

Las Vegas News

Mark Fierro

A Short History of Las Vegas Barbara Land, Myrick Land, 1999 The Mob came after World War II, laden with ill-gotten cash and the know-how needed to turn the dusty little burg into an international gaming mecca, but Las Vegas was built by thousands of honest, hardworking Americans and immigrants as well.

United States Nuclear Tests ,2000 This document lists chronologically and alphabetically by name all nuclear tests and simultaneous detonations conducted by the United States from July 1945 through September 1992. Two nuclear weapons that the United States exploded over Japan ending World War II are not listed. These detonations were not tests in the sense that they were conducted to prove that the weapon would work as designed (as was the first test near Alamogordo, New Mexico on July 16, 1945), or to advance nuclear weapon design, or to determine weapons effects, or to verify weapon safety as were the more than one thousand tests that have taken place since June 30, 1946. The nuclear weapon (nicknamed Little Boy) dropped August 6, 1945 from a United States Army Air Force B-29 bomber (the Enola Gay) and detonated over Hiroshima, Japan had an energy yield equivalent to that of 15,000 tons of TNT. The nuclear weapon (virtually identical to Fat Man) exploded in a similar fashion August 9, 1945 over Nagasaki, Japan had a yield of 21,000 tons of TNT. Both detonations were intended to end World War II as quickly as possible. Data on United States tests were obtained from, and verified by, the U.S. Department of Energy's three weapons laboratories -- Los Alamos National Laboratory, Los Alamos, New Mexico; Lawrence Livermore National Laboratory, Livermore, California; and Sandia National Laboratories, Albuquerque, New Mexico; and the Defense Threat Reduction Agency. Additionally, data were obtained from public announcements issued by the U.S. Atomic Energy Commission and its successors, the U.S. Energy Research and Development

Administration, and the U.S. Department of Energy, respectively.

Becoming America's Playground Larry D. Gragg, 2019-08-29 In 1950 Las Vegas saw a million tourists. In 1960 it attracted ten million. The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere, and it emerged in the sixties as a national hotspot, the glitzy resort city that lights up the American West today. *Becoming America's Playground* chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years. Las Vegas's rise was no happy accident. After World War II, vacationing Americans traveled the country in record numbers, making tourism a top industry in such states as California and Florida. The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town's burgeoning reputation for leisure. Las Vegas pinned its hopes for the future on Americans' need for escape. Transforming a vice city financed largely by the mob into a family vacation spot was not easy. Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good, clean fun for the public—posing even the atomic bomb tests conducted just miles away as an attraction. The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too. The wild success of Frank Sinatra's Rat Pack performances at the Sands Hotel in 1960 demonstrated the city's slow progress toward equality. Women couldn't work as dealers in Las Vegas until the 1970s, yet they found more opportunities for well-paying jobs there than many American women could find elsewhere. Gragg shows how a place like the Las Vegas Strip—with its glitz and vast wealth and its wildly public consumption of vice—rose to prominence in the 1950s, a decade of Cold War anxiety and civil rights conflict. *Becoming America's Playground* brings this pivotal decade in Las Vegas into sharp focus for the first time.

Las Vegas Babylon Jeff Burbank, 2006-10-01 What happens in Vegas doesn't necessarily stay in

Vegas and the proof is in this lively and entertaining compilation of stories chronicling decades of decadence, celebrity shenanigans and political corruption, as well as the glitz and glamour of the casinos that pass for everyday life in Las Vegas. Underneath the city's present success lies many infamous tales of excess and debauchery. Using new information from recently released FBI documents, Jeff Burbank brings to life the Vegas mob in its heyday, recounting never before heard tales of the mobsters who made Vegas what is today. But mobsters aren't the only ones with skeletons in Las Vegas's closet. Over the years, Hollywood stars have had their share of the limelight. Burbank has uncovered the many fateful, and often amusing, incidents that have befallen the glamorous and here he recalls the details of the darkest moments in the lives of the famous and the foolish: such as Marilyn Monroe's quickie divorce; boxer Sonny Liston's secret heroin deal just before his death; The Doors singer Jim Morrison's arrest for fighting on the Strip; comic Lenny Bruce's hilarious onstage run-in with singer Pearl Bailey; the Vegas drug store that sent drugs and syringes to Elvis Presley almost anywhere he wanted; and the hookers who tricked-rolled comedian Tommy Smothers in his Strip hotel room. Also featured are the stories of everyday people –casino workers, small business people and random travellers – who found their lives turned upside down by Las Vegas temptations. With fast-paced and entertaining prose, Burbank captures the true stories from Las Vegas' seedy underbelly that have led to America's 100 year fascination with the aptly-named Sin City.

