Los Angeles Stories Ry Cooder,2011-10 Available Now: World-famous musician Ry Cooder publishes his first collection of stories.

Los Angeles Times Sunday Crossword Omnibus, Volume 1 Sylvia Bursztyn,Barry Tunick,1996-07-02 An extra-value collection featuring two hundred witty, punny, Sunday crosswords from Tinseltown's Bursztyn & Tunick.

Dear Los Angeles David Kipen,2018-12-04 A rich mosaic of diary entries and letters from Marilyn Monroe, Cesar Chavez, Susan Sontag, Albert Einstein, and many more, this is the story of Los Angeles as told by locals, transplants, and some just passing through. “Los Angeles is refracted in all its irreducible, unexplainable glory.”—Los Angeles Times The City of Angels has played a distinct role in the hearts, minds, and imaginations of millions of people, who see it as the ultimate symbol of the American Dream. David Kipen, a cultural historian and avid scholar of Los Angeles, has scoured libraries, archives, and private estates to assemble a kaleidoscopic view of a truly unique city. From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media, this collection is a slice of life in L.A. through the years. The pieces are arranged by date—January 1st to December 31st—featuring selections from different decades and centuries. What emerges is a vivid tapestry of insights, personal discoveries, and wry observations that together distill the essence of the city. As sprawling and magical as the city itself, Dear Los Angeles is a fascinating, must-have collection for everyone in, from, or touched by Southern California. With excerpts from the writing of Ray Bradbury • Edgar Rice Burroughs • Octavia E. Butler • Italo Calvino • Winston Churchill • Noël Coward • Simone De Beauvoir • James Dean • T. S. Eliot • William Faulkner • Lawrence Ferlinghetti • Richard Feynman • F. Scott Fitzgerald • Allen Ginsberg • Dashiell Hammett • Charlton Heston • Zora Neale Hurston • Christopher Isherwood • John Lennon • H. L. Mencken • Anaïs Nin • Sylvia Plath • Ronald Reagan • Joan Rivers • James Thurber • Dalton Trumbo • Evelyn Waugh • Tennessee Williams • P. G. Wodehouse • and many more Advance praise for Dear Los Angeles “This book’s a brilliant constellation, spread out over a few centuries and five thousand square miles. Each tiny entry pins the reality of the great unreal city of Angels to a moment in human time—moments enthralled, appalled, jubilant, suffering, gossiping or bragging—and it turns out, there’s no better way to paint a picture of the place.”—Jonathan Lethem “[A] scintillating collection of letters and diary entries . . . an engrossing trove of colorful, witty insights.”—Publishers Weekly (starred review)

Deadly Times Lew Irwin,2013-05-07 Between 1907 and 1911, the United States was hit by the longest period of sustained terrorism in its history. Of more than 200 bombings that were carried out during this period, the most shocking was the dynamiting of the Los Angeles Times building on the morning of October 1, 1910, which killed twenty-one people. Deadly Times tells the fascinating story of the bombing, the search to apprehend the bombers, the issues that polarized the nation, and the dramatic trials that ensued. The magnificent cast of characters includes: General Harrison Gray Otis, owner of the Los Angeles Times, whose proposal to de-unionize San Francisco and Los Angeles led to its being singled out as a bombing target. William J. Burns, who tracked down the bombers and would eventually become the first director of the FBI. Earl Rogers, the brilliant criminal attorney, drinking companion of Jack London, who became the model for Perry Mason. The legendary Clarence Darrow, who defended the bombers And the bombers themselves, the brothers J.J. and J.B. McNamara, who on their arrest became symbols of capitalist treachery to the working class.

The Los Angeles Times California Cookbook Betsy Balsley,1983

Sports Pages of the Los Angeles Times Bill Shirley,1983

L.A. Times Stuart Woods,1994-02-04 Vinnie Callabrese moves from the world of the Mafia in New York to the intrigues of tinseltown and carves a niche in the film industry until his old friends find him.

