The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation. The author's thanks are due and are heartily rendered to the members of the committee appointed by the First Presidency, whose painstaking and efficient examination of the manuscript prior to the delivery of the lectures, has inspired some approach to confidence in the prospective value of the book among members of the Church. The committee here referred to consisted of Elders Francis M. Lyman, Abraham H. Cannon, and Anthon H. Lund, of the Quorum of the Twelve Apostles; Elder George Reynolds, one of the Presidents of the Presiding Quorum of Seventy; Elder John Nicholson, and Dr. Karl G. Maeser. The lectures are now published by the Church, and with them goes the hope of the author that they may prove of some service to the many students of the

scriptures among our people, and to other earnest inquirers into the doctrines and practices of the Church of Jesus Christ of Latter-day Saints.

The Articles of Faith: The Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints James E. Talmage, 2020-12-17 The Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints is book by James E. Talmage about doctrines of The Church of Jesus Christ of Latter-day Saints (LDS Church). The name of the book is taken from the LDS Church's Articles of Faith, an 1842 creed written by Joseph Smith. Talmage decided to use Smith's Articles of Faith as an outline of his work. He first delivered the material that he would organize into a book in a series of lectures delivered in 1893 at Latter-day Saints' University in Salt Lake City, Utah, which Talmage was the president of at the time. Articles of Faith is a Mormon classic and, for many years, it was among the few non-scriptural works that full-time LDS Church missionaries were asked to study.

It has since been published in thirteen foreign languages and been through more than fifty English editions. It was last revised by the author in 1924, at which time it was consistent with the organization and practices of the Church as they existed in his day.

Lectures on Faith Joseph Smith (Jr.), 1988 This special edition of the Lectures on Faith from Zion's Camp Books is formatted for convenience on an eReader, with more than 100 internal links to scriptures and citations. We hope it will give you a great reading experience! The Lectures on Faith were originally prepared as materials for the School of the Prophets in Kirtland, Ohio in 1834 and were included in the Doctrine and Covenants from 1835 to 1921. Although the Lectures on Faith have never been accepted as revelation by the body of the church (and so were removed from the Doctrine and Covenants in 1921), they contain important doctrinal insights that can help anyone seeking to learn more about faith and come closer to Heavenly Father and Jesus Christ. President Joseph Fielding Smith noted, "I suppose that the rising generation knows little about the Lectures on Faith. . . . In my own judgment, these Lectures are of great value and should be studied. . . . I consider them to be of extreme value in the study of the gospel of Jesus Christ." (Joseph Fielding Smith, *Seek Ye Earnestly*. Salt Lake City: Deseret Book, 1970.) Elder Bruce R. McConkie of the Quorum of the Twelve Apostles has stated the lectures contain "some of the best lesson material ever prepared on the Godhead; on the character, perfections, and attributes of God; on faith, miracles, and sacrifice. They can be studied with great

profit by all gospel scholars.” (Bruce R. McConkie, Mormon Doctrine. Salt Lake City: Bookcraft, 1966.)

*My First Articles of Faith Book* Deanna Draper Buck, 2000 Simple text and illustrations explain the 13 Articles of Faith and what they mean to Latter-day Saints.

### **Under the Banner of Heaven** Jon

Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. “Fantastic.... Right up there with *In Cold Blood* and *The Executioner’s Song*.” —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

**The Articles of Faith** . James E Talmage, 2019-11-23 The *Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints* is an 1899 book by James E. A New Witness for the Articles of Faith Bruce R.

McConkie, 2007-09-01

Articles of Faith Primer Reed S Anderson, 2024-01-17 It is known by shrewd advertising agencies when one uses brief statements or expressions to describe a product there is a good possibility important details could be absent, and the product may be something different from what it appears to be. This form of whitewashing or propaganda can also be seen in political and religious organizations by taking advantage of people's emotions and lack of knowledge. For a person to become better informed about any subject an open-minded and dedicated study is needed. This is the best way a person can make an intelligent decision about any product, policy, or belief. This book will examine the doctrines of the Prophet Joseph Smith Jr. and the Church of Jesus Christ of Latter-day Saints (aka LDS or Mormon Church) using the Articles of Faith as an instrument towards understanding what these doctrines are. For anyone who is curious to know more about the LDS Church, these thirteen short statements will reveal many similarities to other Christian-based denominations and disclose unique beliefs as well. The Articles of Faith explains the principles of this devotion, but as details are

lacking a person may be prone to ask questions, causing doubts to creep in. (As shown on the front cover) This work expands each article in a more complete manner in order to explain its real meaning based on past and present teachings, thus eliminating questions that may arise. The purpose of this book is not to criticize and mock the Church of Jesus Christ of Latter-day Saints or its leaders and members. Over the past decades the church has been a marvelous work and a wonder, helping millions of souls spiritually. It is a shining example throughout the world of decency and righteous living to those seeking purpose in life's existence. Nevertheless, a totality of all church doctrines, past and present, are revealed to give a more precise picture of the LDS Church and its teachings. You may be surprised to find some you've never heard of before.
