**Laura Ashley** Martin Wood,2009-09-15 Against the background of Laura Ashley's life - from her birth in South Wales in 1925 to her sudden death in 1985 - Martin Wood tells the story of the iconic brand she and her husband, Bernard, created. Beginning with the textiles they designed and printed at home in their three-room flat in the 1950s, Wood looks at how, when they began designing and selling dresses, blouses and other clothes, and launched a range of household textiles and furnishings, `Laura Ashley style' became a phenomenon. The story is richly illustrated with more than 200 photographs and drawings, many never previously published, from the company's archives and the Ashley family's private records. From reviews of Nancy Lancaster 'Excellent . . . the best title on taste and design published this year' Financial Times 'Of all the books on houses and gardens . . . this one takes the cake' Deborah, Duchess of Devonshire, Spectator 'A rare treat, fluently written and superbly illustrated Daily Telegraph

**Laura Ashley** Anne Sebba,2013-04-18 'Laura Ashley' became a global byword for a classic English country lifestyle. But behind the facade of the family-based business that bore both her name and the mark of her taste for 'a kind of scrubbed simple beauty' - what was Laura the woman really like? For this biography (first published in 1991) Anne Sebba drew on exclusive research and access to create a rich and nuanced portrait of a remarkable woman who became one of the leading influences on British design and marketing in the twentieth century. Laura Ashley's driving ambition, married to her feel for colour, fabric, and brilliantly simple ideas, brought her fabulous wealth and renown. But that success would exact a price, which Anne Sebba reconsiders in her new preface to this 2013 edition. 'A moving book. Anne Sebba has written a vivid, true story... with frankness and without frills.' Sunday Telegraph

**Losing Love** Laura Ashley Gallagher,2021-11-06 Losing Love and Watch Over My Life are both standalone books in the What Will Be book series and can be read in any order, but it is recommended that both are read before the release of the third book in the series (2022). To fall in love with her future, she must face the consequences of her past. When I was nineteen, I had a plan. Work hard, become a teacher, and spend the rest of my life with my childhood sweetheart, Nick. But here's the thing with plans-they're fickle. I didn't plan for Nick to die that year, or all the choices I'd have to make. Six years on, I didn't plan to stumble into Alex Hale-the man with piercing blue eyes and a smile that makes me melt. I didn't plan to fall in love with him. With his heat and passion, he reignited the fire I had lost. But I made choices in my past that will jeopardize everything. It's a past that taught me our words can hurt, but it's the ones we don't have time to say that can destroy us.
