*All of You Every Single One* Beatrice Hitchman,2022-01-04 From an acclaimed and powerful talent in historical fiction, a literary historical novel set in a Bohemian enclave of Vienna about love, freedom, and what constitutes a family—now in paperback! Set in Vienna from 1910 to 1946, *All of You Every Single One* is an atmospheric, original, and deeply moving novel about family, freedom, and how true love might survive impossible odds. Julia Lindqvist, a woman unhappily married to a famous Swedish playwright, leaves her husband to begin a passionate affair with a female tailor named Eve. The pair run away together and settle in the more liberal haven of Vienna, where they fall in love, navigate the challenges of their newfound independence, and find community in the city’s Jewish quarter. But Julia’s yearning for a child throws their fragile happiness into chaos and threatens to destroy her life and the lives of those closest to her. Ada Bauer’s wealthy industrialist family have sent her to Dr. Freud in the hope that he can cure her mutism—and do so without a scandal. But help will soon come for Ada from an unexpected place, changing many lives irrevocably. Through the lives of her queer characters, and against the changing backdrop of one of the greatest cities of the age, Hitchman asks what it’s like to live through oppression, how personal decisions become political, and how far one will go to protect the ones they love. Moving across Europe and through decades, Hitchman’s sophomore novel is an intensely poignant portrait of life and love on the fringes of history.

*Drifting House* Kryss Lee,2012-02-02 An unflinching portrayal of the Korean immigrant experience from an extraordinary new talent in fiction. Spanning Korea and the United States, from the postwar era to contemporary times, Kryss Lee’s stunning fiction debut, *Drifting House*, illuminates a people torn between the traumas of their collective past and the indignities and sorrows of their present. In the title story, children escaping famine in North Korea are forced to make unthinkable sacrifices to survive. The tales set in America reveal the immigrants’ unmoored existence, playing out in cramped apartments and Koreatown strip malls. A makeshift family is fractured when a shaman from the old country moves in next door. An abandoned wife enters into a fake marriage in order to find her kidnapped daughter. In the tradition of Chang-rae Lee’s *Native Speaker* and Jhumpa Lahiri’s *Interpreter of Maladies*, *Drifting House* is an unforgettable work by a gifted new writer.

*Tim Book Two* Tim Burgess,2016-07-19 *Tim Book Two* is the follow-up to *Telling Stories*, the hugely successful memoir of Tim Burgess, singer of the Charlatans. In 2012, Tim published his hugely successful and critically acclaimed memoir, *Telling Stories*. Tim really enjoyed his new role as an author, and so here it is: *Tim Book Two* - a tale of Tim’s lifelong passion for records, the shops that sell them, and the people who make them. In some ways, the biggest events in Tim’s life happened in the couple of years after he had finished writing his first book rather than in the forty years before. So he had more to say, but instead of another autobiography he chose a different way of telling the story. Tim set himself a quest. He would get in touch with people he admired, and ask them to suggest an album for him to track down on his travels, giving an insight into what makes them tick. It would also offer a chance to see how record shops were faring in the digital age - one in which vinyl was still a much-treasured format. Tim assembled his cast of characters, from Iggy Pop to Johnny Marr, David Lynch to Cosey Fanni Tutti. Texts, phone calls, emails and handwritten notes went out. Here is the tender, funny and surprising story of what came back.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a

planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**The Last Pre-Raphaelite** Fiona MacCarthy, 2012-03-05 In Fiona MacCarthy's riveting account, Burne-Jones's exchange of faith for art places him at the intersection of the nineteenth century and the Modern, as he leads us forward from Victorian mores and attitudes to the psychological, sexual, and artistic audacity that would characterize the early twentieth century.

**Parallel Hells** Leon Craig, 2022-10-13 In this deliciously strange debut collection, Leon Craig draws on folklore and gothic horror in refreshingly inventive ways to explore queer identity, love, power and the complicated nature of being human. Some say that hell is other people and some say hell is loneliness . . . In the thirteen darkly audacious stories of Parallel Hells we meet a golem, made of clay, learning that its powers far exceed its Creator's expectations; a ruined mansion which grants the secret wishes of a group of revellers and a notorious murderer who discovers her Viking husband is not what he seems. Asta is an ancient being who feasts on the shame of contemporary Londoners, who now, beyond anything, wishes only to fit in with a group of friends they will long outlive. An Oxford historian, in bitter competition with the rest of her faculty members, discovers an ancient tome whose sinister contents might solve her problems. Livia orchestrates a Satanic mass to distract herself from a recently remembered trauma and two lovers must resolve their differences in order to defy a lethal curse.

