John Lie

K-Pop Confidential Stephan Lee,2020-09-03 A Korean-American girl travels to Seoul in hopes of debuting in a girl group at the same K-pop company behind the most popular boy band on the planet, in this romantic coming-of-age novel perfect for K-pop fans everywhere! Candace Park knows a lot about playing a role. For most of her life, she's been playing the role of the quiet Korean-American girl who takes advanced classes and plays a classical instrument, keeping her love of K-pop to herself. But she has a secret that she's been keeping from the world: she can sing. Like, really sing. So when Candace enters a global audition held by the biggest K-pop label in the world, she doesn't expect to actually win. And convincing her parents to go against everything they believe in is nothing compared to what's next. Under the strict supervision of her instructors at the label's headquarters in Seoul, South Korea, Candace must hone her performance skills to within an inch of her life, learn to fluently speak Korean, and navigate the complex hierarchies of her teammates. And the number-one rule? NO DATING - which proves almost impossible after she meets superstar idol One.J and fellow Korean-American trainee YoungBae. And when Candace finds herself in the middle of an international K-pop scandal, she must decide whether a spot in the most hyped K-pop girl group of all time is really worth risking everything ...

Once Upon a K-Prom Kat Cho,2022-05-17 What would you do if the world's biggest K-pop star asked you to prom? Perfect for fans of Jenny Han and Sandhya Menon, this hilarious and heartfelt novel brings the glamour and drama of the K-pop world straight to high school. Elena Soo has always felt overshadowed. Whether by her more successful older sisters, her more popular twin brother, or her more outgoing best friend, everyone except Elena seems to know exactly who they are and what they want. But she is certain about one thing - she has no interest in going to prom. While the rest of the school is giddy over corsages and dresses, Elena would rather spend her time working to save the local community center, the one place that's always made her feel like she belonged. So when international K-pop superstar Robbie Choi shows up at her house to ask her to prom, Elena is more confused than ever. Because the one person who always accepted Elena as she is? Her childhood best friend, Robbie Choi. And the one thing she maybe, possibly, secretly wants more than anything? For the two of them to keep the promise they made each other as kids: to go to prom together. But that was seven years ago, and with this new K-pop persona, pink hair, and stylish clothes, Robbie is nothing like the sweet, goofy boy she remembers. The boy she shared all her secrets with. The boy she used to love. Besides, prom with a guy who comes with hordes of screaming fans, online haters, and relentless paparazzi is the last thing Elena wants - even if she can't stop thinking about Robbie's smile...right?

BTS Adrian Besley,2018-08-02 BTS is the breakthrough K-pop band. For the first time, this unofficial biography tells the story of the Korean boy band with a global army of fans, who have propelled their heroes to the top of the charts all over the world. Seven good-looking boys - RM, Jin, Suga, J-Hope, Jimin, V and Jungkook - who can dance as well as they can rap and sing, are tearing up the global music charts. Nothing new? Think again. BTS, who rose to fame in their native South Korea in 2013 and who sing almost entirely in Korean, are now a sensation in the US, the UK and the rest of the world. K-pop is a growing phenomenon in the West, and over the last few years, it has steadily gathered a huge global following. With their talent, dedication, good looks, fabulous choreography, and catchy blend of pop, hip hop and RnB, BTS are leading the advance. - BTS's latest album 'Love Yourself: Answer' went straight to #1 in the US charts, following the success of their previous album, 'Love Yourself: Tear', which was the first ever Korean album to achieve this - Over 17 million followers on Twitter - They have been profiled in US Vogue - the first K-pop band to be granted such an honour - The music video for IDOL broke YouTube streaming records, being viewed 46 million times in the first 24 hours; the view count is now in the hundreds of millions - They won the 2018 Billboard Music Award for 'Top Social Artist' for the second year in a row - Listed by Forbes as the most retweeted artist on Twitter in March 2016 - and their fanbase has ballooned since then - Named in Time magazine's 'Top 25 Most Influential People on the Internet 2017' list - Their 2018-2019 world tour sold out within minutes of tickets going on sale Extensively researched, and written in an upbeat and accessible style, this book interweaves the success stories of each of the boys with how the band got together, while documenting their amazing rise to fame in Southeast Asia, and then the world. It includes 16 pages of full colour photographs of the band playing live, posing and having fun. Also available: 9781780556017 BTS: Test Your Super-Fan Status 9781789291339 BTS and Me: Your Unofficial Fill-In Fan Book

