A Beta's Regret Beth Jackson, 2023-12-04 Jake is Midnight Forest Pack's Beta, incredibly popular and handsome, always surrounded by friends, and is successful in business and as his role in pack as Beta. Yet part of his life feels incomplete. Seeing all of his friends settled down with their mates and now having children, Jake can't help but wonder where he went wrong or think if he will forever be alone. Avoidance seems to be the best tactic, and Jake pushes himself harder into work, where an unexpected encounter at a business meeting gets his heart racing and turns his life upside down. Rose, this seemingly perfect, beautiful fated mate of his, has somewhat of an unusual reaction to meeting her mate. Are you meant to be doing your best to avoid your new mate? Or be keeping secrets from him? Not to mention Rose comes from the other side of the world and plans to head home as soon as she can, with promises of keeping in touch, and working things out with time and space. Jake is just happy to finally have his mate, and willing to do all he can to have her by his side. Would Jake be willing to leave all he knows for fate? Or could it be the moon goddess made a mistake, and Jake is better off alone? Or is there a better match out there for him?