**Strange Hotel** Eimear McBride, 2020-05-05 From Eimear McBride, author of the award-winning A Girl Is a Half-formed Thing, comes the beguiling travelogue of a woman in exile: from her past, her ghosts, and herself. A nameless woman enters a hotel room. She's been here once before. In the years since, the room hasn't changed, but she has. Forever caught between check-in and check-out, she will go on to occupy other hotel rooms. From Avignon to Oslo, Auckland to Austin, each is as anonymous as the last but bound by rules of her choosing. There, amid the detritus of her travels, the matchbooks, cigarettes, keys and room-service wine, she negotiates with her memories, with the men she sometimes meets, with the clichés invented to aggravate middle-aged women, with those she has lost or left behind--and with what it might mean to return home. Urgent and immersive, filled with black humour and desire, McBride's Strange Hotel is a novel of enduring emotional force.

**The Search for Bridey Murphy** Morey Bernstein, 2009-01-16 The story of Ruth Simmons, who while under hypnosis recants the story of the life of Bridey Murphy under the care of one of the leading hypnotherapist of the day.

**Leonard Maltin's Family Film Guide** Leonard Maltin, 1999 Recognized as one of the leading authorities on American film, Leonard Maltin is also a parent who is aware of the differences between a child's and critic's perspective on films. Each film listed includes its MPAA rating, an explanation of that rating, category, and the author's own rating system of whether or not a film is good, bad, or okay for both older and younger children. Leonard Maltin's film essays bring families together to create movie experiences that both parents and children can enjoy.

**Introducing Architectural Theory** Korydon Smith, 2013-05-20 This is the most accessible architectural theory book that exists. Korydon Smith presents each common architectural subject – such as tectonics, use, and site – as though it were a conversation across history between theorists by providing you with the original text, a reflective text, and a philosophical text. He also introduces each chapter by highlighting key ideas and asking you a set of reflective questions so that you can hone your own theory, which is essential to both your success in the studio and your adaptability in the profession. These primary source texts, which are central to your understanding of the discipline, were written by such architects as Le Corbusier, Robert Venturi, and Adrian Forty. The appendices also have guides to aid your reading comprehension; to help you write descriptively, analytically, and disputationally; and to show you citation styles and how to do library-based research. More than any other architectural theory book about the great thinkers, Introducing Architectural Theory teaches you to think as well.

**Just Another Square Dance Caller** Larada Horner-Miller, 2020-04-06 Marshall Flippo is the most recognized caller's name in the square dance world internationally. Marshall Doyle Flippo was born September 2, 1927 in Tuscola, Texas to Roy and Gus Flippo. He had two sisters; Helen and Onita. Flip (or Flippo is what we called him) enjoyed close ties with his family and his school. He joined the Navy at age seventeen and saw two years

of active duty at the end of World War II. Then he played baseball for the DesPac league the reminder of his enlisted time. He returned to his family home in Abilene, Texas and married Neeca, and she encouraged him to take square dance lessons, and he was hooked. He started his calling career near Abilene, Texas in a chicken coop. Flip and Neeca joined three other couples to build a square dance hall in Abilene, the Wagon Wheel, which is still in operation today. He got his big break in the calling world by recording the popular tune in 1957, The Auctioneer with Blue Star Records, owned by Norman and Nadine Merrbach, and the rest is history. After several visits to Kirkwood Lodge in Osage Beach, Missouri, a square dance vacation resort, Bill Hagadorn, the owner, hired Flip to be the resident caller there. In doing this, Flippo and Neeca decided to give up their jobs in Abilene but not their home. He worked Kirkwood Lodge for six months out of the year and needed employment for the rest of the year. From the clientele at Kirkwood, his industrious wife, Neeca, put together an amazing six-month tour of interested dancers all across the United States, and he did this schedule for 42 years. During those six months of touring, he expanded internationally, visiting Germany, England, Spain and Japan. He had been stationed in Japan after the war, so he was familiar with the people, and his love affair with this country and its people continued until he died. Neeca and Flippo divorced in 1991 after 42 years of marriage, and he remarried but they divorced, so Flip lived out his life single. Neeca and he became close friends in their later years. He spent the last eighteen years of his career in Tucson, Arizona as the resident caller at Rincon West RV park during the winter and continued his tours in the summer. He died at the age of 91 on November 4, 2018 and has been missed across the world in the square dance community. Flippo never realized his place in the lineage of square dance history. He was a bridge between Lloyd Pappy Shaw, the caller who energized the activity in the 50's, and the transition to modern western square dancing. He was truly a humble legend. Flippo was consummate story tell, so a unique part of this book is his stories about other callers, cuers and dancers. Also included are stories by friends about him. It truly is a celebration of the man.