Shine Jessica Jung,2020-09-29 An instant New York Times bestseller Crazy Rich Asians meets Gossip Girl by way of Jenny Han in this knockout debut about a Korean American teen who is thrust into the competitive, technicolor world of K-pop, from Jessica Jung, K-pop legend and former lead singer of one of the most influential K-pop girl groups of all time, Girls' Generation. What would you give for a chance to live your dreams? For seventeen-year-old Korean American Rachel Kim, the answer is almost everything. Six years ago, she was recruited by DB Entertainment—one of Seoul's largest K-pop labels, known for churning out some of the world's most popular stars. The rules are simple: Train 24/7. Be perfect. Don't date. Easy, right? Not so much. As the dark scandals of an industry bent on controlling and commodifying beautiful girls begin to bubble up, Rachel wonders if she's strong enough to be a winner, or if she'll end up crushed... Especially when she begins to develop feelings for K-pop star and DB golden boy Jason Lee. It's not just that he's charming, sexy, and ridiculously talented. He's also the first person who really understands how badly she wants her star to rise. Get ready as Jessica Jung, K-pop legend and former lead singer of Korea's most famous girl group, Girls' Generation, takes us inside the luxe, hyper-color world of K-pop, where the stakes are high, but for one girl, the cost of success—and love—might be even higher. It's time for the world to see: this is what it takes to shine.

Understand K-pop Arushi Raj,2020-09-15 Though K-pop has spread globally, a lot of English language discussion about it is dominated by American media. This led me to write this book to add the South Asian perspective in the discourse on this global music phenomenon. What's in the book? 1. Delineation of all kinds of K-pop fans; from the creative ones to the crazies. 2. Analysis of K-pop Stan culture vis-a-vis Korean Idol industries' marketing strategies. Who can read it? 1. People who have stumbled upon K-pop and are completely lost right now. 2. Those who are veterans of the mess that's K-pop Stan's life and want to take a step back to critically look at the politics and dynamics of K-pop fandom. You can expect constant bouts of introspection and 20/20 hindsight. 3. All the lucky human beings who haven't been infected by K-pop madness, yet. You have heard about it and are now curious. Come, my dear friends! Take this either as a warning or a road map to becoming one of us. *Crazy chants in the distance.* "One of us!" "One of us!" "One of us!" What to do once you are done reading? 1. Wait for some time. I will be back with another blogbook soon. As you are reading this, I am holed up in my room working on it, making sure you all don't have to wait for too long. 2. While you are waiting, please leave a review. All of your feedback and encouragements will help me write a better book.

A K-pop Live Suk-Young Kim,2018-08-07 "A glittering glimpse into a pure realization of late capitalism, and . . . our collective future . . . uncovers why K-pop is the global cultural phenomenon." —Carol Vernallis, author of *Unruly Media: YouTube, Music Video, and the New Digital Cinema* 1990s South Korea saw the transition from a military dictatorship to a civilian government, from a manufacturing economy to a postindustrial hub, and from a cloistered society to a more dynamic transnational juncture. In *K-pop Live*, Suk-Young Kim investigates the ascent of Korean popular music in relation to the rise of personal technology and social media. Based on in-depth interviews with K-pop industry personnel, media experts, critics, and fans, as well as archival research, *K-pop Live* explores how the industry has managed the tough sell of live music in a marketplace in which virtually everything is available online. Teasing out digital media's courtship of liveness in the production and consumption of K-pop, Kim investigates the nuances of the affective mode in which human subjects interact with one another in the digital age. Observing performances online, in concert, and even through the use of holographic performers, Kim offers readers a step-by-step guide through the K-pop industry's variegated efforts to diversify media platforms as a way of reaching a wider global network of music consumers. In an era when digital technology inserts itself into nearly all social relationships, Kim reveals how what is live becomes a question of how we exist as increasingly mediated subjects. "Lively insights into the complexities of the artistry and the commerce, the manufactured and the impromptu, the virtual and the somatic, and the local and the global that propel the production [and] consumption of Korean popular music today." —Hyung-Gu Lynn, University of British Columbia

K-Pop John Lie,2015 K-Pop: Popular Music, Cultural Amnesia, and Economic Innovation in South Korea seeks at once to describe and explain the emergence of export-oriented South Korean popular music and to make sense of larger South Korean economic and cultural transformations. John Lie provides not only a history of South Korean popular music—the premodern background, Japanese colonial influence, post-Liberation American impact, and recent globalization—but also a description of K-pop as a system of economic innovation and cultural production. In doing so, he delves into the broader background of South Korea in this wonderfully informed history and analysis of a pop culture phenomenon sweeping the globe.

