Major Pettigrew's Last Stand Helen Simonson, 2010-03-01 Major Ernest Pettigrew is perfectly content to lead a quiet life in the sleepy village of Edgecombe St Mary, away from the meddling of the locals and his overbearing son. But when his brother dies, the Major finds himself seeking companionship with the village shopkeeper, Mrs Ali. Drawn together by a love of books and the loss of their partners, they are soon forced to contend with irate relatives and gossiping villagers. The perfect gentleman, but the most unlikely hero, the Major must ask himself what matters most: family obligation, tradition or love? Funny, comforting and heart-warming, Major Pettigrew's Last Stand proves that sometimes, against all odds, life does give you a second chance.

The Last Stand Nathaniel Philbrick, 2014-11-27 This is the archetypal story of the American West. Whether it is cast as a tale of unmatched bravery in the face of impossible odds or of insane arrogance receiving its rightful comeuppance, Custer's Last Stand continues to captivate the imagination. Nathaniel Philbrick brilliantly reconstructs the build-up to the Battle of the Little Big Horn through to the final eruption of violence. Two legendary figures dominate the events: George Armstrong Custer and Sitting Bull. Those involved are brought vividly to life, as well as the history, geography and haunting beauty of the Great Plains. This book provides a thrilling account of what happened there - and why - at the end of June 1876.

Imogene's Last Stand Candace Fleming, 2011-02-16 Meet Imogene Tripp, a plucky girl with a passion for history. As a baby, her first words were "Four score and seven years ago." In preschool, she finger-painted a map of the Oregon Trail. So it's not surprising that when the mayor wants to tear down the long-neglected Liddleville Historical Society to make room for a shoelace factory, Imogene is desperate to convince the town how important its history is. But even though she rides through the streets in her Paul Revere costume shouting, "The bulldozers are coming, the bulldozers are coming!" the townspeople won't budge. What's a history-loving kid to do? Filled with quotes from history's biggest players—not to mention mini-bios—and lots of humor, this is the perfect book for budding historians. "This girl-power story succeeds as an energetic—and funny—against-all-odds tale." —The Horn Book Magazine, Starred

Last Stand Todd Wilkinson, Ted Turner, 2013-03-21 Entrepreneur and media mogul Ted Turner has commanded global attention for his dramatic personality, his founding of CNN, his marriage to Jane Fonda, and his company's merger with Time Warner. But his green resume has gone largely ignored, even while his role as a pioneering eco-capitalist means more to Turner than any other aspect of his legacy. He currently owns more than two million acres of private land (more than any other individual in America), and his bison herd exceeds 50,000 head, the largest in history. He donated \$1 billion to help save the UN, and has recorded dozens of other firsts with regard to wildlife conservation, fighting nukes, and assisting the poor. He calls global warming the most dire threat facing humanity, and says that the tycoons of the future will be minted in the development of green, alternative renewable energy. Last Stand goes behind the scenes into Turner's private life, exploring the man's accomplishments and his motivations, showing the world a fascinating and flawed, fully three-dimensional character. From barnstorming the country with T. Boone Pickens on behalf of green energy to a pivotal night when he considered suicide, Turner is not the man the public believes him to be. Through Turner's eyes, the reader is asked to consider another way of thinking about the environment, our obligations to help others in need, and the grave challenges threatening the survival of civilization.

The Last Stand Mickey Spillane, 2018-03-20 ON MICKEY SPILLANE'S 100TH BIRTHDAY - A BRAND-NEW NOVEL FROM THE MASTER When legendary mystery writer Mickey Spillane died in 2006, he left behind the manuscript of one last novel he'd just completed: THE LAST STAND. He asked his friend and colleague (and fellow Mystery Writers of America Grand Master) Max Allan Collins to take responsibility for finding the right

time and place to publish this final book. Now, on the hundredth anniversary of Spillane's birth, his millions of fans will at last get to read THE LAST STAND, together with a second never-before-published work, this one from early in Spillane's career: the feverish crime novella A BULLET FOR SATISFACTION. A tarnished former cop goes on a crusade to find a politician's killer and avoid the .45-caliber slug with his name on it. A pilot forced to make an emergency landing in the desert finds himself at the center of a struggle between FBI agents, unsavory fortune hunters, and members of the local Indian tribe to control a mysterious find that could mean wealth and power – or death. Two substantial new works filled with Spillane's muscular prose and the gorgeous women and two-fisted action the author was famous for, topped off by an introduction from Max Allan Collins describing the history of these lost manuscripts and his long relationship with the writer who was his mentor, his hero, and for much of the last century the bestselling author in the world.