Road Rage in Las Vegas Mark Fierro, 2015-09-28 Tammy Meyers was shot to death in front of her home in a quiet Las Vegas neighborhood in what was originally thought to be a case of road rage. In many ways her husband Bob Meyers and their four children would suffer the loss of Tammy twice. The first time it came at the hands of a neighborhood misfit, Erich Nowsch, who later confessed to police

to the shooting. The second time it was in the unrelenting flood of misinformed opinions and supposition of a handful of reporters and social media malcontents. The posts in the newspapers comments section didn't mean much in the broader context. Only a tiny fraction of readers of major newspapers read the comments section following the main story. The same people tend to post over and over again, whether it's about the police or a restaurant review. It's what some people do. Posts are typically misspelled and wildly inaccurate but in this context, for the Meyers family who had just lost their mother, the posts and the mass media coverage had the devastating effect of a sniper's bullet. Tammy was a murder victim and now it was as if she was being murdered all over again. The shooting occurred on the night of Feb. 12, 2015, but it would be months before Bob Meyers could bring himself to bury his wife. He explained to his children that he refused to hold a funeral listening to a eulogy while a cloud remained over his wife's reputation. The truth was Tammy was an amazing, caring person who always took time for friends, no matter the hour. She had dozens of kids in the neighborhood who called her mom. At holiday dinners Tammy filled the Meyers home with kids who called themselves orphans - their parents were either estranged from them, working or just couldn't be bothered to go through the machinations of making a holiday meal. Young women, often depressed and battling life's problems, would find themselves alone and struggling to cope, yet they knew they could reach out to Tammy no matter what time of the day or night. She reached out to veterans, police officers, and homeless people. This is the woman whose reputation was trampled by the Las Vegas community she had called home for more than 10 years. They blamed Tammy for her own death. The rumors, the all-knowing word on the street motivations for the killing would be laughable if not for the context - supposedly drug related, outrageous false accusations of an illicit affair with the 5-foot-3 killer. As police advanced their investigation and additional facts emerged, it

became clear that what was originally termed road rage was actually a case of mistaken identity. Tammy Meyers' murder was actually committed by a lost young man she had tried to help, someone she had invited into her home to have dinner with her family. Her killer, the diminutive Erich Nowsch, would later confess to police and his own mother that he didn't know he was killing a great mother, a great person - he thought he was killing a rival gang member. He told police he thought he was killing a kid. When you get right down to it, Tammy Meyers was murdered by Erich Nowsch for no reason at all. Yet in a city that is infamous for its share of high-profile killers, serial murderers, mobsters, and street thugs, Las Vegas held out its worst public ridicule and turned on a murder victim, a mother of four. Spurred on by the confessed killer's lawyers, one social media genius posted, Bitch deserved it. Deserved what? Deserved to have her sons and daughter grow up without her loving guidance? Deserved to leave her husband of nearly 25 years without a loving partner? Deserved to be the source of anguish for hundreds, literally hundreds, of friends who would mourn her memory for the rest of their lives? No one, least of all Tammy Meyers deserved that.

100 Things to Do in Las Vegas Before You Die Laura Carroll, Adam Kealoha Causey, 2016-04-01 Las Vegas may have risen to fame as hotbed of forbidden fun, but in its modern incarnation, there's something here for everyone. Whether you're a sinner or a saint, 100 Things to do in Las Vegas Before You Die will guide you to places you never knew existed and give you that extra nudge to visit that landmark you've always wanted to see. Come here for a weekend or stay for weeks. These pages will guide you to world-class dining and entertainment on the Strip, the hippest new restaurants in Chinatown or cheap but delicious eats in the city's suburban strip malls. Hike Alpine heights just an hour away from the bright lights, or soak up mob and natural history right in town. Come any time of year: If it's summertime, there are pools galore. If it's winter, get an up-close view of the Mojave

Desert's beauty. Let 100 Things to do in Las Vegas Before You Die be your insider's guide to everything the Las Vegas Valley has to offer. You'll see why 40 million people a year visit this desert oasis - and why many of them keep coming back.

The Outsiders' Guide to Las Vegas Tim Dressen, 2015-07-19 Along with what happens here stays here and Circus Circus isn't that bad, one of the biggest Las Vegas myths is that so-called insiders are the city's best sources of tips, reviews, and information. Often, however, obsessive Las Vegas visitors offer more trustworthy suggestions and accurate insights about the Las Vegas Strip and Fremont Street. An unapologetic Las Vegas outsider, author Tim Dressen shares advice, hints, and unfiltered opinions gathered as cohost of Five Hundy by Midnight, the Original Las Vegas Podcast, for more than a decade. With the same irreverent spirit as the podcast, The Outsiders' Guide to Las Vegas is packed with useful information, entertaining perspectives, and more than a few off-the-rails rants. This is the Las Vegas guide by an outsider, inspired by outsiders, and for outsiders.

