I'm Learning Japanese! Christian Galan, 2019-10-29
This is a fun and entertaining beginner level children's Japanese language book (9 years old and up) that is also appropriate for adults. I'm learning Japanese takes a light-hearted approach to the Japanese language by using fun anime-style manga characters to teach Japanese. However, it does not scrimp on content and covers everything from Japanese kanji, kana and grammar to Japanese culture and customs. The book starts out with the main characters, Emily, Nico and Teo sitting on the grass after school, minding their own business, when—unbelievable!—a giant talking fox dressed in a kimono appears. Explaining that he knows magic, speaks 3,000 languages and is respected as a sensei (master), he wonders if the three kids are ready to learn Japanese from him. During the next 128 amusing pages, the three friends learn to speak Japanese, read Japanese and write Japanese...along with taking breaks to try Japanese hot-spring baths, sumo wrestling, Zen meditation and more. Focusing on exactly what the 9 to 13-year-old learner wants to know, this book is carefully set up to allow them to learn Japanese independently, at their own speed, without an adult's help. Every page of I'm Learning

Japanese! is in full color and the illustrated comic book-approach, with its speech bubbles and funny side remarks, makes the learning seem to fly. It gives preteens a fun grounding in the language and one that's accurate and practical. Nothing they learn here is watered down or will ever need to be unlearned, should they continue on with their Japanese language studies in school or later in life.

Japanese Kanji Made Easy Michael L.

Kluemper,2015-04-28 This highly-visual book introduces an effective new method to learn over 1,000 Japanese kanji characters using visual stimuli and pictographs. Learning the fundamental kanji characters used to write Japanese

can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. For example, the Japanese character for person is superimposed over a sketch of a smiling man. The visual clue is a person standing on two legs. By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji. Key feature of this Japanese kanji book include: Hiragana and katakana phonetic symbols Easy-to-remember drawings and stories for ALL characters Thousands of vocabulary words Audio CD for pronunciation practice

Japanese Hiromi Zeid,Japanese Japanese Academy,2017-05-29 INTRODUCING: Over +2000 Japanese Phrases to Sound Like a Native Japanese (Including Pronunciation Tips & Detailed Exercises) Would you like to try a different way of learning Japanese? Are you tired of the traditional methods teachers tell you to use? What if we told you there is a better, more care-free way of learning Japanese and expanding your vocabulary to unprecedented levels? Well, guess what? There is! One of the best ways to learn Japanese is by using practical conversation guides The

problem? You might feel like you don't know where to start, or you may feel lost trying to read whatever pops up on the internet. That's exactly why we created this book. Japanese Phrases + Pronunciation Guides = Faster Learning We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language if you use pronunciation guides as a shortcut. Pronunciation guides allow you to virtually read out loud a certain 'pronunciation clue' and without realizing it, you will be speaking almost perfect Japanese. This will in time allow you to expand your vocabulary soon enough to travel to Japan, getting a much better grasp of the Japanese language before you do. Practical conversation guides work because they eliminate the stress of forcing yourself to learn. Instead, when you read out loud the different sections we've prepared for you, you will learn Japanese with much less struggle! Your goal is to simply focus on a section at a time (they only take a few minutes to read). Each chapter takes on multiple topics, including tips on how to build rapport with others, shopping, and asking for directions, just to name a few. We wanted these sections to be fun, interesting, and appealing, motivating you to keep on reading. That's the very best way to learn, don't you think? BONUS: Pronunciation Guides + Detailed Multiple Choice Exercises In this book you'll find over fifteen chapters covering a multitude of topics in Japanese. Each chapter contains tables with three columns. You start by reading the first column -word or phrase in English-, then you move on to the second -translation to Japanese-, and then to the third one and read it out loud -it includes a pronunciation clue for that particular word or phrase. Once you're done with this line, you move on to the next one, and so forth until you complete the chapter. It's

that easy and fun. READ: Practical Japanese For Beginners - Over +700 Japanese Phrases & Expressions for Everyday Conversation Practical Japanese For Beginners contains a multitude of vocabulary lists with key words to grow your Japanese vocabulary to unprecedented levels (right before you go to Japan!). We chose each phrase carefully, in order to support both beginners and intermediate students. We are absolutely sure will love this book, and we sincerely hope it helps you learn Japanese much faster. How Will Your Japanese Skills Improve? You will learn new words without even realizing it You will incorporate key phrases of the Japanese language You will understand how context affects the meaning of certain words You will get a break from all those dusty Japanese grammar books You will have fun reading out loud pronunciation clues You will get a chance to learn before your trip to Japan Most importantly, you will get a better grasp of the Japanese language, feeling more confident with your abilities Conversation guides are ideal to learn Japanese while having fun. All you need to do is pick a chapter from this book, and start reading. What Are You Waiting For? Get this book now and start learning Japanese. Fluent Japanese from Anime and Manga Eric Bodnar, 2017-10 Half of the people who see the title to this book might be thinking, Learn Japanese by watching anime? What a load of crap! Such a thing certainly sounds like a crazy pipe dream that a great number of anime fans share. And if you watch anime with English subtitles like most people, Japanese fluency will remain merely a dream. You will not learn Japanese outside a small handful of basic words. If you turned off the English subtitles, you would be taking your first steps towards a successful Japanese language learning program. Of course, this is not the only step either. The following steps contained within this book describe a fascinating process of how anyone can learn Japanese to fluency through the material he or she watches and reads for fun. Inside of this book is a method that allows you to learn and never forget thousands of new Japanese vocabulary words, phrases, grammar points, and kanji that you encounter from any Japanese language source of your choice. This includes anime, manga, dramas, movies, videos, music, video games, and visual novels. This is a book dedicated to answering the question of how to speak Japanese fluently by extensively reading and

listening to native Japanese language materials. If you are looking for a Japanese language textbook that teaches Japanese grammar, vocabulary, and kanji, you will not find it here. But if you are struggling with the question of how to learn Japanese or if you have trouble remembering the Japanese language that you have learned, why not try something new and different? Use this book to help you learn Japanese language from Dragon Ball, Sword Art Online, Naruto, One Piece, Fairy Tail, One Punch Man, Death Note, Bleach, Attack on Titan, and more!
