Tricia Goyer

Rage Matthew Costello,2011-08-30 An action-packed adventure based on the award-winning videogame from id Software, the creators of DOOM® and QUAKE®, Rage follows one man's fight to save the future of humanity in a ravaged, post-apocalyptic world. The asteroid Apophis has annihilated Earth, and only a small percentage of humanity's best and brightest have been saved. Buried deep below the ground in life-sustaining Arks, these chosen few are tasked with one vital mission—to restore civilization to a devastated planet hundreds of years after the impact. When Lieutenant Nick Raine emerges from his Ark, he finds a future indistinguishable from nightmare. Humankind has not been entirely destroyed on the surface world, and a primitive new society has emerged in which life is nasty, brutish, and short. Mutants and bandits prey upon the weak, and a mysterious military group known as the Authority preys upon everyone. Worst of all, a would-be tyrant seeks to impose his will upon the shattered planet. Armed with nothing more than his combat training and survival instincts, Raine must rise to meet the challenges of the wasteland. From the Trade Paperback edition.

The Fires of Vengeance Evan Winter,2020-11-10 In this relentlessly gripping, brilliant epic fantasy (James Islington), an ousted queen must join forces with a young warrior in order to reclaim her throne and save her people. Tau and his Queen, desperate to delay the impending attack on the capital by the indigenous people of Xidda, craft a dangerous plan. If Tau succeeds, the Queen will have the time she needs to assemble her forces and launch an all out assault on her own capital city, where her sister is being propped up as the 'true' Queen of the Omehi. If the city can be taken, if Tsiora can reclaim her throne, and if she can reunite her people then the Omehi have a chance to survive the onslaught. This gritty series set in a South African-inspired fantasy world is an intense reading experience, and the second book is just as phenomenal as the first.—BuzzFeed News *The Fires of Vengeance* is epic fantasy at its finest.—Winter Is Coming *The Books of The Burning Series* *The Rage of Dragons* *The Fires of Vengeance* *The Lord of Demons*

Red Laura Vaccaro Seeger,2021-10-05 From the Two-time Caldecott Honor Award winning author/illustrator of *Green and Blue* comes *Red*, a story about a lost fox that explores emotions-- fear, love, anger, and more-- through the use of vivid color. With a combination of sumptuous illustrations, ingenious die-cut pages, and simple text, *Red* is a

beautiful companion to the Caldecott Honor Book *Green* and the highly acclaimed *Blue*. In this book, award-winning artist Laura Vaccaro Seeger once again turns her attention to the ways in which color evokes emotion. Dark Red, Light Red, Lost red, Bright red. Separated from its family, a lone fox experiences, anger, fear, and ultimately love as it journeys home. Lost and alone, he makes his way through a dark forest, injures his paw, has glancing encounters with humans, and finds himself trapped in a cage, before an act of kindness returns him to the wilderness. Commonplace Reading and Writing in Early Modern England and Beyond Hao Tianhu, 2023-12-01 Approaching from bibliographical, literary, cultural, and intercultural perspectives, this book establishes the importance of Hesperides, or the Muses' Garden, a largely unexplored manuscript commonplace book to early modern English literature and culture in general. Hesperides, or the Muses' Garden is a seventeenth-century manuscript commonplace book known primarily for its Shakespearean connections, which extracts works by dozens of early modern English authors, including Shakespeare, Bacon, Ben Jonson, and Milton. This book sheds light on the broader significance of Hesperides that refashions our full knowledge of early modern authorship and plagiarism, composition, reading practice, and canon formation. Following two introductory chapters are three topical chapters, which respectively discuss plagiarism and early modern English writing, early modern English reading practice, and early modern English canon formation. The final chapter further expands the field to ancient China, comparing commonplace books with Chinese leishu, exploring Matteo Ricci's cross-cultural commonplace writing, and re-reading Shakespeare's sonnets in light of Ricci's On Friendship. The solid book will serve as a must read for scholars and students of early modern English literature, manuscript study, commonplace books, history of the book, and intercultural study.

