Legendary Homes of Lake Minnetonka Bette Jones Hammel,2010 Hundreds of cottages and cabins, mansions and houses line the shores of Lake Minnetonka, one of Minnesota's most beautiful lakes and site of the state's most coveted properties. *Legendary Homes of Lake Minnetonka* invites readers into thirty of these dwellings-built by families like the Washburns, Pillsburys, and Daytons. Evocative words and stunning color photographs guide readers through these beautifully designed and furnished homes. Portrayed in elegant detail are interiors of renovated Victorian cottages and rustic cabins, as well as those of houses designed by modernist masters like William Lescaze and Philip Johnson. Photographer Karen Melvin takes viewers through the front door, showing living rooms furnished with Mies van der Rohe couches and chairs designed by Frank Lloyd Wright and walls adorned with works by Robert Motherwell and Damien Hirst. Author Bette Jones Hammel relates the homes' histories of ownership and details the many renovations they have seen over time, renovations that have attempted to retain the homes' character and extend their lifespan. For the best views of the exteriors of these homes, you would need a boat. To see the interiors, you would need an invitation. Hammel and Melvin have chosen the most interesting houses-both architecturally and historically-and painstakingly scouted out the best vantage points, both inside and out, to provide a personal tour of these spectacular homes.

The Baltimore Rowhouse Charles Belfoure,Mary Ellen Hayward,2012-03-20 Perhaps no other American city is so defined by an indigenous architectural style as Baltimore is by the rowhouse, whose brick facades march up and down the gentle hills of the city. Why did the rowhouse thrive in Baltimore? How did it escape destruction here, unlike in many other historic American cities? What were the forces that led to the citywide renovation of Baltimore's rowhouses? *The Baltimore Rowhouse* tells the fascinating 200-year story of this building type. It chronicles the evolution of the rowhouse from its origins as speculative housing for immigrants, through its reclamation and renovation by young urban pioneers thanks to local government sponsorship, to its current occupation by a new cadre of wealthy professionals.

The Shape of Water Michael L. Nicholas,2023-07-18 Los Angeles 1930s. The victim's short blonde hair was wet, and she was naked. From the blueish tint to her skin, it appeared she had drowned. At this distance from shore, she should have been under thirty feet of water, but the reservoir was empty, only a shallow pool remaining where she lay. She looked European, perhaps Germanic, with her prominent nose and high cheekbones. In her early thirties, she was young and fit with an athletic build and piercing blue eyes that now stared vacantly into space. The way the killer had posed her body looked like a ritual, but that was only a guess. But Detective Mathieu had come to trust his instincts. They'd served him well in his previous cases. The case would plunge Mathieu into a world of unbridled hate, filled with Nazi spies and terrorists in 1930s Los Angeles.

Lake Life David James Poissant,2021-07-06 The Starling family is scattered across the country. Parents Richard and Lisa live in Ithaca, New York, and work at Cornell University. Their son Michael, a salesperson, lives in Dallas with his elementary school teacher wife, Diane. Michael's brother, Thad, an aspiring poet, makes his home in New York City with his famous painter boyfriend, Jake. For years they've travelled to North Carolina to share a summer vacation at the family lake house. That tradition is coming to an end, as Richard and Lisa have decided to sell the treasured summer home and retire to Florida. Before they do, the family will spend one last weekend at the lake. But what should to be a joyous farewell takes a nightmarish turn when the family witnesses a tragedy that triggers a series of dramatic revelations among the Starlings-alcoholism, infidelity, pregnancy, and a secret the parents have kept from their sons for over thirty years. As the weekend unfolds, relationships fray, bonds are tested, and the Starlings are forced to reckon with who they are and what they want from this life.
