Out from Edom Patrick Sutton, 2009-09-29 The Irredente Chronicles, in multiple volumes, derive from disparate, far-future historical sources and tell the interconnected histories of people and sentient machines at an important crossroads: where technology prohibitions clash with the universal imperative to create and propagate. Book I, *Out From Edom*, follows the entwined fates of a reactionary priest and an urchin boy who flee on separate trajectories from a backwater world attacked by a mysterious alien power. In their separate voyages across the technology-suppressing Irredente hegemony, each encounters strange beings crouching in the shadow of cruelest repression. What the boy and the fallen cleric separately discover, in the hegemony and beyond, will bring the dark Irredente regime face to face with all that it sought to forbid: genovariant humanity and sentient machines.

Bicycle! Sam Tracy,2010-02 There is nothing sacrosanct about bike repair. Its pursuit only requires the will to learn. At their finest hours, bikes exist on a level above mere machines, and there's no reason why the joy should end once the ride is over. *Bicycle!*, written by a die-hard working bicycle mechanic and former courier, offers up everything you need to know to feed and care for your ride, with a bit of bike-versus-car insight on the side. This book cuts through the obtuse techno-speak like a fixed gear through the gridlock, conveying maintenance clarity with humor and radicalism, all the while categorically denying mechanist's supposed dreariness. *Bicycle!* encourages any and all to learn the real thrills about autonomy in transportation, not because we have to, but because we want to. With detailed descriptions of all the most useful maintenance tasks and repair scenarios, clearly illustrated, this guide serves the need for a serious rider's manual. Professional bicycle workers - messengers, mechanics, pedi-cab drivers - as well as bicycle commuters have been waiting for this very book.

Tight as a Tick Toni L. P. Kelner, 2013-10-24 A crafty killer lurks among the prized collectibles of a Southern smalltown flea market in this cozy mystery by a New York Times–bestselling author. There’s nothing Laura Fleming’s Southern family likes better than a get-together, and cousin Augustus returning from the army is a perfect reason to gather for a party in Byerly, North Carolina. While Laura and her scholar husband, Richard, are in town, her formidable great-aunt Maggie has an assignment in mind. Carney Alexander was recently found dead under his own table at Tight as a Tick Flea Market, where Aunt Maggie is a regular dealer. She and the other vendors weren’t overly fond of Carney—general opinion is that the man was nosy, ornery, and had a mean streak a mile wide. Why Aunt Maggie is so intent on solving the crime is a mystery in its own right, but Laura can’t let her down. The flea market’s regulars prove as colorful and quirky as the goods they offer, and plenty had reason for wanting to see Carney and his stall shut down permanently. But locating the genuine article among a slew of motives won’t be easy—especially with the killer in the market for another victim . . . Praise for Tight as a Tick “Decidedly homey characters, country charm, and an upbeat tone should make this a popular choice.” –Library Journal
