Un Pensamiento Cada Dia Gustavo Le N.,Gustavo León,2012-09 Un día, sin un pretendido vuelo de poeta sino más bien en humilde intento de planeo trovador, inicié este proyecto que llamé Un pensamiento cada día, con la idea de registrar un borrador de reflexiones diarias. Sin pretender ser un conocedor he abordado diferentes temas y diferentes estructuras literarias tratando de experimentar en varias formas de escribir y decir cosas. El hecho de publicar inicialmente en un medio tan interactivo como lo es un Blog de Internet, me ha permitido entender que aún sin ser un escritor de profesión, existen lectores a quienes les gusta mi forma de escribir y buscan en mis textos, formas simples que expresen de alguna manera lo que ellos piensan y sienten. El haber alcanzado 215,000 accesos al Blog en poco menos de tres años ha sido un motivador clave para buscar otras formas de difusión como son el libro impreso y el formato digital.

Pronunciacion de la lengua Espanola para anglohablantes Richard E. Morris,2009-11-15 Written entirely in Spanish, the book is designed to help native English speaking students improve their Spanish pronunciation. Appropriate for those with two years of Spanish on up, the text is ideal for lower level classes to catch bad speaking habits before they set in. For upper level classes the book can serve as a tool to refine pronunciation skills. The book is designed to be completed in one semester and covers specific pronunciation issues common to English speakers and solutions to these problems. Side by side English and Spanish word comparisons are made to allow the student to first pronounce the English and then the Spanish words, providing ear training and articulating exercises. A variety of oral exercises are included which can be practiced in groups. Additional resources, including audio pronunciation files for select textbook exercises and a PDF-only instructor's manual, are available at www.hackettpublishing.com.
