

Lefthome

Buddy Guy

The Year We Left Home Jean Thompson,2012-02-07 A New York Times bestseller and a National Book Award finalist, *The Year We Left Home* chronicles the lives of the Erickson family as the children come of age in 1970's and '80's America.

Children Left Home Alone: Eleven Die in Two Fires; Detriot, Michigan ,

The Son Who Never Left Home The Son Who Never Left Home,2014-02 Warren Hahn inherited his family's German work ethic. He knows the meaning of grueling farm labor, the sweat and toil that come from tilling the land, and the endless hours of work that life on an old homestead demands. He's seen many changes in his life, but at the root of everything are the precious seeds of family and history. In this autobiographical work, Warren honors his family and the many hardships they endured to start a new life in America in the mid-1800s. His family grew from hardy and hardworking German people who risked everything to create a better future for their children. Warren grew up on tales of the difficult and dangerous ocean crossings, love, adventure, ambition, death, disaster, hardship, and hope; he knew that these stories needed to be preserved and celebrated. His ancestors settled in the harsh frontier lands of Texas and scrambled to create a future in a hostile, unforgiving environment and time. Now younger generations can come to know the price these strong-willed settlers paid for their family. Offering more than just a family history, he shares the story of his own life in modern-day Gillespie County, Texas. Every person has a story worth telling. In honor of his family's rich history, Warren has gathered many lifetimes of those stories to inspire future generations.

The Daughter That Left Home Too Many Times N. G. Kerr,2012-09 This is the extraordinary story of a young girl who made many mistakes and created a life that some would consider pathetic, while others would consider a miracle. It will tug at your heartstrings as you cry, laugh and admire what she accomplished in her short life. She was a brave young child, a disturbed teen, a very young mother and, through it all, was a beautiful woman who fought hard to make life worthwhile. Her young demise will hopefully help some parents who have lost a child to cope with their loss as well.

I Never Left Home Margaret Randall,2020-03-13 In 1969, poet and revolutionary Margaret Randall was forced underground when the Mexican government cracked down on all those who took part in the 1968 student movement. Needing to leave the country, she sent her four young children alone to Cuba while she scrambled to find safe passage out of Mexico. In *I Never Left Home*, Randall recounts her harrowing escape and the other extraordinary stories from her life and career. From living among New York's abstract expressionists in the mid-1950s as a young woman to working in the Nicaraguan Ministry of Culture to instill revolutionary values in the media during the Sandinista movement, the story of Randall's life reads like a Hollywood production. Along the way, she edited a bilingual literary journal in Mexico City, befriended Cuban revolutionaries, raised a family, came out as a lesbian, taught college, and wrote over 150 books. Throughout it all, Randall never wavered from her devotion to social justice. When she returned to the United States in 1984 after living in Latin America for twenty-three years, the U.S. Immigration and Naturalization Service ordered her to be deported for her “subversive writing.” Over the next five years, and with the support of writers, entertainers, and ordinary people across the country, Randall fought to regain her citizenship, which she won in court in 1989. As much as *I Never Left Home* is Randall's story, it is also the story of the communities of artists, writers, and radicals she belonged to. Randall brings to life scores of creative and courageous people on the front lines of creating a more just world. She also weaves political and social analyses and poetry into the narrative of her life. Moving, captivating, and astonishing, *I Never Left Home* is a remarkable story of a remarkable woman.

Why Buddha Left Home Prashant Surana,2021-07-11 Do you know the scientific (not religious) answers to the following questions? • Who are we actually and what drives us? • Why do we have to make choices? • Why don't things go as planned? • Why do we fall sick or go crazy? • Why can't we always get what we want? If these questions already pique your curiosity, then you are on the right path towards greater self-awareness! This book helps you navigate this journey through scientific and logical resources, and a lot more...

The Left-side Man Margaret Blake Robinson,1902

When I Left Home Buddy Guy,2012-05-08 According to Eric Clapton, John Mayer, and the late Stevie Ray Vaughn, Buddy Guy is the greatest blues guitarist of all time. An enormous influence on these musicians as well as Jimi Hendrix, Jimmy Page, and Jeff Beck, he is the living embodiment of Chicago blues. Guy's epic story stands at the absolute nexus of modern blues. He came to Chicago from rural Louisiana in the fifties—the very moment when urban blues were electrifying our culture. He was a regular session player at Chess Records. Willie Dixon was his mentor. He was a sideman in the bands of Muddy Waters and Howlin' Wolf. He and Junior Wells formed a band of their own. In the sixties, he became a recording star in his own right. When *I Left Home* tells Guy's picaresque story in his own unique voice, that of a storyteller who remembers everything, including blues masters in their prime and the exploding, evolving culture of music that happened all around him.

The Left-Handed Policeman Robert Westbrook, Robert Westbrook Author of the Howard Moon Deer Mysteries The battle of wits and nerves that unfolds in this expertly paced novel as Nicky struggles to snare the serial killer, keep his job, and juggle an increasingly complex love life make for compelling reading . . . In Nicky Rachmaninoff [Robert Westbrook has] created one of the most engaging new detective heroes since Joseph Wambaugh got philosophical. About the only thing that cushions the disappointment of coming to the end of this page-turner is the knowledge that there's a sequel in the works. —Wall Street Journal Murder in Beverly Hills A killer is on the loose in Beverly Hills. Late at night, as moguls, starlets, actors, and rock stars head home after a night on the town, a Corvette pulls up beside a Rolls-Royce at a traffic light. A gun goes off—and another of Hollywood's elite lies dead. Beverly Hills cowers in terror. It's up to Police Lt. Nicky Rachmaninoff—reluctant cop, ex-hippie, divorced father, and the meanest left-handed jazz pianist in all L.A.—to trap the murderer before he dispatches all of Southern California's rich and famous. It's an assignment Nicky is reluctant to take on: He'd rather play the piano, worry about his love life, or gaze at the stars above his Hollywood Hills bungalow than search out a serial killer. Nicky's ex-wife, the beautiful blond star of TV's *Cassie and the Cop*, suddenly wants Nicky back. But Nicky finds himself caught up with the lovely and well-heeled widow of one of the murder victims—even as he thinks he really does love his ex-wife. But someone else loves Cassie, too. His name is Lawrence Ferguson and he is a nobody. After being diagnosed as terminally ill, Lawrence quits his job, withdraws his life savings, moves to the Beverly Hills Hotel . . . and buys himself a Corvette. And Lawrence has decided to exercise his final fantasy on the woman whose television image he has long worshiped. Can Nicky stop him in time? *The Left-Handed Policeman* is a gripping novel of life—and death—among the big names and the nameless of Beverly Hills. Novelist Robert Westbrook—himself the son of a famous Hollywood personality—explores the boulevards and back alleys, the myths and realities, of the greatest, most deadly dream factory of all: Hollywood.

When I Left Home Buddy Guy,2012-05-08 According to Eric Clapton, John Mayer, and the late Stevie Ray Vaughn, Buddy Guy is the greatest blues guitarist of all time. An enormous influence on these musicians as well as Jimi Hendrix, Jimmy Page, and Jeff Beck, he is the living embodiment of Chicago blues.
