**Praying Scripture for a Change** Dr. Timothy Gray, 2014-06-26 If you're looking to learn how to get the most out of prayer, this book is indispensable. As St. Augustine notes, "When we pray, we speak to God; when we read Scripture, God speaks to us." The key to enriching our prayer is learning the language of Christianity, and the most effective way to learn the language of Christianity is an ancient technique known as *lectio divina* ("divine reading"). In these pages, you will learn: How God speaks directly to each of us in Scripture. How to overcome the obstacles to a consistent and fruitful prayer life. Why the fourfold method of *lectio divina* leads us directly into the heart of contemplative prayer. Strategies for reading — and praying — the Bible fruitfully. What Christian meditation is and how it differs from non-Christian approaches. How everyone — not just saints and mystics — can truly reach mystical union with God. In this succinct book, Catholic theologian and biblical scholar Dr. Tim Gray walks you through the Bible and the wisdom of the saints to reveal the practical steps of this great treasure of our Tradition. Learning the simple steps of *lectio divina* will provide a practical and effective way for you to enhance your prayer life through the power of God's Word.

Discovering Lectio Divina James C. Wilhoit, Evan B. Howard, 2012-06-15 Saints of the past can't seem to say enough about their ecstatic experiences with the words of Scripture. The writer of Psalm 19, for example, can hardly contain himself as he exclaims that God's words and ways have revived his soul, made him wise, brought joy to his heart, given him clarity and correct perspective on his life, and warned him of danger. Why should our experiences of the Bible today fall short of this standard? What are we missing? Spiritual formation experts James Wilhoit and Evan Howard argue that our ancestors in the faith responded to the special nature of Scripture with special habits of reading. In this step-by-step introduction to the practice of *lectio divina*, you will learn what it means to read your

way into a new and life-changing intimacy with God. Their simple, easy-to-follow explanation of this ancient practice provides a perfect foundation for you to begin meeting God in his Word as you: read, meditate, pray and contemplate. Discover a new experience of God's Word—one that leads you to experience more of God himself.

**Lectio Divina** Enzo Bianchi, 2015-04-01 The Bible is ancient, enigmatic, and from a culture vastly different from our own. That's why most of us find it hard to read. So how can we understand its importance in the church, and how can it enrich our lives? Central to lectio divina is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art—by entering into dialogue with the God who speaks to each of us through the biblical page. Enzo Bianchi touches on the essentials of the history of lectio, from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era. He explains how to do lectio and how to understand and implement its four moments—lectio, meditatio, oratio, and contemplatio. This is not simply a book about how to approach the Bible, because Scripture ultimately wants to lead us beyond itself, to the truth and mystery of Christ that can never be captured fully in the written word. With his deep biblical wisdom, Bianchi is able to explore the whole Christian tradition of prayerful reading. St. Benedict mandates at least two hours of lectio divina a day for his monks, which is a considerable challenge for the modern person. But with Enzo as our guide, we can do it!" —Terrence G. Kardong, osb, editor of *American Benedictine Review* Enzo Bianchi was born in Castel Boglione, Piedmont, Italy, in 1943. In 1965, after graduating from the University of Turin, he founded an ecumenical monastic community—the Bose Community—of which he is still the prior. Friar Bianchi is a well-known author of books on lectio divina and the spiritual life, which have been translated into many languages. He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering

communion among all people. The Bose Community now numbers over eighty brothers and sisters of various Christian traditions, and receives thousands of visitors annually. Enzo Bianchi is one of the most significant Christian voices in Europe. He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike, and—in common with all the most serious Christian voices of our day—he cannot be labeled as a partisan liberal” or traditionalist.” He offers exactly what the monastic voice at its truest has always offered: a way into the heart of our ecclesial and social questions that is honest, patient, and sensitive. His is a perspective that the English-speaking Christian world should welcome enthusiastically. —Rowan Williams, Magdalene College, Cambridge I hope that these pages may be heard as a simple yet faithful echo of my personal experience, my community’s path and my journey with the church. For years, I have broken the bread of the Word for the brothers and sisters in my community. Much of what I say here comes from that experience. It also comes from many years of preaching the Word to listeners from all walks of life. I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet, those martyrs” of faith who have found ways to express all the richness of the Gospel in their lives. Only those people who put God’s Word into practice have really heard it. They are the ones who truly understand the biblical text, because they obey without delay the word Christ never tires of speaking to us. The sequential sancti evangelii for today—today’s Gospel—is not the product of brilliant scholarly research. It is the life and witness of God’s holy people, those who are faithful disciples of the Word made flesh, their Lord. —Enzo Bianchi

**Reading To Live** Raymond Studzinski, 2009-12-01 Lectio divina, the ancient practice of prayerful reading, is a font whose waters are waiting to quench the thirst of spiritual seekers, both beginners on the spiritual journey and experienced travelers. The art of holy reading transforms lives. Through the practice of lectio individuals and communities discover God's living word addressed to them in their particular now, to enlighten, challenge, encourage, and suggest. Reading to Live traces the practice of lectio divina from its roots in the ascetic movement in the early church and monasticism to its rediscovery in recent times. The benefits lectio brings become clear as Origen, Augustine, Bernard, and many others throughout history testify to its power in their lives. Modern commentators from a variety of disciplines spell out lectio's potential for the world of the twenty-first century. This book invites people of all faiths to embrace the Venerable practice of lectio divina. It provides abundant creative testimonies to its practice and to its life-changing effects. Raymond Studzinski, OSB, a monk of St. Meinrad Archabbey in Indiana, is an associate professor in the School of Theology and Religious Studies at The Catholic University of America, Washington DC, where he teaches courses on religious development and spirituality.

