The Legend of Yore Brennan Taylor,1996-05-01

Celtic Lore and Legend Bob Curran,2009-01-22 This book is a celebration of that lore and legend. Its main purposes are to explore the old tales that have come down to us across the years and to see how they have shaped and honed our perceptions about Celtic life. In order to do this, I have followed a chronological structure that has already been laid out. The Mythological Tales section looks at some of the tales that have appeared in the Great Myth Cycles - those tales of heroes and gods. Because, as has already been noted, the Irish and Welsh Cycles are really the only ones that are in existence, many of the stories from them have been overly published in other volumes. This collection seeks out some of the lesser-known tales and presents them for the reader's interest and delight.