Las Vegas Lawrence J. Mullen, 2007 Las Vegas: Media and Myth uses interviews with a variety of individuals to explore life in the fabled American city. With the belief that the media play an essential role in the creation of a sense of community in this transient town, author Lawrence J. Mullen speaks with people who work in the local media industries to get their perspectives about how newspaper, radio, television, and related media help make Las Vegas a livable community.

Explorer's Guide Las Vegas: A Great Destination Crystal Wood, Leah Koepp, 2010-01-04 A resource for travelers features tips on dining, lodging, transportation, shopping, shows, recreational activities, landmarks, and cultural opportunities.

What Happens in Vegas, Stays in Vegas...Until NOW! Michael Sidney, 2023-04-26 I was inspired by an interracial couple. They approached me when I was monitoring the crowd in the casino where I

worked as a security officer. The couple said, I bet you see a lot of things. And I said, Yes. The couple suggested that I should write a memoir. I thought about it, and I did. It's titled What Happens in Vegas, Stays in Vegas...Until Now!

Beyond the Mafia Alan Richard Balboni, 1996 Balboni (history and political science, Community College of Southern Nevada) interviews some 150 successful Las Vegas Italian Americans in an attempt to wipe away the notion that every Italian American has Mob connections. He also explores their role in the post-World War II growth of the Strip area, the nature and extent of organized crime in Las Vegas, and relations with Jewish Americans in the gaming industry. Annotation copyright by Book News, Inc., Portland, OR

Storming Las Vegas John Huddy, 2009-04-28 On September 20, 1998, Jose Vigoa, a child of Fidel Castro's revolution, launched what would be the most audacious and ruthless series of high-profile casino and armored car robberies that Las Vegas had ever seen. In a brazen sixteen-month reign of terror, he and his crew would hit the crème de la crème of Vegas hotels: the MGM, the Desert Inn, the New York—New York, the Mandalay Bay, and the Bellagio. The robberies were well planned and executed, and the police—"the stupids," as Vigoa contemptuously referred to them—were all but helpless to stop them. But Lt. John Alamshaw, the twenty-three-year veteran in charge of robbery detectives, was not giving up so easily. For him, Vigoa's rampage was a personal affront. And he would do whatever it took, even risk his badge, to bring Vigoa down.

Father of the Year Glenn Puit, 2009-05-05 Everybody in Las Vegas knew Bill Rundle. A story by his son Richie earned the former casino guard the title "Las Vegas's Father of the Year"—a bittersweet honor in light of Richie's tragic death at age eleven. He was killed by a drunk driver while waiting for the school bus, but not before saving the life of another child. The story of his courageous

act made Richie a high-profile local hero, and the entire city mourned with Bill and his wife, Shirley. Fifteen years later, the couple vanished from their Vegas home. Authorities were at a loss—until they found Shirley’s corpse and learned that Bill’s mother was missing as well. The trail led to a Bill Rundle no one knew—a manipulative con man, professional thug, and savage killer whose crimes reached back through the decades. A man whose cold-blooded lies exposed the real, and terrifying, face of the Father of the Year.

Dark Days, Bright Nights Matthew O'Brien, 2020-11-17 A vivid and enlightening oral account of homelessness in the Las Vegas storm drains and the hard work of re-entering mainstream society. Are you aware that hundreds of people live underground in the flood channels of Las Vegas? Few people were until Matthew O'Brien grabbed a flashlight, tape recorder, and expandable baton for protection and explored the storm-drain system in depth. This research resulted in his landmark book *Beneath the Neon*. Now the drains have been covered by CNN, Fox News, NPR, Dr. Phil, the New York Times, the BBC, Al Jazeera, and many other media outlets. They have even found their way on to popular TV shows, including CSI, Criminal Minds, and into mainstream movies. But the fact that several of these drug- and gambling-addicted tunnel dwellers have clawed their way out of the drains and turned around their lives has received far less attention. *Dark Days, Bright Nights* shares their harrowing stories and provides a unique perspective on one of America's most fascinating cities. It also paints a larger picture of homelessness and recovery in America. These stories are the happy (though not Hollywood) ending to the infamous tunnel tale. The narrative is complemented by bios and stark, black-and-white images of the survivors, putting a scarred, knowing face to the unblinkingly honest accounts.

