Learning Japanese for Real Senko K. Maynard, 2011-03-02 Concise descriptions of grammar, use, and genres make Learning Japanese for Real indispensable for adult learners of the language. The volume presents a holistic view of the knowledge required for proficiency in Japanese. Following introductory chapters on the language's background, sound system and scripts, word types, and grammatical categories, it introduces readers to simple then complex sentences. A chapter on emotive expressions contains highly useful entries on attitudinal adverbs, exclamatory phrases, interjections, and rhetorical questions—all of which carry emotive meanings. Learning Japanese for Real then goes beyond grammar to discuss how the language is used in interaction. The author discusses communication strategies such as requesting, apologizing, and inviting as well how to interact when participating in a conversation with behaviors such as hand signals, bowing, and nodding. She considers metaphor, tautology, puns, and the lingering effect of *yojoo* before addressing the organization of Japanese discourse, including the four-part organizational principle of *ki-shoo-ten-ketsu* and the structure of staging. The final sections feature authentic examples of popular culture discourse from manga, television, advertising, magazines, and cell-phone novels and a host of practical suggestions (methods, tools, resources) for learning Japanese. Learning Japanese for Real will become a key source for Japanese language students during their elementary, intermediate, and advanced training. As an essential anthology of grammar, use, and genres of the Nihongo world, teachers of Japanese will also find it invaluable.

Japanese for Fun Taeko Kamiya, 2013-11-30 This is a concise guide to learning beginner Japanese and includes an accompanying audio CD This pocket book is intended for people who want to learn the basics of the Japanese language quickly. Whenever you have a few minutes—waiting in a hotel lobby, riding on a train, or whatever—open this book and you can learn phrases you'll use again and again during your stay in Japan. The book is divided into twenty-one chapters, each covering a specific topic. Each chapter includes the following three sections: Words & Expressions: This section introduces words and expressions needed in specific situations. Vocabulary is presented systematically for quick and easy understanding. Expressions in Context: This shows how to use in context the words and expressions given in the preceding section. Gives you confidence in using new words in original sentences. Additional Words & Expressions: This section enables you to create many new sentences using the patterns just learned. There's no need to memorize all the words or phrases presented here: concentrate on just

those you want to use. To use this book, start by reading the first three chapters of the book. These introduce many of the most commonly used words and phrases and familiarize you with the basic sentence structures. After Chapter 3, go straight to any chapter that interests you. If you want to know what to say on the phone, read Chapter 14: if you have to take a train, a few minutes with Chapter 6 should enable you to reach your destination quickly and conveniently. Although this book contains over three hundred carefully selected words and expressions, there is very little grammar included and there is no need for hours of rote memorization. All that is required is a few minutes of your time.

Learn Japanese with Stories #16 Clay Boutwell, Yumi Boutwell, 2022-03-07 READ real Japanese Today! By choosing short stories, the intimidation factor is greatly reduced. Not only that, but we divide the story up into tiny, easy-to-swallow segments with complete explanations to give you confidence as you read real Japanese page by page. Recommended for upper beginner to intermediate level students of Japanese. BONUS! Get FREE sound files of the stories read by a native Japanese voice actress, one read at normal speed and one read slowly. Listen while reading. The link to the sound files is found on the last page. NOW WITH QR CODES - While you can still download the sound files with the link on the last page, we are also including handy QR codes for both the slow and normal speed recordings of the stories. Simply scan the code with the camera of your phone and the audio will begin playing in seconds. EXTRA BONUS! Included with the sound files, are PDFs of all the vocabulary and grammar points. Feel free to print these out to use while reading. EXTRA BONUS! Lastly, we are also providing an Anki flashcard deck of the vocabulary for not extra charge. Now with Furigana! All our readers now have furigana. Furigana is the small hiragana over the kanji--most devices support this new feature. (The Japanese only section has no furigana so you can practice reading the story again in real furigana-less Japanese) Have you studied for a year or two but just don't feel like you are progressing? This book is for you too. We suggest reading the Japanese only section first (includes furigana) and then go through the line-by-line running gloss section to cement understanding and learn vocabulary. * All Japanese have furigana (printed version and Kindle version on supported devices (most new devices)) * Two complete Japanese short stories. Each story is presented in three unique ways. * GLOSS: Read the story with a running gloss--understand completely. Every sentence is broken down word-for-word and with English explanation of the grammar. * JAPANESE ONLY: The full story in Japanese only (without the running gloss) is also provided so you can practice reading without interruption. * ENGLISH SUMMARY: Finally, we have included a simple and mostly literal English translation for you to check your understanding (Don't cheat! Work through the Japanese first!). * Short stories makes reading full Japanese texts possible. * Download the FREE MP3s to listen while you study. * Download FREE Anki flashcard decks to learn all the vocabulary found in the stories. THE STORIES: This book contains two stories: The Bowl-wearing Princess is known as Japan's Cinderella story. The second story, The Wisdom of Oooka Echizen, is reminiscent of Solomon the Wise. [Includes free sound files and Anki flashcard deck for vocabulary] Finally, we invite the reader to contact us with questions or requests for future Japanese readers. You will find our personal email addresses in the book. To your Japanese! What are you waiting for? Ninja up your Japanese.