How to Live Safely in a Science Fictional Universe (Enhanced Edition) Charles Yu,2010-09-07 This enhanced eBook includes video, audio, photographic, and linked content, as well as a bonus short story. Hear TAMMY talk. Learn the origins of Minor Universe 31. See the TM-31. Take a trip in it. Photos and illustrations appear as hyperlinked endnotes. Video and audio are embedded directly in text. *Video and audio may not play on all readers. Check your user manual for details. National Book Foundation 5 Under 35 Award winner Charles Yu delivers his debut novel, a razor-sharp, ridiculously funny, and utterly touching story of a son searching for his father . . . through quantum space-time. Minor Universe 31 is a vast story-space on the outskirts of fiction, where paradox fluctuates like the stock market, lonely sexbots beckon failed protagonists, and time travel is serious business. Every day, people get into time machines and try to do the one thing they should never do: change the past. That’s where Charles Yu, time travel technician—part counselor, part gadget repair man—steps in. He helps save people from themselves. Literally. When he’s not taking client calls or consoling his boss, Phil, who could really use an upgrade, Yu visits his mother (stuck in a one-hour cycle of time, she makes dinner over and over and over) and searches for his father, who invented time travel and then vanished. Accompanied by TAMMY, an operating system with low self-esteem, and Ed, a nonexistent but ontologically valid dog, Yu sets out, and back, and beyond, in order to find the one day where he and his father can meet in memory. He learns that the key may be found in a book he got from his future self. It’s called How to Live Safely in a Science Fictional Universe, and he’s the author. And somewhere inside it is the information that could help him—in fact it may even save his life. Wildly new and adventurous, Yu’s debut is certain to send shock waves of wonder through literary space-time.

Set the Night on Fire Mike Davis,Jon Wiener,2021-04-13 Los Angeles Times Bestseller This riveting tour through 1960s Los Angeles is a “history from below, in the very best sense” as it celebrates the “grassroots heroes and struggles” of the social movements of the era (Barbara Ehrenreich, author of *Natural Causes*). “Authoritative and impressive.” —Los Angeles Times “Monumental.” —Guardian Los Angeles in the sixties was a hotbed of political and social upheaval. The city was a launchpad for Black Power—where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation. The city was home to the Chicano Blowouts and Chicano Moratorium, as well as being the birthplace of “Asian American” as a political identity. It was a locus of the antiwar movement, gay liberation movement, and women’s movement, and, of course, the capital of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties, drawing on extensive archival research and dozens of interviews with principal figures, as well as the authors’ storied personal histories as activists. Following on from Davis’s award-winning L.A. history, *City of Quartz*, *Set the Night on Fire* is a historical tour de force, delivered in scintillating and fiercely beautiful prose.

The Book of V. Anna Solomon,2020-05-05 A GOOD MORNING AMERICA BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK For fans of *The Hours* and *Fates and Furies*, a bold, kaleidoscopic novel intertwining the lives of three women across three centuries as their stories of sex, power, and desire finally converge in the present day. Lily is a mother and a daughter. And a second wife. And a writer, maybe? Or she was going to be, before she had children. Now, in her rented Brooklyn apartment she’s grappling with her sexual and intellectual desires, while also trying to manage her roles as a mother and a wife in 2016. Vivian Barr seems to be the perfect political wife, dedicated to helping her charismatic and ambitious husband find success in Watergate-era Washington D.C. But one night he demands a humiliating favor, and her refusal to obey changes the course of her life—along with the lives of others. Esther is a fiercely independent young woman in ancient Persia, where she and her uncle’s tribe live a tenuous existence outside the palace walls. When an innocent mistake results in devastating consequences for her people, she is offered up as a sacrifice to please the King, in the hopes that she will save them all. In Anna Solomon's *The Book of V.*, these three characters' riveting stories overlap and ultimately collide, illuminating how women’s lives have and have not changed over thousands of years.

Beeswing Richard Thompson,2021-04-06 A Rolling Stone Best Music Book of 2021 “Thompson is a master showman . . . [Beeswing is] everything you’d hope a Richard Thompson autobiography would be . . . It’s both major and minor, dirge and ditty, light on its feet but packing a punch.” —The Wall Street Journal Now Featuring an Interview with Elvis Costello In this moving, immersive, and long-awaited memoir, beloved

international music legend Richard Thompson recreates the spirit of his early years, where he found, and then lost, and then found his way again. Considered one of the top twenty guitarists of all time, Thompson also belongs in the songwriting pantheon alongside Bob Dylan, Paul Simon, and Randy Newman. Here the British folk musician takes us back to the late 1960s, a period of great change and creativity for both him and the world at large. During the pivotal years of 1967 to 1975, just as he was discovering his passion for music, he formed the band Fairport Convention with some schoolmates and helped establish the genre of British folk rock. It was a thrilling period of massive tours, where Thompson was on the road in both the UK and the US, crossing paths with the likes of Led Zeppelin, Pink Floyd, and Jimi Hendrix, as well as a time of heady and explosive creativity for Thompson, who wrote some of his most famous songs during this time. But as Thompson reveals, those eight years were also marked by upheaval and tragedy. Honest, moving, and compelling, *Beeswing* vividly captures the life of a remarkable man and musician during a period of artistic intensity, in a world on the cusp of change. “An absorbing, witty, often deliciously biting read, as all rock memoirs should be.” —Los Angeles Review of Books

