

# Learn Hiragana

Jim Gleeson

**Let's Learn Hiragana** Yasuko Kosaka Mitamura, 2012-03-01 There are three types of Japanese script--katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana--one must know all of them. Let's Learn Hiragana, and its companion volume Let's Learn Katakana, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master hiragana by the time the book has been finished. Let's Learn Hiragana is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.

**Learning Japanese Hiragana and Katakana** Kenneth G. Henshall, Tetsuo Takagaki, 2013-12-20 Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

**Learn Japanese: Must-Know Japanese Slang Words & Phrases** Innovative Language Learning, JapanesePod101.com, Do you want to learn Japanese the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. Learn

Japanese: Must-Know Japanese Slang Words & Phrases by JapanesePod101 is designed for Beginner-level learners. You learn the top 100 must-know slang words and phrases that are used in everyday speech. All were hand-picked by our team of Japanese teachers and experts. Here's how the lessons work: • Every Lesson is Based on a Theme • You Learn Slang Words or Phrases Related to That Theme • Check the Translation & Explanation on How to Use Each One And by the end, you will have mastered 100+ Japanese Slang Words & phrases!

**Japanese Hiragana and Katakana Practice Pad** Richard S. Keirstead, 2016-06-21 Japanese Hiragana & Katakana Practice Pad provides an enjoyable and motivating way for the learner to have practice in writing the syllables of the Japanese hiragana and katakana writing systems. There are a total of 365 practice sheets—one per day for a year of learning, or more than one per day for faster progress!—as well as basic instructions and extra sheets of blank squared paper for extra practice. The syllables are introduced in a logical order, along with their equivalents in the roman alphabet and several examples, and practice is given in using them to write simple, useful Japanese language words. Word-stroke diagrams are provided for each character. Structured space around the edge of each page allows the user to first trace the shapes on top of the models, and then write the syllables independently. This volume will provide a good foundation for anybody interested in mastering the basic kana syllables essential for learning Japanese.

*My First Hiragana Activity Book* Yuko Green, 2000-01-01 Entertaining introduction to simple Japanese words from ahiru (duck) to yubi (finger). 336 ready-to-color illustrations accompany Japanese characters and English transliterations.

**Guide to Learning Hiragana & Katakana** Kenneth G. Henshall, Tetsuo Takagaki, 2003-01-15 This work presents a comprehensive overview of the two kana systems needed to read and write Japanese. It offers ample provisions for practice, review, and self-testing at several levels. It also includes a reference section explaining the origin and function of kana and the kana combinations.

*Writing Japanese Hiragana* Jim Gleeson, 2015-07-07 Put simply, practice is the most effective method of mastering written Japanese. The large, open format of *Writing Japanese Hiragana* invites the student to pick up a pencil and get started! Two phonetic syllabaries, hiragana and katakana, and a set of kanji characters based on Chinese ideographs are what comprises written Japanese. This workbook has been carefully designed to facilitate the quick and easy mastery of the forty-six character hiragana syllabary used to write all types of native words not written in kanji. An understanding of hiragana is essential for the serious student wishing to learn Japanese effectively.

Each character is introduced with brushed, handwritten, and typed samples which enhance character recognition. Extensive writing space allows for maximum practice to facilitate memorization and ensure proper character formation. Entertaining illustrations and amusing examples of onomatopoeic usage of hiragana in Japanese writings further reinforce memorization in a fun way. Writing Japanese Hiragana is an easy-to-use and practical workbook tailored to the specific needs of young students of the Japanese language. Beginning students of all ages will delight in its fresh presentation.

