5000-1: The Leicester City Story Rob Tanner,2016-05-26 THE INCREDIBLE AS-IT-HAPPENED STORY OF LEICESTER CITY'S MARCH TO PREMIER LEAGUE VICTORY In August 2015 bookmakers priced Leicester at 5000-1 to win the Premier League – the same odds as Elvis being found alive. On 2 May 2016, the impossible happened – Leicester won, to ecstatic celebrations in the city and around the world. Relive this remarkable season with Rob Tanner, the Leicester Mercury 's chief football writer, from the great escape of 2015 to the curtain-closer at Stamford Bridge, via Ulloa's last-gasp winner at Norwich and Vardy's stunning volley against Liverpool. Detailing the key matches and turning points, Tanner's book tells the inside story of Leicester City's heroic year of triumph – and the players who under Claudio Ranieri's inspired leadership became the most unlikely champions in football history.

Of Fossils & Foxes Paul Taylor,2017-04 Dave Smith and Paul Taylor produced the first edition of this book more than 25 years ago. This giant Champions Special Edition is truly all-inclusive, bang up-to-date and more comprehensive than anything that has gone before. Not only are the 550-plus large-size pages packed with the fruit of years' worth of diligent research, they're also eminently readable and enjoyably dippable. Once again, the club's history is presented from three different viewpoints: a narrative history; a complete who's who covering every first-class player; and a complete set of season-by-season results, scorers, and line-ups, covering every first-class fixture, and much, much more. And, of course, there is comprehensive coverage of the fairy tale that was 2015/16.

Leicester City FC Miscellany David Clayton,2014-08-15 Everything you ever needed to know about Leicester City.

Fearless Jonathan Northcroft,2016-11-22 “The odds of the Foxes winning the Premier League at the start of the season were the same as the Yeti or the Loch Ness Monster being proven to exist, Christmas being the warmest day of the year in England or Barack Obama playing cricket for England after he left the Oval Office.” —ESPN On March 21, 2015, Leicester City lost their sixth game in eight matches. Without a victory for two months, they were rock bottom of the English Premier League, heading for certain relegation to the lower division, and about to miss out on a once-in-a-lifetime financial bonanza of TV money and opportunity. As usual, London and Manchester would clean up, the rich would get richer, and the hopes of the small, overlooked, multicultural city would sink. But Leicester started to win. They stayed up; and in the new season they kept on winning. Favorites for relegation, rank outsiders as potential champions (their 5000—1 odds were the longest in the world for any major sporting event), their entire squad had been assembled for less than the cost of a single player for Manchester City. Still, they beat Manchester City and Liverpool, Tottenham and Chelsea: the most incredible cast of written-offs, grafters, misfits, and journeymen came together for the season of their lives. This is the story every underdog dreams of, every small town with a much larger, more affluent neighbor hopes for, and a triumph that defies logic and expectation.

Of Fossils and Foxes Dave Smith,Paul Taylor,2010-08-31 Once again compiled by dedicated Foxes' duo Dave Smith and Paul Taylor, *Of Fossils and Foxes*, volume three, will be bigger, better, and more comprehensive than anything that has gone before. Nearly 550 large-size pages mean that this edition will be 40% bigger than volume two and a whopping 80% bigger than the original 1989 publication. Once again, the club's history is presented from three different viewpoints—a narrative history; a complete who's who covering every first-class player; and a complete set of season by season results, scorers, and line ups, covering every first class fixture and much more. Simply the most comprehensive club history on the market!

Leicester City Ralph Ellis,2014-04 It was back in 1884 when a number of young footballers pledged nine pence each to buy a ball and formed Leicester Fosse FC. So began a fascinating story that brings us through to the modern Leicester City Football Club. It is a tale of continued excitement and occasional spectacular success but also battles to survive and give the Midlands city a team to be

proud of. This book celebrates the unique history of a club where the one thing that has never been in short supply is the passion of its fans.

The Under-Foxes P. V. Mihalache,2016-04-26 This is the greatest underdog story in World Football History. The 2015-2016 season of The Premier League was the season which made Leicester City Football Club worldwide known. Until now when I was thinking about English football I was thinking about Arsenal, Chelsea, Manchester United, Manchester City and Liverpool but from now on in my mind will be Leicester City. A History of Leicester City Football Club Robert Folliard,1980-01-01

The Unbelievables David Bevan,2016-07-14 At the beginning of April 2015, newly-promoted Leicester City were seven points adrift at the foot of the Premier League. What happened next was truly extraordinary. Not only did Leicester pull off one of the great escapes to survive in the top flight but they continued their form into the following season. The manager who orchestrated Leicester’s promotion and survival, Nigel Pearson, had left the club by then, replaced by the former Chelsea, Juventus and Roma manager Claudio Ranieri. The press gave “the Tinkerman” no hope of staying the course and the bookies installed Leicester as one of the favourites to be relegated. They were priced at 5,000/1 to win the Premier League. With four games remaining, they stand on the edge of history. The season would make stars of Jamie Vardy and Riyad Mahrez. In November, Vardy broke Ruud van Nistelrooy’s record by scoring in eleven consecutive Premier League games. Mahrez’s goals and assists, including magnificent solo goals against ChelseaandManchester City, made him favourite to win the PFA Footballer of the Year award. If Arsenal’s unbeaten season in 2003/04 saw their team dubbed the Invincibles, then Leicester’s exploits in 2015/16 have made them The Unbelievables. This is the story of their season as seen through the eyes of the supporters who have followed them up and down the country with an increasing sense of wonder.