Saint Anything Sarah Dessen, 2016-05-31 A new blockbuster from #1 New York Times bestselling author Sarah Dessen now available in paperback! Sydney's handsome, charismatic older brother, Peyton, has always dominated the family, demanding and receiving the lion's share of their parents' attention. And when Peyton's involvement in a drunk driving episode sends him to jail, Sydney feels increasingly rootless and invisible, worried that her parents are unconcerned about the real victim: the boy Peyton hit and seriously injured. Meanwhile, Sydney becomes friends with the Chathams, a warm, close-knit, eccentric family, and their friendship helps her understand that she is not responsible for Peyton's mistakes. Once again, the hugely popular Sarah Dessen tells an engrossing story of a girl discovering friendship, love, and herself. This summer I'm looking forward to reading *Saint Anything* by Sarah Dessen.--John Green The name Sarah Dessen has become synonymous with Young Adult contemporary fiction.--Entertainment Weekly Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: *That Summer Someone Like You* *Keeping the Moon* *Dreamland* *This Lullaby* *The Truth About Forever* *Just Listen* *Lock and Key* *Along for the Ride* *What Happened to Goodbye* *The Moon and More* *Saint Anything* *Once and for All*

Children of the Land Marcelo Hernandez Castillo, 2020-01-28 An NPR Best Book of the Year A 2020 International Latino Book Award Finalist An Entertainment Weekly, The Millions, and LitHub Most Anticipated Book of the Year This unforgettable memoir from a prize-winning poet about growing up undocumented in the United States recounts the sorrows and joys of a family torn apart by draconian policies and chronicles one young man's attempt to build a future in a nation that denies his existence. “You were not a ghost even though an entire country was scared of you. No one in this story was a ghost. This was not a story.” When Marcelo Hernandez Castillo was five years old and his family was preparing to cross the border between Mexico and the United States, he suffered temporary, stress-induced blindness. Castillo regained his vision, but quickly understood that he had to move into a threshold of invisibility before settling in California with his parents and siblings. Thus began a new life of hiding in plain sight and of paying extraordinarily careful attention at all times for fear of being truly seen. Before Castillo was one of the most celebrated poets of a generation, he was a boy who perfected his English in the hopes that he might never seem extraordinary. With beauty, grace, and honesty, Castillo recounts his and his family's encounters with a system that treats them as criminals for seeking safe, ordinary lives. He writes of the Sunday afternoon when he opened the door to an ICE officer who had one hand on his holster, of the hours he spent making a fake social security card so that he could work to support his family, of his father's deportation and the decade that he spent waiting to return to his wife and children only to be denied reentry, and of his mother's heartbreaking decision to leave her children and grandchildren so that she could be reunited with her estranged husband and retire from a life of hard labor. *Children of the Land* distills the trauma of displacement, illuminates the human lives behind the headlines and serves as a stunning meditation on what it means to be a man and a citizen.

Everything Now Rosecrans Baldwin, 2021-06-15 A LOS ANGELES TIMES BESTSELLER. NAMED A BEST CALIFORNIA BOOKS OF 2021 BY THE NEW YORK TIMES A provocative, exhilaratingly new understanding of the United States' most confounding metropolis—not just a great city, but a full-blown modern city-state America is obsessed with Los Angeles. And America has been thinking about Los Angeles all wrong, for decades, on repeat. Los Angeles is not just the place where the American dream hits the Pacific. (It has its own dreams.) Not just the vanishing point of America's western drive. (It has its own compass.) Functionally, aesthetically, mythologically, even technologically, an independent territory, defined less by distinct borders than by an aura of autonomy and a sense of unfurling destiny—this is the city-state of Los Angeles. Deeply reported and researched, provocatively argued, and eloquently written, Rosecrans Baldwin's *Everything Now* approaches the metropolis from unexpected angles, nimbly interleaving his own voice with a chorus of others, from canonical L.A. literature to everyday citizens. Here, Octavia E. Butler and Joan Didion are in conversation with activists and astronauts, vampires and veterans. Baldwin records the stories of countless Angelenos, discovering people both upended and reborn: by disasters natural and economic, following gospels of wealth or self-help or personal destiny. The result is a story of a kaleidoscopic, vibrant nation unto itself—vastly more than its many, many parts. Baldwin's concept of the city-state allows us, finally, to grasp a place—Los Angeles—whose idiosyncrasies both magnify those of America, and are so fully its own. Here, space and time don't quite work the same as they do elsewhere, and contradictions are as stark as southern California's natural environment. Perhaps no better place exists to watch the United States's past, and its possible futures, play themselves out. Welcome to Los Angeles, the Great American City-State.

