in particularly handy at times when there is no internet to look up words and phrases.
