Learn Swahili Quickly and Easily Exercises Laurence Wood, 2017-10-19 This set of exercises accompanies the text 'Learn Swahili Quickly & Easily', but may be used by itself. The entire set of exercises is available as MP3 or two CDs with the Swahili spoken by a first-language Swahili speaker. They provide

the vital component in the learning of any language: auditory learning. By listening to these exercises repeatedly, the language will sink in without effort - just as a child learns its native tongue. This process is fast-tracked when you understand WHY the translation is as it is, and the text book provides this information, in exactly the same sequence. In the event of difficulty finding these audio files, please email: email.izzo@gmail.com

My First Book of Swahili Words Pauline Mandari, 2014-11-18 A first word book that helps children develop essential vocabulary. The book is especially for Swahili speaking countries Diaspora children. English-Swahili Vocabulary A. C. (Arthur Cornwallis) Madan, 2012-08 Advertisement. This vocabulary was begun as an Index to 'Swahili exercises' (by Bishop Steere), and can be used for that purpose. It assumed its present form by the addition of a large number of words from his collections in the 'Handbook of Swahili language' and of a few from other sources. As it is intended to be useful, not only to Europeans learning Swahili, but to Swahilis and others learning to read an English book, a description of the abbreviations is added from Bishop Steere's 'Grammar in Swahili'.--Page [i].

Swahili Grammar and Workbook Fidèle Mpiranya, 2015 Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns;

the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/>

Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Swahili in One Week Adam Weise, 2017-04-19 Swahili in One Week is easily accessible to those who struggle to learn languages or doubt their ability to do so. This book sets you on the path to fluency by teaching you the fundamentals of Swahili, which you can use as a base for future learning. The book is divided into seven days worth of subjects and practice exercises and includes Swahili-English and English-Swahili dictionaries. Many language textbooks are full of unnecessary information and simply list words and phrases to be memorized in a misguided attempt to build fluency. How is this book different? You will: A. Learn only the most essential vocabulary or dig deeper into subjects like local food and customs; B. Make learning a language the fun it should be; C. Save time by using the included study plan; D. Ability to have brief exchanges after just one day; E. Communicate in the language in basically any daily situation after one week; and F. Impress Swahili

speaking friends with your quick progress in the language. The goal of this book is to give the reader-having no prior knowledge of Swahili-the ability to manage basic exchanges and, more importantly, an understanding of the language upon which they can quickly build to become a proficient speaker. This is why literal translations are used, by knowing habari yako means news your instead of how are you, which is the non-literal translation, the language learner adds two unique words plus the phrase to their vocabulary. Compare this to the traditional language learning method The ineffective traditional method guarantees you will: A. Waste your time learning the wrong words; B. Have difficulty retaining words because you do not use them in conversation; C. Struggle to conjugate verbs and build sentences; D. Fail to understand the cultural context in which to use vocabulary; and E. Become frustrated and want to quit All proceeds from this book will go to Tanzanian charities House of Blue Hope and AVC Tanzania.