K-pop - The International Rise of the Korean Music Industry JungBong Choi,Roald Maliangkay,2014-09-15 K-pop, described by Time Magazine in 2012 as South Korea’s greatest export, has rapidly achieved a large worldwide audience of devoted fans largely through distribution over the Internet. This book examines the phenomenon, and discusses the reasons for its success. It considers the national and transnational conditions that have played a role in K-pop’s ascendancy, and explores how they relate to post-colonial modernisation, post-Cold War politics in East Asia, connections with the Korean diaspora, and the state-initiated campaign to accumulate soft power. As it is particularly concerned with fandom and cultural agency, it analyses fan practices, discourses, and underlying psychologies within their local habitus as well as in expanding topographies of online networks. Overall, the book addresses the question of how far Asian culture can be global in a truly meaningful way, and how popular culture from a marginal nation has become a global phenomenon.

Kpop Idols Wiki Fandom Media,2017-01-27 -Brand New 2017 Edition- Hello K-Pop fan! Do You Have a Bias (i.e., Your Favorite Idol Group)? Happy K-Popping!

Made in Korea Hyunjoon Shin,Seung-Ah Lee,2016-09-13 Made in Korea: Studies in Popular Music serves as a comprehensive and thorough introduction to the history, sociology, and musicology of contemporary Korean popular music. Each essay covers the major figures, styles, and social contexts of pop music in Korea, first presenting a general description of the history and background of popular music in Korea, followed by essays, written by leading scholars of Korean music, that are organized into thematic sections: History, Institution, Ideology; Genres and Styles; Artists; and Issues.

Idol Gossip Alexandra Leigh Young,2021-09-14 Offered a spot at the Star Academy, one of the biggest K-pop companies, seventeen-year-old singer Alice Choy must navigate culture clashes, egos and extreme training practices to come out on top, despite the efforts of an influential blogger trying to tear her down.

The Cambridge Companion to K-Pop Suk-Young Kim,2023-02-28 How did Korea with a relatively small-scale music industry come to create a vibrant pop culture scene that would enthrall not only young Asian fans but also global audiences from diverse racial and generational backgrounds? From idol training to fan engagement, from studio recording to mastering choreographic sequences, what are the steps that go into the actual production and promotion of K-pop? And how can we account for K-pop's global presence within the rapidly changing media environment and consumerist culture in the new millennium? As an informed guide for finding answers to these questions, The Cambridge Companion to K-Pop probes the complexities of K-pop as both a music industry and a transnational cultural scene. It investigates the meteoric ascent of K-pop against the backdrop of increasing global connectivity wherein a distinctive model of production and consumption is closely associated with creativity and futurity.

K-Pop Idols Hark Joon Lee,Dal Yong Jin,2019-08-27 Converging theory and practice, this book provides a unique analysis of Korean youth’s attempts to become global celebrities within the rapidly growing K-pop cultural phenomenon.

Kpop Secret UK Jung,2018-09-13 -Unknown stories about kpop stars such as BTS, EXO, BIGBANG, TWICE, BLACKPINK and more -Korean stars' real personality -With whom and how they date -How much they earn Aren’t you curious about k-pop stars’ real personality? Aren’t you curious about unknown stories about them? Here’s what you’ve been waiting for! Kpop Secret is released! Welcome to the real world of k-pop. Twice: The Story of K-Pop’s Greatest Girl Group Jamie Heal,2020-10-01 In the space of just five years, Twice have taken the K-Pop world by storm.

K-Pop Revolution Stephan Lee,2022-04-05 She thought that debuting in a K-Pop band was the finish line, but it was only the beginning. Because now it’s not only her company judging her—it’s the entire world. If K-Pop Confidential was about finding your voice, K-pop Revolution is about finding the courage to stand by your beliefs, even when powerful forces are trying to shame and silence you. In the sequel to K-Pop Confidential, Candace is a Rookie idol. Her life is suddenly filled with the fans, cameras, and glamor of stardom: She and her boyfriend, YoungBae, are a K-Pop power couple; she’s a walking icon at Brandt Foreign School; and her new girl group, known simply as THE GIRLS, is poised to break records across the industry. With her status as the industry’s K-Pop Warrior, she has all the clout at her disposal to make waves. Right? Her label, S.A.Y., promises to help make the sweeping changes for the industry to become a more humane and compassionate place for artists. But what will happen when the road to a record-breaking debut isn’t as smooth as they’d planned? When a rival girl group emerges to steal the spotlight, carrying the message of change better than Candace ever could, she’ll have to decide what it’ll cost her and her bandmates to stand up for their beliefs. And as the world turns against her, with online bullies scrutinizing her every word, there’s only so much that one person can take. From the top of the world to the brink of disaster, Candace is going to have to figure out why the world is out to get her. And she’s not going to be able to do it alone. How far does one girl need to be pushed to start a K-Pop Revolution?

