Digital Scripture Study for the Busy Latter-Day Saint: 7 Minutes a Day Richard Bernard, 2023-02-02
Scripture study is one of the keys to receiving revelation, but in today's busy world, it's never been more difficult—or more essential—to study the scriptures and be guided by the Spirit. Richard Bernard teaches how to engage in scripture study in just 7 minutes a day and how that can lead to revelation. Plus, in a 15-day guide, he shows you how to take advantage of and organize your Gospel Library in those same 7 minutes. Bring meaning and purpose back into your scripture study while creating an easy-access, life-long personal library of your spiritual journey.

Tablets of Stone and the History of Redemption

John G. Reisinger, 2004-01-01
Tablets of Stone and the History of Redemption is a study of the part the Ten Commandments play in God's plan of salvation by grace through faith as that plan unfolds in the Old Testament Scriptures, moves into the New Testament Scriptures, and finally reaches into the life of the church today. The material will be of special interest to those concerned about the biblical relationship between law and grace. Clear biblical answers that will help God's people to obey the command 'Be ye holy, for I am holy' (1 Peter 1:15, 16) are provided. If this book helps any of God's people to better understand his Word and thereby love and serve our Lord Jesus Christ more fervently, the efforts of writing it shall be well rewarded.

Joseph Smith's New Translation of the Bible Kent P. Jackson, Scott H. Faulring, Robert J. Matthews, 2004
This volume--the work of a lifetime--brings together all the Joseph Smith Translation

manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

Scripture Study for Latter-Day Saint Families

Dennis H. Leavitt, Richard O.

Christensen, 2009-01-01 SUB TITLE: The Old Testament

A Topical Guide to the Scriptures of the Church of Jesus Christ of Latter-Day Saints, 1977

The Articles of Faith: The Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints James E. Talmage, 2020-12-17 The Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints is book by James E. Talmage about doctrines of The Church of Jesus Christ of Latter-day Saints (LDS Church). The name of the book is taken from the LDS Church's Articles of Faith, an 1842 creed written by Joseph Smith. Talmage decided to use Smith's Articles of Faith as an outline of his work. He first delivered the material that he would organize into a book in a series of lectures delivered in 1893 at Latter-day Saints' University in Salt Lake City, Utah, which Talmage was the president of at the time. Articles of Faith is a

Mormon classic and, for many years, it was among the few non-scriptural works that full-time LDS Church missionaries were asked to study.

She Reads Truth Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, She Reads Truth is the message that will help you understand the place of God's Word in your life.

The Articles of Faith James Edward Talmage, 1917

By the Gift and Power of God Leo

Kappa, 2018-06-12 Although Christian academics such as Dr. Stephen Webb, Margaret Barker, and Richard Mouw classify the Latter-Day Saints as Christian, most ordinary, believing Christians remain unaware of just how very Christ-centered the LDS Church is and what a strong position the church holds scripturally and theologically. Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon, the prophet Joseph Smith, the historic Christian apostasy, and the prophecies of Gods great and marvelous latter-day work, which is a new dispensation to set things rightnamely the restoration we announce to the world. Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth.

"The Book of Mormon" James Edward Talmage, 1902

Tucker's book is a comprehensive survey of all the major alternative religions in the United States, including the new groups since the 1960s.

Illuminating the Jaredite Records Daniel Belnap, 2020-09-07 This is a new volume from the Book of Mormon Academy at Brigham Young University. This volume explores the relationship between the Nephite and the Jaredite records culturally, politically, literarily, and theologically. The first approach is a cultural-historical lens, in which elements of Jaredite culture are discussed, including the impact of a Jaredite subculture on Nephite politics during the reign of the judges, and a Mesopotamia perspective as seership and divination, and the brother of Jared's experience as a liminal one. The second grouping looks at the book of Ether through a narratological lens, all three papers exploring different aspects of Moroni's construction of the book of Ether. The third grouping explores the book of Ether's depiction of women, as it contains one of the most descriptive, yet ambivalent female figures in the Book of Mormon, both historically and in our contemporary era. Finally, the book of Ether is reviewed via a teaching lens. In Alma 37, Alma the Younger explained the teaching value of the Jaredite records, these last two studies examine ways in which the book of Ether in particular can be taught to a modern audience.
