Open My Lips Rachel Barenblat, 2017-04-06 This volume of contemporary liturgical poetry is both a poetry collection and an aid to devotional prayer. Open My Lips dips into the deep well of Jewish tradition and brings forth renewed and renewing adaptations of, and riffs on, classical Jewish liturgy. Here are poems for weekday and Shabbat, festival seasons (including the Days of Awe and

Passover), and psalms of grief and praise. Open My Lips offers a clear, readable, heartfelt point of access into the Jewish tradition and into prayer in general. Those who wish to begin a prayer practice in English but don't know where to start will find this volume offers several starting points. These poems could be used to augment an existing prayer practice, Jewish or otherwise - either on a solitary basis or for congregational use. For the reader of poetry unfamiliar with liturgical text, they can serve as an introduction to prayer in general, and Jewish prayer in particular. And for the pray-er unfamiliar with contemporary poetry, these poems can open the door in the other direction.

Praying with My Eyes Wide Open Jerold E.

Beeve, 2012 Dr. Jerold Beeve hadn't uttered a serious prayer for more than 20 years. But when an anniversary vacation to Fiji turned into a long-term mission project, that all changed. A highly experienced ophthalmologist, Dr. Beeve was horrified by the lack of eye care in Fiji that allowed many even children to become unnecessarily blind. He and his wife, Dorothy, immediately made plans set up a clinic on the island. But how could they afford all the additional equipment and its transportation? Could they rely on the IRS to approve their 501(c)3 request at the last minute? And would the United States ambassador to Fiji ever answer his phone? Just when Dr. Beeve began to question his calling, he decided to pray. Within days everything fell into place with perfect precision. That was only the beginning. When the irreplaceable instrument needed for

surgery broke, when an emergency caused siblings Beni and Sally to require prompt attention in the States, when Dorothy lay hours away from death th

Labyrinth meets folk horror in this darkly romantic tale of a girl who wishes her baby brother away to the Lord of the Wood Growing up in the small town of Winston, Pennsylvania feels like drowning. Leah goes to church every Sunday, works when she isn't at school, and takes care of her baby brother, Owen. Like every girl in Winston, she tries to be right and good and holy. If she isn't the Lord of the Wood will take her, and she'll disappear like so many other girls before her. But living up to the rigorous standards of the town takes its toll. One night, when Owen won't stop screaming, Leah wishes him away, and the Lord listens. The screaming stops, and all that's left in the crib is a small bundle of sticks tied with a ribbon. Filled with shame and the weight of the town's judgment, Leah is forced to cross the river into the Lord of the Wood's domain to bring Owen back. But the devilish figure who has haunted Winston for generations isn't what she expects. He tells her she can have her brother back—for the price of a song. A song that Leah will have one month to write. It's a bargain that will uncover secrets her hometown has tried to keep buried for decades. And what she unearths will have her questioning everything she's been taught to fear.

protect it or risk the pain required to love again. Solomon's heart aches so much he'd rather keep it closed than risk being hurt again. Daniel has to help Rosalyn walk out her purpose by forgetting the pain caused by people only God could help her forgive. Stacey's life depends on her ability to open the eyes of people blinded by fear-based hate to see the truth about God's love.

Emotional Dimensions of Educational Administration and Leadership Eugenie A. Samier, Michèle Schmidt, 2009-05-07 Emotional Dimensions of Educational Administration and Leadership explores foundational theories for emotional dimensions of educational administration and leadership as they influence our understanding, analysis and practice in the field. It covers a broad range of topics, such as ethics, authority, personality, social justice, gender discrimination, organisational culture, decision-making, accountability and marketisation. The first section, 'Theoretical Foundations', includes discussion of the early modern romantic philosophy that produced the heroic notion of leadership, the idealist philosophy of Hegel, existential concerns

through Kierkegaard, the contributions of psychoanalysis, and Habermasian critical theory. The second section, 'Types of Emotional Analysis', includes examinations of the material culture, emotional economies, the politics of emotion, and the relationship between emotion and rationality. The last section, 'Critical and Contemporary Issues', includes critiques of the fear arising from accountability regimes, the political economy of the market model, a feminist critique of ideologies reflecting emotional investments, narrative expressions for the emotional context of teamwork, the problem of narcissism, and the emotional dimensions of role engagement. This volume explores an area that is only just re-emergent in the last few years. The collection demonstrates the relevance to practical issues and problems internationally, both within the organisational context and extra-organisationally with a focus on the application of emotional factors as they affect our understanding of, and practice in, educational organisations. The emotions of education affect the implementation of political values and culture within organisations.

Big Law Ron Liebman, 2017-01-10 "Big Law has it all. A locomotive drive, a fantastic, appealing, big-hearted narrative voice, and an inside and very entertaining look at the intersection of big law and big business. Smart and truly unputdownable." –John Lescroart As a young partner at Dunn & Sullivan, one of New York's most prestigious law firms, Carney Blake has represented dozens of high-profile clients. But being a pawn of Big Law often means defending the

corporate dirt bags of the world—the spillers, the drillers, and the killers. Morality aside, Carney is starting to make a name for himself, despite having a father who resents his success and an unpredictable big brother bent on self-destruction. So when Carney is suddenly asked by his firm's chairman to represent the plaintiffs in a class action lawsuit—and not, as usual, the corporate bad guys—he warily accepts. Maybe they're turning a corner, he thinks. And even if they aren't, when else has a junior partner been assigned such a major case, with a possible billion dollar payout? But Carney can't fool himself for very long. As he digs deeper into the case, he uncovers corruption and maliciously orchestrated schemes that go straight to the top of Dunn & Sullivan—along with the true motives behind his placement on the case. Written by former top litigator Ron Liebman, *Big Law* is a thrilling, fast-paced roman à clef that exposes the secrecy, deception, and machinations underlining America's most powerful mega-firms.

get out of town, start fresh someplace else . . . until her mother dies suddenly, and Sofia gets her wish. Sofia is sent to St. Mary's, a creepy Catholic boarding school in Mississippi. There, seemingly everyone is doing penance for something, most of all the mysterious Jude, for whom Sofia can't help feeling an unshakeable attraction. But when Sofia and Jude confide in each other about their pasts, something flips in him. He becomes convinced that Sofia is possessed by the devil. . . . Is an exorcism the only way to save her eternal soul?