K-pop Innovation: The Future Of Korean Innovation That Took The World By Storm Jangwoo Lee,2024-02-08 K-pop's remarkable global popularity is no coincidence. Its success cannot be attributed to a talented individual or a set of favourable government policies but is instead the result of continuous innovation by risk-taking entrepreneurs.For the first time in English, this book presents a focus on the managerial and structural features of the K-pop industry to unpack the resounding success of K-pop companies and the Hallyu Wave phenomenon. It analyses leading industry players, explaining the success strategies of K-pop from the perspective of innovation management theory. It places a particular special emphasis on SM Entertainment, a leading pioneer in the South Korean entertainment industry, and sheds light on the company's strategies for success.As the book examines how K-pop developed over time, it draws an interesting parallel with the semiconductor and IT industries, noting common characteristics between them. It concludes with thoughts on K-pop's future and advises K-pop innovators on developing new business models combining new technologies in artificial intelligence (AI), robotics and augmented reality (AR) to keep the momentum going. It is a must-read for readers interested in innovation, the entertainment industry, and the global phenomenon that is the Hallyu Wave.

Globalization and Popular Music in South Korea Michael Fuhr,2015-06-12 This book offers an in-depth study of the globalization of contemporary South Korean idol pop music, or K-Pop, visiting K-Pop and its multiple intersections with political, economic, and cultural formations and transformations. It provides detailed insights into the transformative process in and around the field of Korean pop music since the 1990s, which paved the way for the recent international rise of K-Pop and the Korean Wave. Fuhr examines the conditions and effects of transnational flows, asymmetrical power relations, and the role of the imaginary other in

K-Pop production and consumption, relating them to the specific aesthetic dimensions and material conditions of K-Pop stars, songs, and videos. Further, the book reveals how K-Pop is deployed for strategies of national identity construction in connection with Korean cultural politics, with transnational music production circuits, and with the transnational mobility of immigrant pop idols. The volume argues that K-Pop is a highly productive cultural arena in which South Korea’s globalizing and nationalizing forces and imaginations coincide, intermingle, and counteract with each other and in which the tension between both of these poles is played out musically, visually, and discursively. This book examines a vibrant example of contemporary popular music from the non-Anglophone world and provides deeper insight into the structure of popular music and the dynamics of cultural globalization through a combined set of ethnographic, musicological, and cultural analysis. Widening the regional scope of Western-dominated popular music studies and enhancing new areas of ethnomusicology, anthropology, and cultural studies, this book will also be of interest to those studying East Asian popular culture, music globalization, and popular music.

The Globalization Reader Frank J. Lechner, John Boli, 2020-01-07 An introduction to the issues surrounding the complex and controversial realities of today's interconnected world, the revised sixth edition Since its initial publication, The Globalization Reader has been lauded for its comprehensive coverage of the issues surrounding globalization. Now in its sixth edition, the Reader has been thoroughly revised and updated and continues to review the most important global trends. Including readings by a variety of authors, the text offers a wide-ranging and authoritative introduction to the political, economic, cultural, and experiential aspects of globalization. The updated sixth edition presents the most accessible and comprehensive review of current debates and research. Contributions from scholars, activists, and organizations provide balanced viewpoints and expert coverage of the many aspects of globalization. The Globalization Reader offers readings on an exciting range of new topics as well as retaining key globalization topics such as the experience of globalization, economic and political globalization, the role of media and religion in cultural globalization, women’s rights, environmentalism, global civil society, and the alternative globalization movement. This important resource: Covers the many complex dimensions of globalization Includes contributions from many of the most prominent globalization scholars Presents concise and informative introductions to each major topic Offers compelling discussion questions for each section Contains readings on a variety of new topics such as migration, medical tourism, state policy regarding abortion and same-sex sexual relations, the UN Global Compact, climate justice, and more Written for students in undergraduate and graduate courses in sociology, political science, anthropology and geography, the revised sixth edition covers courses such as globalization, comparative political economy, international relations and similar topics.

Mediated Youth Cultures A. Bennett, B. Robards, 2014-06-15 This book brings together thirteen timely essays from across the globe that consider a range of 'mediated youth cultures', covering topics such as the phenomenon of dance imitations on YouTube, the circulation of zines online, the resurgence of roller derby on the social web, drinking cultures, Israeli blogs, Korean pop music, and more.
