Andrea continues to touch lives and positively influence others as she continues progress on Amazon, Gallegos, and other planets in the Gemini galaxy. Excerpt from chapter 7 from Andreas viewpoint: We were there and I looked at a planet that some might say had a rosy glow, but to me it looked like the red of an evil vampires eyes. It beckoned to me, almost as if it said, Come to me so I can destroy you. Yet I was helpless to stay away.

The Dynasty Years Jostein Gripsrud,2003-09-02 The Dynasty Years documents and analyses in detail 'the Dynasty phenomenon', the hotly debated success of the Hollywood-made 'Rolls Royce of a primetime soap' which heralded a profound transformation of European television. From the operatic camp of Krystle and Alexis' fight in the lilypond or the Moldavian wedding massacre to the unprecedented gay sub-plot, Dynasty represented, in the words of co-producer Esther Shapiro, the ultimate dollhouse fantasy for middle-aged women. Using evidence from audience survey results, newspaper and magazine clippings and letters to broadcasters and drawing on semiotics, psychoanalysis, feminism and critical social theories, Jostein Gripsrud examines every aspect of Dynasty's production, reception and context. The result is a groundbreaking critical study. Jostein Gripsrud offers a theoretical but empirically grounded critique of many central positions in media studies, including notions of 'audience resistance' and the 'sovereign' audience and its freedom in meaning-making, arguing against what he perceives as the uncritical celebrations of the soap-opera genre in much contemporary media criticism.

That So-Cal Life Krystle Rose,2022-08-01 Jackson Jimenez is an up-and-coming actor from a prestigious Hollywood family and a royal pain in Karma Covington's rear end. Alas, her job as a manager's assistant demands that she play nice with the cocky socialite and keep him out of trouble. But Jackson loves trouble and, when Karma somehow gets dragged into the mix, she'll need someone to bail her out. Enter Johnnie, Jackson's nicer — and sexier — older brother. He's been lusting after Karma forever and she's been able to resist him thus far by putting him in the friend zone in order to protect the integrity of her job. However, with the media determined to ruin both her image and her career, Johnnie is the one person willing to step in and protect her. Accepting his help is harder than she'd like to admit, though, and being so close to him makes it nearly impossible to follow her own rules. With her life in shambles and her dreams on the line, Karma is willing to throw caution to the wind, but when her and Johnnie both end up in the

hot seat, they'll need someone else to clean up the mess. TRIGGER WARNINGS: Talks of death, divorce, and invasion of privacy.

Coming Clean Jorge L. Valdés,Ken Abraham,2008-05-13 I was a walking bankroll, wearing \$150,000 worth of jewelry and carrying as much as \$40,000 cash in my pockets. Yet my friends asked: how are you doing? I'd sometimes reply, miserable. I hate every second of my life, and I do not know why. Jorge ValdesAll his dreams for wealth and power came true. Then the nightmare began.As a young man in his twenties with an insatiable thirst for money and power, Jorge Valdes worked his way up inside Colombia's powerful Medellin drug cartel. His key position as head of U.S. Operations brought him into direct contact with presidents, generals, Hollywood celebrities, hired killers and kidnappers. This Cuban immigrant, raised in poverty, was living the high life in more ways than one. His deeds took him from the lap of luxury to the depths of prison and back again.Then an incredible thing happened: Jorge Valdes encountered a person much more powerful than the strongest drug lord, someone who offered something more satisfying than women, drugs, money, prestige and power.Reading more like a fast paced novel of intrigue than a traditional biography, coming clean: the true story of a cocaine drug lord and his unexpected encounter offers an insider's view of the drug industry and the greed that drives it. Told that he would never be anything but a twice convicted drug dealer; today, dr. Jorge I. Valdes, who holds a master degree from Wheaton college and a PhD. In new testament studies from Loyola University in Chicago, is a renowned national speaker who brings a message of hope, forgiveness and the power to change. He has been featured in numerous magazine covers and appeared in many national and international television and radio programs.

Book Of Fragments Volume No.2 Dana Krystle,2022-11-01 Book of Fragments Volume Two is a continuation of artworks from the first volume (Book of Fragments) which was published in 2018. Whereas the first book explored contemporary topics in landscape, this volume focused more on the deeper inner struggles of human existence. Life has changed a lot in the past years, and narratives such as chivalry, honor, faith and deeper meanings have been lost in the process of machines taking over. We sleep with machines, eat with machines and are on the verge of thinking like machines. One can't help but keep wondering, where will this all eventually lead humanity to? In this book, I attempted to self-discover and explore. What does it mean to be human, what does it mean to be separated from one self? If we took our parts fragment by fragment, will we still be human? The era has changed and the vocabulary followed suit. I somehow found myself trapped in the in-betweens of what is right and what is wrong. Book of Fragments Volume Two is my response to what my soul has been experiencing, where my mind has wandered, and where my thoughts have traveled to. This is a

crucial era of change, and I, like many others, are struggling to find meaning without losing our soul. I hope one will find solace and understanding in this body of work. It was a one-year process of experimentation and I hope this book illustrates the new language I tried to speak. And so, with the grace of God others will hear and understand.

The War Within Krystle Shapiro MSHN LMT,2018-09-28 The statistics about veteran suicide have changed little over the years, hovering most consistently at twenty suicides a day. Most emphasis has been placed on increasing the availability of mental health services for returning soldiers, yet theaters of war present a myriad of factors affecting human health from exposures to toxic elements, extreme environments, and a lack of proper nutrition, not to mention the emotional experiences that all together create a cascade of individualized chemical messenger responses to unrelenting stressors. The War Within informs soldiers, veterans, family members, and caretakers how to first understand what happens to the body under such stressors in theaters of war and how this affects the brain. Once one understands what has happened to the physical body, then appropriate decisions and practices can be undertaken to restore the physical reserves of our warriors, ultimately reversing the heartbreaking suicidal trend that we recognize is currently taking place. The War Within presents a five-part, well-researched program that can serve as a vital complement to the important mental health programs presently being provided for our soldiers and veterans. This program is easy to implement into daily routines, and it enables restoration of optimal brain function, thus reducing the incidence of depression, hopelessness, fatigue, and suicidal ideation.