Lectio Divina Christine Valters Paintner, Lucy Wynkoop, 2008 Lectio Divina: Contemplative Awakening and Awareness offers a unique prayer resource that provides a thorough grounding in the different moments of the lectio experience: listening, reading, savoring, responding, and then contemplating God's Word. It will act as a guide for those who have a desire to pray more deeply into this ancient practice and invites readers into a spirituality that encompasses a way of being with God

and the whole of life. *Lectio Divina*, grounded in Benedictine tradition, provides an accessible approach to praying with scripture as well as several concrete and creative ways of praying lectio with different texts such as poetry, icons, and movies. The book also explores ways of bringing lectio into scripture study and integrating lectio into busy lives. It concludes by offering the reader an exploration of the transformational value of lectio divina and a way of using lectio to pray with life experience. +

**Lectio Divina** Duncan Robertson, 2011 During the Middle Ages the act of reading was experienced intensively in the monastic exercise of lectio divina 'the prayerful scrutiny of passages of Scripture, savored in meditation, memorized, recited, and rediscovered in the reader's own religious life. The rich literary tradition that arose from this culture includes theoretical writings from the *Conferences* of John Cassian (fifth century) through the twelfth-century treatises of Hugh of St. Victor and the Carthusian Guigo II; it also includes compilations, literary meditations, and scriptural commentary, notably on the Song of Songs. This study brings medievalist research together with modern theoretical reflections on the act of reading in a consolidation of historical scholarship, spirituality, and literary criticism. Duncan Robertson has taught French and Latin, language and literature, at Augusta State University since 1990. Previous publications include *The Medieval Saints' Lives: Spiritual Renewal and Old French Literature* (Lexington, KY: French Forum, 1995), and *The Vernacular Spirit: Essays on Medieval Religious Literature*, with Renate Blumenfeld-Kosinski and Nancy Warren (New York: Palgrave, 2002). His articles have appeared in *Romance Philology*, *French Forum*, *Cahiers de Civilisation Médiévale*, and other journals in the United States and abroad.

Opening to God David G. Benner, 2010-09-03 Most Christians want to experience spiritual transformation. But many are frustrated by the limited progress of our spiritual self-improvement

efforts. We find our praying burdened by a sense of obligation and failure. But prayer is not merely something we do; prayer is what God does in us. Prayer is not just communication with God; it is communion with God. As we open ourselves to him, God does the spiritual work of transformation in us. Spiritual director David Benner invites us to discover openness to God as the essence of prayer, spirituality and the Christian life. Prayer is far more than saying words to God; all of life can be prayer when offered to God in faith and with openness. Using the four movements of *lectio divina*, Benner explores prayer as attending, pondering, responding and being. Along the way he opens us to a world of possibilities for communion with God: praying with our senses, with imagination, with music and creativity, in contemplation, in service and much more. Learn how prayer can be a way of living your life. Move beyond words to become not merely someone who prays, but someone whose entire life is prayer in union with God.

**Praying the Bible** Mariano Magrassi, 1998 Today, the Church is experiencing a revival of interest in the Bible. The knowledge and practice of *lectio divina* are becoming more widespread, not only in monastic and religious communities, but also among all the people of God. Archbishop Magrassi's book is a classic on the subject. It introduces us to an atmosphere of faith in which the Church, for twelve centuries, was nourished on the Word of God. Out of his vast knowledge of the Fathers and medieval monastic authors, Magrassi has created a synthesis of the elements that make up the unique and singular experience of *lectio divina*.

**Praying the Word of God** Père Charles Dumont OCSO, 1999 Fairacres Publications 132

Christians have over the centuries maintained a dialogue with God, the Bible in their hands, whereby God speaks and the believer listens, and a deep relationship is nurtured. The technical and historical term for this way of reading the Bible and praying the Word of God, 'lectio divina' or 'holy reading', would not be recognised by many today who practise it faithfully in their life of prayer. Pere Dumont traces the history of 'lectio divina', focussing on its primary and fundamental meaning: the Bible read and received as 'a word coming from the mouth of God'.

*Meeting God in Scripture* Jan Johnson, 2016-09-08 Dallas Willard Center Book Award Finalist Jesus is speaking to us here and now. Lectio divina is a practice of Scripture reading that treats the Bible not only as a text to be examined, but also as the living Word of God spoken anew to us. Experienced Bible teacher Jan Johnson gives us forty Scripture meditations, organized topically, giving us the tools we need to practice lectio divina on our own. Each meditation can be used both individually and in group settings, and includes an introductory space of quiet along with an optional preparatory exercise; the full text of a passage from Scripture with explanations of unusual or important words, and with cultural and historical background as needed; cues to help us enter the text; space to contemplate the passage, respond to God in prayer and rest in his presence; and an exercise to try on one of the main ideas of the passage in our daily lives. *Meeting God in Scripture* moves us beyond merely understanding what the text meant in its original context to a direct spiritual encounter with Christ.

**Sacred Reading** Michael Casey, 1996 Casey offers fascinating insights into how the prayerful experience of lectio divina can be sustained and invigorated by the techniques of sacred reading--techniques distilled from the author's deep acquaintance with the Bible and the ancient books of Western spirituality.