A Time for Heroes: 2017 Las Vegas Shooting Colby Van Wagoner, 2018-10-24 October 1st,

2017 more than 22,000 people attended the Route 91 Harvest Music Festival in Las Vegas, Nevada. Stephen Paddock opened fire on the concert grounds from a Mandalay Bay window killing 58 people and injuring 564, then took his life. *A Time for Heroes* is a comprehensive examination into the mind of Stephen Paddock, the investigation, evidence, psychological concepts and criminology, neuropathology, with correlations related to the case and facts. Included are the harrowing accounts of law enforcement teams and private security, on and off duty emergency responders, veterans, and civilian's brave acts encountered throughout the attack. Accounts detail the officer's approach, breach, and entry into the shooter's rooms. Additional examination explores Stephen Paddock's autopsy, brain scan results, and criminal profile. Details include heroic acts of bravery and courage from those in the line of fire who risked their lives to provide care to the wounded and assist them to safety. No one suffered alone.

Viva Las Vegas Jayne L. Blair, 2009-12-09 Ever since I went to New York City where I lived for ten years I have enjoyed the tabloids and newspapers. The New York Times, the New York Post and the New York Observer interested me regularly. The Standard Examiner in Ogden and the Las Vegas Journal Review in Nevada have been wonderful too with news, advertisements, sport scores and more. The columns are good as forms of entertainment or political insight and persuasion. These newspapers like columns are meant to be read for enjoyment and information.

Las Vegas Babylon Jeff Burbank, 2008-03-07 What happens in Vegas doesn't necessarily stay in Vegas and the proof is in this lively and entertaining compilation of stories chronicling decades of decadence, celebrity shenanigans, and political corruption, as well as the glitz and glamour of the casinos that pass for everyday life in Las Vegas. Underneath the city's present success lies many infamous tales of excess and debauchery. Using new information from recently released FBI

documents, Jeff Burbank brings to life the Vegas mob in its heyday, recounting never-before-heard tales of the mobsters who made Vegas what it is today. But mobsters aren't the only ones with skeletons in Las Vegas' closet. Over the years, Hollywood stars have had their share of the limelight. Burbank has uncovered the many fateful, and often amusing, incidents that have befallen the glamorous and here he recalls the details of the darkest moments in the lives of the famous and foolish: Marilyn Monroe's quickie divorce; boxer Sonny Liston's secret heroin deal just before his death; The Doors singer Jim Morrison's arrest for fighting on the Strip; and the hookers who trick-rolled comedian Tommy Smothers in his hotel room. With fast-paced and entertaining prose, Burbank captures the true stories from Las Vegas' seedy underbelly that have led to America's 100-year fascination with the aptly named Sin City.

Las Vegas Robert D. McCracken, 1996 This book traces the area's history from its first occupants 10,000 years ago to its present status as a gaming mecca and premier tourist destination.

The Word On The Street Kurt Borchard, 2005-03-01 Just beyond Las Vegas's neon and fantasy live thousands of homeless people, most of them men. To the millions of visitors who come to Las Vegas each year to enjoy its gambling and entertainment, the city's homeless people are largely invisible, segregated from tourist areas because it's "good business." Now, through candid discussions with homeless men, analysis of news reports, and years of fieldwork, Kurt Borchard reveals the lives and desperation of men without shelter in Las Vegas. Borchard's account offers a graphic, disturbing, and profoundly moving picture of life on Las Vegas's streets, depicting the strategies that homeless men employ in order to survive, from the search for a safe place to sleep at night to the challenges of finding food, maintaining personal hygiene, and finding an acceptable place to rest during a long day on the street. That such misery and desperation exist in the midst of Las Vegas's hedonistic tourist

economy and booming urban development is a cruel irony, according to the author, and it threatens the city's future as a prime tourist destination. The book will be of interest to social workers, sociologists, anthropologists, politicians, and all those concerned about changing the misery on the street.

Folies Bergere in Las Vegas, The Karan Feder ,2017 Debuting at the Tropicana Hotel on Christmas Eve, 1959, at a reported cost of one quarter-million dollars (over two million in today's dollars), the Folies Bergere stage show featured a cast of eighty stars and promised an elegant evening of sensual entertainment complete with sensational song and dance numbers, curious novelty acts, and exquisite leggy showgirls. Imported directly from Paris, the iconic French production, famed for its elegant and chic legacy, was a mainstay on the Las Vegas Strip for nearly half a century. A 1959 Las Vegas Sun newspaper article portends the significant role that the Folies Bergere would play in the city's history: From beginning to end this is the most dazzling entertainment which any city has been privileged to see. It's saucy, piquant and racy in the splendidly provocative French way. Las Vegas, the entertainment capital of the world, is now no idle boast.

The Enigmatic Realm of **Las Vegas News**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Las Vegas News** a literary masterpiece penned by a renowned author, readers embark on a

transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