The Last Stand of Fox Company Bob Drury, Tom Clavin, 2009-11-10 "The authors of the bestselling Halsey's Typhoon do a fine job recounting one brutal, small-unit action during the Korean War's darkest moment." —Publishers Weekly November 1950, the Korean Peninsula. After General MacArthur ignores Mao's warnings and pushes his UN forces deeper into North Korea, his 10,000 First Division Marines find themselves surrounded and hopelessly outnumbered by 100,000 Chinese soldiers near the Chosin Reservoir. Their only chance for survival is to fight their way south through the Toktong Pass, a narrow gorge that will need to be held open at all costs. The mission is handed to Captain William Barber and the 234 Marines of Fox Company, a courageous but undermanned unit of the First Marines. Barber and his men climb seven miles of frozen terrain to a rocky promontory overlooking the pass, where they will endure four days and five nights of nearly continuous Chinese attempts to take Fox Hill. Amid the relentless violence, three-quarters of Fox's Marines are killed, wounded, or captured. Just when it looks like they will be overrun, Lt. Colonel Raymond Davis, a fearless Marine officer who is fighting south from Chosin, volunteers to lead a daring mission that will seek to cut a hole in the Chinese lines and relieve the men of Fox. This is a fast-paced and gripping account of heroism in the face of impossible odds.

Last Stand on Bataan Christopher L. Kolakowski, 2016-02-26 In the opening days of World War II, a joint U.S.-Filipino army fought desperately to defend Manila Bay and the Philippines against a Japanese invasion. Much of the five-month campaign was waged on the Bataan Peninsula and Corregidor Island. Despite dwindling supplies and dim prospects for support, the garrison held out as long as possible and significantly delayed the Japanese timetable for conquest in the Pacific. In the end, the Japanese forced the largest capitulation in U.S. military history. The defenders were hailed as heroes and the legacy of their determined resistance marks the Philippines today. Drawing on accounts from American and Filipino participants and archival sources, this book chronicles these critical months of the Pacific War, from the first air strikes to the fall of Bataan and Corregidor.

The Last Stand , 2014-12 Since 2010 Marc has been photographing the images that make up The Last Stand. This piece of work aims to reflect the histories and stories, military conflict and the memories held in the landscape itself. The series is made up of 80+ images and is documenting some of the physical remnants of the Second World War on the coastlines of the British Isles and northern Europe. Focusing on military defence structures that remain and their place in the shifting landscape that surrounds them. Many of these locations are no longer in sight, either subsumed or submerged by the changing sands and waters or by more human intervention. At the same time others have re-emerged from their shrouds--Publisher's description.

Harry's Last Stand Harry Leslie Smith, 2014-06-05 'A kind of epic poem, one that moves in circular fashion from passionate denunciation to intense autobiographical reflection ... should be required reading for every MP, peer, councillor, civil servant and commentator. The fury and sense of powerlessness that so many people feel at government policy beam out of every page.' The Guardian 'It is not enough to read Harry's record of the struggles and hopes of a generation - we have to re-assert his principles of common ownership and the welfare state. If Harry can do it, we should too!' Ken Loach, Director of I, Daniel Blake 'As one of the last remaining survivors of the Great Depression and the Second World War, I will not go gently into that good night. I want to tell you what the world looks like through my eyes, so that you can help change it...' In November 2013, 91-year-old Yorkshireman, RAF veteran and ex-carpet salesman Harry Leslie Smith's Guardian article - 'This year, I will wear a poppy for the last time' - was shared over 80,000 times on Facebook and started a huge debate about the state of society. Now he brings his unique perspective to bear on NHS cutbacks, benefits policy, political corruption, food poverty, the cost of education - and much more. From the deprivation of 1930s Barnsley and the terror of war to the creation of our welfare state, Harry has experienced how a great civilisation can rise from the rubble. But at the end of his life, he fears how easily it is being eroded. Harry's Last Stand is a lyrical, searing modern invective that shows what the past can teach us, and how the future is ours for the taking. 'Smith's unwavering will to turn things around makes for inspirational reading.' Big Issue North '[With] sheer emotional power ... Harry Leslie Smith reminds us what society without good public services actually looks and feels like.' New Statesman