Nihongo N-5 Anil Soman, 2020-11-17 By virtue of latest technological gadgets like computers, tablets, smart-phones and what not, the Young Generation has acquired tremendous treasure of knowledge of the latest world. Even lot of latent talent is hidden in remote areas like deep and distant villages which is awaiting proper exposure. In the modern era, everybody has everything except time, and nobody prefers to waste time in travel. Instead, most of the work is done on-line. Although the Book-Reading culture is affected to some extent due to electronic equipments, it has still maintained its space. So far as Learning of a Foreign Language is concerned, in my opinion, in order to learn it, first preference should be given to one's own mother tongue. However, English is the First Language of the world, and hence most of the people learn a Foreign Language through English. In spoken languages of the world, Japanese Language is at No.2. This book viz. NIHONGO N-5, covers all the portion of N-5 Level of J. L. P. T. (Japanese Language Proficiency Test) Examination. All the matter is explained in a very simple and easy to understand manner. How much knowledge one has acquired could be tested, by appearing for JLPT Exams held two times in a year throughout the world. JLPT examinations are conducted by Japan Foundation (Affiliated to Japan Govt.) at various levels --- N-5 to N-1 --- N-5 being the beginners level and N-1 being the highest level. Every year, thousands and thousands of Japanese Language Lovers appear for these examinations, in the world. The Author of this book is involved in this Japanese Language Activity for more than 30 years and has worked so far, as a freelancer in the field of Technical Translation, Interpretation and as a Teacher. While Teaching, many(3) experiments have been done e.g. this language was taught at a village level student who was learning in her VIII std. Studying for about 6 months, she could pass the beginners level with more than 80% marks. After getting certain proficiency in this language, one can get many opportunities to earn sumptuous money on his/her own. One can work as a freelancer or can get employment in the field of MNC in the capacity of a Translator, Interpreter. One can work as a Tourist Guide and find one's own way of earning. In fact, there is a shortage of Japanese Language Professionals and this Category is always in demand. The concerned personalities and authorities may think of the facts mentioned above and encourage students to learn Japanese Language. If anybody has any doubts, queries regarding the matter given in this book, he/she can contact the Author on mobile/e-mail. All the Best to the Japanese Language Learners of this Book and to all the Japanese Language Lovers!

