Hitomi Nakamura

Essential Japanese Periplus Editors, 2013-02-05

This portable, user-friendly Japanese language guide, phrasebook and dictionary is the cheapest and easiest way to learn Japanese before and during your trip. If you only want to purchase one Japanese language book—Essential Japanese is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of Japan and is also designed as a Japanese phrasebook, making it the most versatile Japanese language learning tool on the market. Perfect for business people or tourist traveling to Japan or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Japanese phrase book or as an English-Japanese Dictionary. A clever point to feature allows you to simply point to a phrase translated in Japanese without the need to say a word. You will soon find yourself turning to Essential Japanese again and again when visiting Japan and working or interacting with Japanese speakers. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 200 terms and expressions. Latest Japanese vocabulary and Japanese phrases for smart phones, social media and more. Japanese characters (kana and kanji) as well as Latin script (romanji). Extensive information about Chinese grammar and pronunciation. This beginner Japanese book will help you to quickly and easily learn Japanese. Your ability to read Japanese, write Japanese, speak Japanese, and comprehend Japanese will be

vastly improved without having to take an entire Japanese language class. Other titles in this bestselling series of phrasebooks include: Essential Japanese, Essential Chinese, Essential Korean, Essential Tagalog, and Essential Arabic.

Conversational Japanese Anne Kaneko, 2013-02-05
This book is a user-friendly language guide for basic spoken Japanese. To effectively learn Japanese and communicate in another culture you need more than the bare bones of the language. You need to understand the given norms of that society, how people interact, how things work, what the system is, how to navigate and manipulate those systems—in short, how to use the language in context. More than a Japanese phrase book, Conversational Japanese provides basic material for practical day-to-day communication. Through hundreds of example sentences and dialogs, as well as thorough explanations of the customs involved, learners will know what to say and do when: Meeting new people. Reserving a hotel room. Buying a train ticket. Offering a gift. Writing emails, business letters, cards and thank-you notes. This book aims to prepare you for situations you are likely to find yourself in if you go to Japan to visit or to work. Every chapter starts with a short introduction giving background knowledge for that topic; then there are dialogues based on real-life situations which give you the words and phrases you need to manage a wide range of daily tasks from getting on with the neighbors, to buying a phone, shopping on the internet, sightseeing, visiting clients or giving a speech. The Japanese language is kept simple and clear and

strikes a balance between Japanese textbook language and colloquial Japanese language. Real life Japanese conversations are untidy and elliptical. Unlike most language books, Conversational Japanese does not restrict the use of kanji (Chinese characters), and the sentences are written in the usual Japanese combination of kana (hiragana and katakana) and kanji. Since learning kanji is a difficult task, Conversational Japanese includes romanji (Romanized Japanese) for each word or phrase. As you progress, using kanji and kana will become easier to remember and you should be able to pick up new kanji over time. Soon you your abilities to speak Japanese, comprehend Japanese, read Japanese and write Japanese will be improved.

Practical Japanese Jun Maeda, 2013-02-19 This is a concise and effective Japanese phrase book and guide to the Japanese language with color pictures and accompanying exercises for each section. In this modern jet age, one can reach any part of the world within a day or less. Although English is widely spoken, it is very helpful to have some knowledge of the language of the country which you are visiting in order to make your trip more enjoyable by communicating with the local people and understanding their culture. Intended for beginners who wish to learn to speak Japanese at a very basic level within a few hours, this book is written in a clear and simple yet versatile way. With approximately 350 basic words and examples of how they are used in practical conversation speech, one can acquire a fundamental working knowledge of spoken Japanese from this book, so you can express yourself in simple Japanese sentences. This book has several exercises for

each lesson. And, to get acquainted with Japanese culture, the student may enjoy the photos which the author has provided as a visual aid. Complicated grammatical explanations are omitted since detailed explanations sometimes discourage people from actually speaking. Only the essential points in pronunciation and grammar are given, and the Japanese phrases and sentences are repeated presented in each lesson so that the student can easily learn the phrases and practice using them without hesitancy or discouragement. Key features of Practical Japanese are: Over 350 essential Japanese words and 96 pages of practical conversational usage. 25 carefully structured lessons to reinforce Japanese vocabulary and Japanese grammar. Accompanying practice exercises for every lesson. All words and phrases are shown in written Japanese—Kanji and Kana (Hiragana and Katakana), Romanized Japanese (Romanji), and English Over 200 simple illustrations. A concise pronunciation guide. Businesspeople, tourists as well as the student or prospective foreign resident in Japan, young or old, will find this Japanese phrasebook a helpful and enjoyable tool in speaking Japanese for the first time.

Japanese For Fun Phrasebook & Dictionary Taeko Kamiya, 2017-03-07 This handy Japanese phrasebook and pocket dictionary is designed for people who want to learn Japanese quickly and don't have a lot of time to study. It is designed by an experienced language teacher to be useful and easy to use. Even if you have just a few minutes a day—while sitting on a train or subway, waiting for a bus, or spending time with your friends—you

can open the book and learn a few useful phrases that you'll use over and over again during your stay in Japan. This thoroughly revised edition features hundreds of new phrases and manga illustrations which give context to the vocabulary and expressions. It is divided into twenty-two accessible chapters, each one covering a specific topic or situation that you will encounter while traveling in Japan. Each chapter contains three sections: Key Words & Expressions: This introduces all the key Japanese vocabulary and phrases you'll need to communicate in Japan. A recording of each phrase or word by a native speaker is given on the CD, and example sentences are provided showing how each word and expression is used. Expressions in Context: This section shows you how to make use of the words and phrases in various situations. Mini Dialogues illustrate their use followed by related expressions designed to give you confidence in using the new words in slightly different ways. Additional Vocabulary: This section enables you to create new sentences based on the patterns learned and increases your vocabulary and range of things you can say. There's no need to memorize every word or phrase; just learn the ones that you want to use. This book has over 1,800 carefully selected words and expressions. The new manga illustrations bring the dialogues to life and show how the phrases are used in actual real-life situations. There is very little grammar and no need to spend hours of rote memorization. All you need is a few minutes a day and a willingness to learn!

Learn Japanese Pro Phrasebook Introduction

In today's digital age, the availability of Learn Japanese Pro Phrasebook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of

knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Learn Japanese Pro Phrasebook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Learn Japanese Pro Phrasebook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing Learn Japanese Pro Phrasebook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Learn Japanese Pro Phrasebook books and manuals for download are incredibly convenient. With just a computer or

smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to

other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Learn Japanese

Pro Phrasebook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Learn Japanese Pro Phrasebook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the

Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Learn Japanese Pro Phrasebook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms

like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Learn Japanese Pro Phrasebook books and