A Ballad of Love and Glory Reyna Grande, 2022-03-15 Finalist for the Texas Institute of Letters's Jesse H. Jones Award for Best Fiction A Long Petal of the Sea meets *Cold Mountain* in this “epic and exquisitely wrought” (Patricia Engel, New York Times bestselling author) saga following a Mexican army nurse and an Irish soldier who must fight, at first for their survival and then for their love, amidst the atrocity of the Mexican-American War—from the author of *The Distance Between Us*. A forgotten war. An unforgettable romance. The year is 1846. After the controversial annexation of Texas, the US Army marches south to provoke war with México over the disputed Río Grande boundary. Ximena Salomé is a gifted Mexican healer who dreams of building a family with the man she loves on the coveted land she calls home. But when Texas Rangers storm her ranch and shoot her husband dead, her dreams are burned to ashes. Vowing to honor her husband's memory and defend her country, Ximena uses her healing skills as a nurse on the frontlines of the ravaging war. Meanwhile, John Riley, an Irish immigrant in the Yankee army desperate to help his family escape the famine devastating his homeland, is sickened by the unjust war and the unspeakable atrocities against his countrymen by nativist officers. In a bold act of defiance, he swims across the Río Grande and joins the Mexican Army—a desertion punishable by execution. He forms the St. Patrick's Battalion, a band of Irish soldiers willing to fight to the death for México's freedom. When Ximena and John meet, a dangerous attraction blooms between them. As the war intensifies, so does their passion. Swept up by forces with the power to change history, they fight not only for the fate of a nation but for their future together. “A grand and soulful novel by a storyteller who has hit her full stride” (Julia Alvarez, author of *In the Time of the Butterflies*), *A Ballad of Love and Glory* effortlessly illuminates a largely forgotten moment in history that impacts the US-México border to this day.

The Haters Jesse Andrews, 2016-04-05 From Jesse Andrews, author of the New York Times bestselling *Me and Earl and the Dying Girl* and screenwriter of the Sundance award-winning motion picture of the same name, comes a groundbreaking young adult novel about music, love, friendship, and freedom as three young musicians follow a quest to escape the law long enough to play the amazing show they hope (but also doubt) they have in them. For Wes and his best friend, Corey, jazz camp turns out to be lame. It's pretty much all dudes talking in Jazz Voice. But then they jam with Ash, a charismatic girl with an unusual sound, and the three just click. It's three and a half hours of pure musical magic, and Ash makes a decision: They need to hit the road. Because the road, not summer camp, is where bands get good. Before Wes and Corey know it, they're in Ash's SUV heading south, and *The Haters* Summer of Hate Tour has begun. In his second novel, Andrews again brings his brilliant and distinctive voice to YA, in the perfect book for music lovers, fans of *The Commitments* (author Roddy Doyle raves *The Haters* is terrific. It is shocking and funny, unsettling and charming.), and *High Fidelity*, or anyone who has ever loved—and hated—a song or a band. This witty, funny coming-of-age novel is contemporary fiction at its best.

Privileged Son Dennis Mcdougal,2009-08-05 The Boston Globe hailed Privileged Son as a well-researched, tough-minded, superbly composed story by an author adept at mixing scandal and gossip with art and business. It's the riveting tale of how a second-rate newspaper rose to greatness only to become a casualty of war—a civil war within the family that owned it. The story, never before told in such hard-edged style, spans the American Century, from 1884, when the Chandler family gained control of the just-born daily, through April 2000, when they sold it to the Tribune Company. With a capriciousness that is seldom seen even in the most dysfunctional media dynasties, the Chandlers, who helped make the national careers of Richard Nixon, Ronald Reagan, and other major political figures, controlled Los Angeles and the Times Mirror Corporation—and Privileged Son captures it all.

Infinite City Rebecca Solnit,2010-11-29 What makes a place? Rebecca Solnit reinvents the traditional atlas, searching for layers of meaning & connections of experience across San Francisco.

Every Fifteen Minutes Lisa Scottoline,2015-04-14 A single father and head of a successful Philadelphia psychiatric care unit sees his life begin to crumble when a teen patient is implicated in a murder and the doctor himself is wrongly accused of sexual harassment. By the best-selling author of Keep Quiet.

The Los Angeles Times California Home Book Carolyn S. Murray,1982
