Still The One Lena Matthews, 2011-02-08 Creigh and Dean De Luca have perfected the art of living. With a new baby and two rambunctious preteens, life in the De Luca household is never dull...or quiet, which doesn't leave the two lovebirds much time to be alone. Their love for one another is stronger than ever. Their love life, on the other hand, has seen better days. Sex has become routine and predictable, and, more often than not, nothing more than a quickie between late night feedings. Unwilling to let the spark go out of their relationship a second time, Dean goes all out for Valentine's Day. He's booked the best room the city has to offer, ordered Creigh's favorite wine, and made one rule: for the next twenty-two hours her body belongs completely to him.

Naughty Games Lena Matthews, 2010-05 I Never: Thanks to his friend's thirtieth birthday, Tripp Kowlaski is forced to face the two people he's been avoiding for the last year - Skylar Daveigh and Gideon Foley. At one time the three of them had been part of a close-knit group of friends, but that all changed thanks to one game of I Never. Some things can't be forgiven or forgotten. Unfortunately for Tripp, Gideon isn't in the mood to do either. He and Skylar are happy now together. The last thing either of them needs is to be reminded of what they can't have. Skylar is conflicted. She's in love with two men who can't move past their anger or fear to admit their love for one another. All she wants is the three of them to be happy, together, but some wishes aren't meant to come true. The birthday surprise is on them though, because they're receiving a gift none of them will ever forget. The only question is, will they make the same mistake the second time around?--Publisher description.

Divorce papers haven't changed a thing for Dean. He's still as in love with his ex-wife as he'd always been. Despite the fact he's not the father of her unborn child, Dean is determined to help Creigh during her pregnancy--whether she wants him to or not. Creigh has never stopped loving Dean, but she's not going to let him back in to her life just because she's expecting a child, especially since she is determined to keep the father's identity from Dean.
