Learning How to Play Kickball Tammy Gagne,2019-09-04 Kickball is a fun game that is a lot like baseball. Two teams compete on a field with bases in a diamond pattern. But instead of hitting a baseball with a bat, they kick a large ball. Each kicker to make it around all four bases scores a run. After five innings, the team with the most runs wins. One of the most fun places to play kickball is summer day camp. Kids may not know one another when they arrive at summer day camp. But games like this are a great way to bring them together while building valuable athletic and teamwork skills.

The Matheny Manifesto Mike Matheny, Jerry B. Jenkins, 2017-03-28 St. Louis Cardinals manager Mike Matheny's New York Times bestselling manifesto about what parents, coaches, and athletes get wrong about sports; what we can do better; and how sports can teach eight keys to success in sports and life. Mike Matheny was just forty-one, without professional managerial experience and looking for a next step after a successful career as a Major League catcher, when he succeeded the legendary Tony La Russa as manager of the St. Louis Cardinals in 2012. While Matheny has enjoyed immediate success, leading the Cards to the postseason four times in his first four years—a Major League record—people have noticed something else about his life, something not measured in day-to-day results. Instead, it's based on a frankly worded letter he wrote to the parents of a Little League team he coached, a cry for change that became an Internet sensation and eventually a "manifesto." The tough-love philosophy Matheny expressed in the letter contained his throwback beliefs that authority should be respected, discipline and hard work rewarded, spiritual faith cultivated, family made a priority, and humility considered a virtue. In The Matheny Manifesto, he builds on his original letter by first diagnosing the problem at the heart of youth sports—it starts with parents and coaches—and then by offering a hopeful path forward. Along the way, he uses stories from his small-town childhood as well as his career as a player, coach, and manager to explore eight keys to success: leadership, confidence, teamwork, faith, class, character, toughness, and humility. From "The Coach Is Always Right, Even When He's Wrong" to "Let Your Catcher Call the Game," Matheny's old-school advice might not always be popular or politically correct, but it works. His entertaining and deeply inspirational book will not only resonate with parents, coaches, and athletes, it will also be a powerful reminder, from one of the most successful new managers in the game, of what sports can teach us all about winning on the field and in life.

Double Play Tim Green, Derek Jeter, 2019-07-09 Jalen DeLuca and his hero New York Yankee James "JY" Yager must team up to prove themselves in this sequel to Tim Green and Derek Jeter's New York Times bestselling novel, Baseball Genius. Jalen DeLuca loves baseball. He's playing for his summer travel team and trying to win a regular spot in the rotation. But Jalen's got more than talent on the field. He's a baseball genius who can analyze and predict almost exactly what any pitcher is going to do with his next pitch. He can't quite explain how he knows, he just does. His unique ability helped him save the career of New York Yankee star baseman James "JY" Yager, and now Jalen figures he'll be almost part of the team. Or will he? After a power struggle with the Yankees GM and a failed negotiation with Cat, JY strikes out on his own to show he can still hit in the majors without Jalen's help. Disappointed, but focused on his own baseball career, Jalen tries to carve out his own spot with the Rockton Rockets. When things go wrong for both of them, JY works out a deal with Cat, bringing the pair together again. With JY's help, Jalen and Daniel are able to join a travel team from a nearby rival town who will face off against the Rockets in the championship game of an elite tournament in Boston. With the pressure mounting for

JY to perform at the Green Monster and Jalen intent on paying back his former team, they'll have to pull off the ultimate double play if they're both going to succeed.
