Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

The Mormon Church and Blacks Matthew L Harris, Newell G. Bringhurst, 2015-11-15 The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter-day Saints as it lifted a 126-year ban on ordaining black males for the priesthood. This departure from past practice focused new attention on Brigham Young's decision to abandon Joseph Smith's more inclusive original teachings. The Mormon Church and Blacks presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church. Matthew L. Harris and Newell G. Bringhurst comment on the individual documents, analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States. Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism, including the fact that African Americans, once denied access to certain temple rituals considered essential for Mormon salvation, could finally be considered full-fledged Latter-day Saints in both this world and the next. Throughout, Harris and Bringhurst offer an informed view of behind-the-scenes Church politicking before and after the ban. The result is an essential resource for experts and laymen alike on a much-misunderstood aspect of Mormon

history and belief.

Spreading the Gospel of Books Florence M. Jumonville, 2019-11-06 In 1925, Essae Martha Culver, a California librarian, arrived in Louisiana to direct a three-year project funded by the Carnegie Corporation that aimed to introduce public libraries to rural populations. Culver purchased a round-trip ticket, but she never used the second half. Instead, she stayed in Louisiana the rest of her life, working tirelessly to see libraries established in every parish by 1969. In Spreading the Gospel of Books, Florence M. Jumonville chronicles the impressive, colorful history of Louisiana parish libraries and the State Library of Louisiana. She draws upon Culver's journals and library reports, in addition to correspondence, scrapbooks, and State Library internal documents, and includes photos from five decades, many never before published. The campaign to persuade individual parishes to financially support a library of their own was a long, uphill pull through poverty and politics, flood and famine, discouragement and depression, war and bureaucracy, ignorance and prejudice. Culver credited success to the citizens, whose thirst for books and embrace of the idea of a library inspired perseverance. In time, Culver's Louisiana plan served as an exemplar of library development elsewhere in the United States as well as abroad. Culver touched the lives of generations of Louisianians who have never heard her name. Spreading the Gospel of Books is her story, along with that of colleagues and supporters, of making the dream of library service come true for all.