Reading and Understanding the Old Testament Thomas B. Lane, 2010-04-28 Reading and Understanding the Old Testament: The Foundation of Judaism, Christianity, and Islam.

By Dr Thomas B. Lane Reading and Understanding the Old Testament: The Foundation of Judaism, Christianity, and Islam is written for anyone who is interested in acquiring basic knowledge and understanding of the content of the Old Testament books. It is also written to enable readers to understand better the religious and theological foundation of Judaism, Christianity, and Islam as well as the background of their differences. All three religions root themselves in the Old Testament and call it the word of God. The book is unique in that instead of just describing some of the content it moves chapter by chapter through each Old Testament book using the actual verses of Scripture explaining clearly their meaning both for people in ancient times and our times today. The author respects and applies in a practical manner modern scholarship even as he believes the Scriptures are inspired of God. The readers of this book will definitely both experience and get a complete sense of the Old Testament Scriptures. It is strongly recommended reading.

NLT Daily Reader's Bible Tyndale, 2020-11-03 The Daily Reader's Bible offers the promise of reading the entire Bible in one year. But rather than providing a canonical progression through the Old Testament, the New Testament, Psalms and Proverbs, each day's reading includes three passages--one selected from the Stories of the Bible, another from the Teachings of the Bible, and the final passage selected from the Wisdom of the Bible. The three readings for each day flow from the day's theme. This thematic approach to devotional Bible reading helps the reader understand how all the genres of Scripture fit together to convey God's truth. The innovative interior design gives the reader visual cues

for which of the three Scripture types they are reading through layout and font selection. The Story is presented in a three-column format in sans-serif font. The Teachings are presented in a two-column setting in a serif font. Wisdom is presented in a one-column setting to preserve the feel of the poetic passages. See the beautiful thematic connections of God's story throughout the new Daily Reader's Bible. For the first time, you can discover these links as part of your daily devotional and Bible reading. EASY: The entire text of the Bible is uniquely arranged for daily reading that can be completed in as little as 15 minutes per day. Each daily reading is numbered, so you can start anytime. FRESH: The Daily Reader's Bible will help you understand the connections between the Story, Teaching, and Wisdom portions of Scripture. CLEAR: The NLT is the trusted Bible translation you can most comfortably read, understand, and actively apply to your life.

Reading Sensations in Early Modern England K. Craik, 2007-04-06 How did Renaissance literature affect readers' minds, bodies and souls? In what ways did the history of literary experience overlap with the history of humours and emotions? This book argues that a new aesthetic vocabulary based on the theory of the passions was formulated in the Renaissance to describe the affective power of literature.

The Anger Workbook Russell Kolts, 2024-02-08 Anger is one of the most difficult emotions for human beings to cope with. If our anger is unmanaged, we can end up behaving in destructive ways towards both ourselves and other people, and can face relationship difficulties and negative health consequences. Far from 'letting ourselves off the hook', recent research has shown that by developing compassion towards ourselves

and others and compassionately understanding our anger and the factors that fuel it, we can connect with the courage and skills needed to change our behaviour. This fascinating and practical self-help guide will give you a number of powerful techniques for tackling your anger head on and taking control of it, rather than letting it control you. USING THIS WORKBOOK, READERS WILL LEARN ABOUT: - The factors that trigger and fuel our anger, how it works and how to change the anger response - Specific skills to manage anger and improve relationships Filled with interactive exercises and practical skills, The Anger Workbook will guide you in your journey to transform your anger into inner strength. THE COMPASSIONATE MIND APPROACH The self-help books in this series are based on compassion focused therapy (CFT, developed by series editor Paul Gilbert). This brings together an understanding of how our mind can cause us difficulties but also provides us with a powerful solution in the shape of mindfulness and compassion. It teaches ways to stimulate the part of the brain connected with kindness, warmth, compassion and safeness, and to calm the part that makes us feel, anxious, angry, sad or depressed.
