**Sailing Made Easy** American Sailing,2010-01-01 Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called best in class upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text's most distinguishing feature is its user friendly spreads in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.

**Fast Track to Sailing** Steve Colgate,Doris Colgate,2009-02-06 The learn-to-sail book for when you are in a hurry to gain your sea legs At the Offshore Sailing School, the Colgates have taught more than 100,000 adults how to sail. Now they are making their proven instructional methods available to you so you can fulfill your sailing dreams in little time. Though designed around three days of intensive instruction, the book adapts easily to any learning pace. You can master the fundamentals in three days--or over a summer of leisurely sailing.