*Japanese Hiragana for Beginners* Timothy G. Stout, 2013-12-19 Learn how to write all the basic Japanese hiragana with this user-friendly workbook. *Japanese Hiragana for Beginners* makes learning hiragana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students learn hiragana successfully in the United States and Japan. Picture mnemonics enhance memory by associating the shape and sound of each hiragana character with combinations of images and English words already familiar to students. This Japanese language learning book is divided into three main sections: Section 1 introduces the basic 46 hiragana characters along with writing tips and practice exercises. Section 2 teaches the usage rules that allow students to write Japanese sounds. Section 3 strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed quizzes, etc). A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a hiragana character along with picture mnemonic that helps to recognize and remember it.

**LEARN HIRAGANA and KATAKANA Coloring Book** Maya Patrick, Sarette Patrick, Shannon Patrick, 2019-04-06 This book introduces all 46 hiragana and all 46 katakana (including dakuten, compound hiragana, and compound dakuten), and makes them easy to learn! While you are relaxed, enjoying a coloring book, the information can more easily penetrate your brain to be learned, retained, and recalled when needed. Coloring slows the brain down long enough to more fully engage with the form - and sound - of each kana. This book is not meant to be a stand-alone form of instruction in the Japanese language, but rather, it is intended to be a fun supplement to beginner level coursework, classes, or other learning materials. This book can also be used as a great first step in learning hiragana and katakana, and an enjoyable way to begin the journey through the Japanese syllabaries. It can also be used to prove to reluctant learners that they CAN learn the kana - easily!!! Many people feel they cannot learn - or retain - the kana and working through this coloring book will quickly prove otherwise. Coloring only one page a day will result in a strong beginning, allowing students to learn

and retain all 46 hiragana and all 46 katakana in a little over three months. More ambitious learners can easily cover more ground, more rapidly. It is recommended that students first read the sound each kana makes, then trace the stroke order with their fingers. Next, students should color the kana - following the stroke order - while keeping its sound in mind as they work. Simply slowing down and engaging with the form and sounds of each kana in this way allows the brain to more easily process it. After coloring in the kana, consider decorating the entire page so you will have a beautiful reference book - made by you - to review at the end of your study! GAMBATE!

📖 Yasuko Kosaka Mitamura, 1985

**Learn Hiragana Workbook – Japanese Language for Beginners** George Tanaka, Polyscholar Publishing, 2020-11-21 Everything you need to start learning Japanese quickly. Self-study exercises, how-to-write practice pages with stroke diagrams and instruction for each letter, Hiragana charts and flashcards to cut out and keep.

**Japanese Language Composition Notebook** Tuttle Publishing, 2020-08-25 This beautiful notebook makes studying a pleasure! Each double page spread has squared paper on the right-hand side for practicing formation of the Japanese characters, and lined paper on the left-hand side for note-taking. A ten-page reference section at the back of the notebook gives hiragana and katakana charts, a list of the 100 most common kanji; key vocabulary, and basic grammar tips. Contents: Pages 1-118 Alternate Pages of lined and squared paper for note-taking and handwriting practice Pages 119-120 Hiragana alphabet charts Pages 121-122 Katakana alphabet charts Page 123 100 most common kanji Pages 124-125 Key vocabulary lists Pages 126-128 Basic grammar tips

Elementary Japanese Volume Two Yoko Hasegawa, 2006-02-15 This is an extensive beginning level Japanese textbook and Japanese language learning package. Elementary Japanese is designed for students who are just beginning their study of Japanese at the first-year college level or on their own. The author and contributors have created a highly structured approach to learning Japanese that is based on learning the fundamental patterns and constructions of the language as well as the writing system including basic kanji. Systematic grammatical explanations are provided in enough detail for this book to be used as a reference work as well as an introductory textbook. The accompanying MP3 audio CD is a great way to learn Japanese and ensures correct pronunciation and helps to build listening comprehension. After completing this course, you will be able to: Describe yourself, your family and your friends. Talk about daily events using basic vocabulary and grammatical constructions. Understand conversations on these topics as well as classroom activities. Read Japanese articles and

write short and simple compositions and letters.