I'm Learning Japanese! Christian Galan, 2019-10-29 This is a fun and entertaining beginner level children's Japanese language book (9 years old and up) that is also appropriate for adults. I'm learning Japanese takes a light-hearted approach to the Japanese language by using fun anime-style manga characters to teach Japanese. However, it does not scrimp on content and covers everything from Japanese kanji, kana and grammar to Japanese culture and customs. The book starts out with the main characters, Emily, Nico and Teo sitting on the grass after school, minding their own business, when-unbelievable!-a giant talking fox dressed in a kimono appears. Explaining that he knows magic, speaks 3,000 languages and is respected as a sensei (master), he wonders if the three kids are ready to learn Japanese from him. During the next 128 amusing pages, the three friends learn to speak Japanese, read Japanese and write Japanese...along with taking breaks to try Japanese hot-spring baths, sumo wrestling, Zen meditation and more. Focusing on exactly what the 9 to 13-year-old learner wants to know, this book is carefully set up to allow them to learn Japanese independently, at their own speed, without an adult's help. Every page of I'm Learning Japanese! is in full color and the illustrated comic book-approach, with its speech bubbles and funny side remarks, makes the learning seem to fly. It gives preteens a fun grounding in the language and one that's accurate and practical. Nothing they learn here is watered down or will ever need to be unlearned, should they continue on with their Japanese language studies in school or later in life.

Conversational Japanese Anne Kaneko, 2013-02-05 This book is a user-friendly language guide for basic spoken Japanese. To effectively learn Japanese and communicate in another culture you need more than the bare bones of the language. You need to understand the given norms of that society, how people interact, how things work, what the system is, how to navigate and manipulate those systems—in short, how to use the language in context. More than a Japanese phrase book, Conversational Japanese provides basic material for practical day-to-day communication. Through hundreds of example sentences and dialogs, as well as thorough explanations of the customs involved, learners will know what to say and do when: Meeting new people. Reserving a hotel room. Buying a train ticket. Offering a gift. Writing emails, business letters, cards and thank-you notes. This book aims to prepare you for situations you are likely to find yourself in if you go to Japan to visit or to work. Every chapter starts with a short introduction giving background knowledge for that topic; then there are dialogues based on real-life situations which give you the words and phrases you need to manage a wide range of daily tasks from getting on with the neighbors, to buying a phone, shopping on the internet, sightseeing, visiting clients or giving a speech. The Japanese language is kept simple and clear and strikes a balance between Japanese textbook language and colloquial Japanese language. Real life Japanese conversations are untidy and elliptical. Unlike most language books, Conversational Japanese does not restrict the use of kanji (Chinese characters), and the sentences are written in the usual Japanese combination of kana (hiragana and katakana) and kanji. Since learning kanji is a difficult task, Conversational Japanese includes romanji (Romanized Japanese) for each word or phrase. As you progress, using kanji and kana will become easier to remember and you should be able to pick up new kanji over time. Soon your abilities to speak Japanese, comprehend Japanese, read Japanese and write Japanese will be improved.

Fluent Japanese from Anime and Manga Eric Bodnar, 2018-12-31 This is a book dedicated to answering the question of how to learn Japanese to fluency by extensively reading and listening to native Japanese language materials like anime and manga. If you are looking for a basic Japanese for beginners textbook that teaches Japanese kanji, vocabulary, and grammar, you will not find it here. But if you are struggling with the question of how to learn Japanese more effectively or if you have trouble speaking Japanese, why not try something new and different? Half of the people who see the title to this book might be thinking, Learn Japanese by watching anime? What a load of crap! Such a thing certainly sounds like a crazy pipe dream that a great number of anime fans share. And if you watch anime with English subtitles like most people, Japanese fluency will remain merely a dream. You will not learn Japanese outside a small handful of basic words. If you turned off the English subtitles, however, you would be taking your first steps towards a successful Japanese language learning program. Of course, this is not the only step either. The following steps contained within this book describe a fascinating process of how anyone can learn to speak Japanese fluently through mostly reading and listening to native Japanese language materials. Inside of this book is a system that allows you to learn and never forget thousands of new Japanese kanji, vocabulary words, phrases, and grammar structures that you encounter from any Japanese language source of your choice. This includes anime, manga, dramas, movies, videos, music, video games, visual novels, and anything else that uses the Japanese language. Whether you are at the basic Japanese for beginners level or intermediate levels, use this book to help you learn Japanese to fluency faster and easier starting today!

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
