Hacking Chinese Olle Linge,2016-03-26 Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study. - Geoff van der Meer, VP engineering This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision. - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese as a Second Language at National Taiwan Normal University). All these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

HSK 1-6 Vocabulary Flash Cards Complete Textbook Ph D Yongxia Wang, 2019-05-12 Chinese Proficiency Test is the standardized exam roughly equivalent to a TOEFL for Mandarin. It covers academic, professional, and daily life Chinese skills, making it appropriate for anyone who wants to obtain official credentials for their Chinese ability or just track their learning. As with any test, practice makes perfect. Consistent exposure and experience with Chinese grammar structures and instances of how vocabulary words are used properly are necessary with the HSK. The HSK is a great opportunity to be rewarded for your Chinese studies, and this HSK Vocabulary flashcards aim to help you succeed with your HSK Test exam.

HSK 1, 2, 3, 4 Vocabulary Flashcards B Y Leong, This book has all the official vocabulary for HSK 1, 2, 3 and 4. One of the methods of learning a new language is to start with memorising new vocabulary and meaning along with the pronunciation. The Chinese language is particularly hard to master. It has five tones (including the silent tone), and to make things even more complicated, the same word can have different meanings and pronunciations, depending on the context. For instance, the word 还 is used in both HSK 2 and HSK 3 with different meanings and pronunciations. In HSK 2, 还 (with the pinyin hái) means also, still, yet whereas in HSK 3 还 (with the pinyin huán) means to return something. Therefore, it is important to learn the right meaning and pronunciation for the appropriate HSK level. This set of flashcards, along with the supplementary materials, is designed to help you succeed in learning new Chinese words. The supplementary material includes: •Audio files (at a fast and slow rate) •HSK vocabulary writing practice sheets. We have also included printable blank writing practice sheets, which you can print on both sides of an A4 paper. The password and link to download all the files are at the end of the book.

Know My Name Chanel Miller,2020-08-18 A NEW YORK TIMES BESTSELLER *Know My Name* is a gut-punch, and in the end, somehow, also blessedly hopeful. --Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter. (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.

3000 Must-know Chinese Characters (Part 1) Jia Ming Wang,2021-02-02 The current book volume is Part 1 (第一部分, dì yī cè) of the 6 parts of 3000 Must-know Chinese Characters. The book provides you about 500 frequently used simplified Chinese characters with corresponding pinyin, and multiple meanings in English. All the characters are organized in different chapters based on the associated radicals (部首, Bù shǒu). In particular, characters with multiple sounds have been clearly highlighted in the book. Mandarin Chinese is a pictographic language. The Chinese characters correspond to pictograms. Each and everything in the Chinese language can be represented (interpreted) in the form of characters. Although it's complicated to estimate the total number of Chinese characters, it's worth mentioning that the native Chinese people are proficient in over 5,000 characters. In particular, they use about 3,000 characters in their day-to-day life. If you wish to learn Chinese properly, you'll need to learn those 3,000 characters.:) Free online Mandarin Chinese lessons (Ming Mandarin): www.MingMandarin.com -Jia Ming

500 Chinese Loanwords Jia Ming Wang,2020-10-20 Chinese loanwords (Wàilái cí, 外来词) refer to words that are transliterated or simply literally translated from English and other languages. The loanwords have become an important part of the Chinese language. However, every foreign word, that comes to China, usually gets a new shape in Mandarin Chinese language. These words originate elsewhere, and are mapped to a new set of characters, often with resembling pronunciations. In this book, I am including over 500 words in the tabular form that are closely related to the foreign words. For each of the words in this book, I am adding: 1. Serial number (count) 2. English, 3. Pinyin, and 4. Simplified Chinese characters. Additional details have been provided for the less known English words (in English). Further, the book has been meticulously organized into different chapters. Learn Chinese Vocabulary Free Introduction

In todays digital age, the availability of Learn Chinese Vocabulary Free books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Learn Chinese Vocabulary Free books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Learn Chinese Vocabulary Free books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Learn Chinese Vocabulary Free versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Learn Chinese Vocabulary Free books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Learn Chinese Vocabulary Free books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Learn Chinese Vocabulary Free books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.