Learning Hiragana - Beginner's Guide and Integrated Workbook | Learn how to Read, Write and Speak Japanese Dan Akiyama,2023-03-06 Learn Japanese Hiragana fast and intuitively! An easy, step-by-step workbook designed for beginners, with all the tools to read, write and speak with the first alphabet of Japan!

Learning Hiragana and Katakana - Beginner's Guide and Integrated Workbook | Learn how to Read, Write and Speak Japanese Dan Akiyama,2022-11-24 Learn Japanese Hiragana and Katakana fast and intuitively! An easy, step-by-step workbook designed for beginners, with all the tools to read, write and speak with the elementary alphabets of Japan!

Japanese Hiragana & Katakana for Beginners Timothy G. Stout,2013-11-21 The method that's helped thousands in the U.S. and Japan learn Japanese successfully. The Japanese language has two basic writing systems, hiragana and katakana, in addition to the one that uses Chinese characters or Kanji. This handy book teaches you a new mnemonics-based method to read and write the basic 92 hiragana and katakana characters. Along with its sister book: Japanese Kanji for Beginners it provides a complete introduction to written Japanese. Memorable picture mnemonics help you to learn the characters by associating their shapes and sounds with combinations of images and English words already familiar to you. Clear examples and entertaining exercises offer opportunities to read, write, use and practice all 46 basic hiragana and 46 basic katakana characters, plus the remaining kana that stand for more complex sounds. Polish your knowledge with word searches, crossword puzzles, fill-in-the-blanks, timed recognition quizzes, and other interesting activities. The downloadable audio allows you to print out your own flash cards (featuring the same mnemonic images taught in the book) to help you review and practice, even while you're on the go.

Easy Kana Workbook: Basic Practice in Hiragana and Katakana for Japanese Language Students Rita Lampkin,1990-07-30 This practical workbook is for all students of Japanese who want to learn the basic phonetic writing system in use by the Japanese. This workbook is a self contained course, which can be used both for independent study or in the classroom. It can also serve as an ideal supplement to any basic conversation course in Japanese.

*Japanese from Zero! 1* George Trombley,Yukari Takenaka,2006-05-01 The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity.--Introduction.

*Lets Study Hiragana!* R Z,2019-06-28 Have you always wanted to learn a foreign language? Have you always wanted to learn Japanese? Then start your journey towards learning Japanese, meeting new people, and experiencing a new culture by learning the basics of the language. Learn hiragana and you will be on your way to reading manga, learning new vocabulary or introducing yourself to others. Plus the small size of this book allows for easy storage in your bag, so you can practice on your daily commute or during your lunch break.

## FAQs About Learn Hiragana

### Books

How do I know which eBook

platform is the best for me?

Finding the best eBook platform

depends on your reading

preferences and device

compatibility. Research different

platforms, read user reviews,

and explore their features

before making a choice. Are

free eBooks of good quality?

Yes, many reputable platforms

offer high-quality free eBooks,

including classics and public

domain works. However, make

sure to verify the source to

ensure the eBook credibility.

Can I read eBooks without an

eReader? Absolutely! Most

eBook platforms offer web-

based readers or mobile apps

that allow you to read eBooks

on your computer, tablet, or

smartphone. How do I avoid

digital eye strain while reading

eBooks? To prevent digital eye

strain, take regular breaks,

adjust the font size and

background color, and ensure

proper lighting while reading

eBooks. What the advantage of

interactive eBooks? Interactive

eBooks incorporate multimedia

elements, quizzes, and

activities, enhancing the reader

engagement and providing a

more immersive learning

experience. Learn Hiragana is

one of the best book in our

library for free trial. We provide

copy of Learn Hiragana in

digital format, so the resources

that you find are reliable. There

are also many Ebooks of

related with Learn Hiragana.

Where to download Learn

Hiragana online for free? Are

you looking for Learn Hiragana

PDF? This is definitely going to

save you time and cash in

something you should think

about.
