**Russian** Polyglot Language Learning, 2019-01-02 Millions of people learn Russian but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn Russian and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to study and review thousands of Russian phrases and vocabulary words or are struggling to speak Russian with native speakers, try this book! This is not a basic Russian for beginners textbook designed to teach the Russian language but a book that will teach you how to learn Russian the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of Russian language coursebooks, Russian phrase books, and online resources to learn Russian, but without smart language learning techniques and strategies, you are likely to forget what

you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall Russian language ability. In *How to Get Really Good at Russian*, discover how you can easily conquer the Russian language using highly effective methods and strategies used by polyglots (language learning experts). These methods and techniques can even be used to learn Russian phrases, vocabulary, and grammar from TV shows, movies, videos, music, and video games.
