The Supernaturalist Eoin Colfer, 2009-11-24 In the future, in a place called Satellite City, fourteen-year-old Cosmo Hill enters the world, unwanted by his parents. He's sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Freight class. At Clarissa Frayne, the boys are put to work by the state, testing highly dangerous products. At the end of most days, they are covered with burns, bruises, and sores. Cosmo realizes that if he doesn't escape, he will die at this so-called orphanage. When the moment

finally comes, Cosmo seizes his chance and breaks out with the help of the Supernaturalists, a motley crew of kids who all have the same special ability as Cosmo-they can see supernatural Parasites, creatures that feed on the life force of humans.

And Another Thing... Eoin Colfer,2009-10-12 And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

LSD, My Problem Child Albert Hofmann, 2017-09-27 This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann, Ph.D. He traces LSD's path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. In *LSD: My Problem Child*, we follow Dr. Hofmann's trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experiences may be our planet's best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine, in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. More than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.

Gingercat, 2021-07 A little cat finds a home deep in a lonely city - she smells food through an open doorway, laps from one of three bowls, cleans herself on one of three chairs, then settles on one of three beds. When Daddy, Mummy, and their little boy find

her fast asleep in their home, they are faced with a decision - what name shall their new cat be given? A gentle, happy story based on a classic fairy tale, *Gingercat* is suitable for a younger audience, early readers, and as a loving bedtime story.

Dragon's Deep Ashley P. Martin, 2013-06-29 A fantasy adventure gamebook in which you must use skill and luck to defeat the red dragon by venturing into the mysterious region known as Dragon's Deep.

Oxford English Dictionary John A. Simpson, 2002-04-18 The Oxford English Dictionary is the internationally recognized authority on the evolution of the English language from 1150 to the present day. The Dictionary defines over 500,000 words, making it an unsurpassed guide to the meaning, pronunciation, and history of the English language. This new upgrade version of The Oxford English Dictionary Second Edition on CD-ROM offers unparalleled access to the world's most important reference work for the English language. The text of this version has been augmented with the inclusion of the Oxford English Dictionary Additions Series (Volumes 1-3), published in 1993 and 1997, the Bibliography to the Second Edition, and other ancillary material. System requirements: PC with minimum 200 MHz Pentium-class processor; 32 MB RAM

(64 MB recommended); 16-speed CD-ROM drive (32-speed recommended); Windows 95, 98, Me, NT, 200, or XP (Local administrator rights are required to install and open the OED for the first time on a PC running Windows NT 4 and to install and run the OED on Windows 2000 and XP); 1.1 GB hard disk space to run the OED from the CD-ROM and 1.7 GB to install the CD-ROM to the hard disk: SVGA monitor: 800 x 600 pixels: 16-bit (64k, high color) setting recommended. Please note: for the upgrade, installation requires the use of the OED CD-ROM v2.0.

Romeo and/or Juliet Ryan North, 2016-06-07 The New York Times bestseller from the author of *How to Invent Everything* and *To Be or Not To Be* Romeo loves Juliet. Or Rosaline. And Juliet loves Romeo. Or Viola. Or Orlando. It's Shakespeare as you've never played him before. In this choose-your-own-path version of *Romeo and Juliet*, you choose where the story goes every time you read! What if Romeo never met Juliet? What if Juliet got really buff instead of moping around the castle all day? What if they teamed up to take over Verona with robot suits? Whatever your adventure, you're guaranteed to find lots of romance, lots of epic fight scenes, and plenty of questionable decision-making by very emotional teens. All of the endings—there are over a

hundred—feature beautiful illustrations by some of the greatest artists working today, including New York Times bestsellers Kate Beaton, ND Stevenson, Randall Munroe, and Jon Klassen. Packed with exciting choices, fun puzzles, secret surprises, terrible puns, and more than a billion possible storylines, *Romeo and/or Juliet* offers a new experience every time you read it. You can choose to play as Romeo or Juliet (obviously) but you can also play as both of them, or as Juliet's nurse, or, if you're good, you can even unlock a fourth playable character! That's right. We figured out how to have unlockable characters in books. Choose well, and you may even get to write the world's most awkward choose-your-own sex scene.

Legend of the Four Beasts Topix Media Lab,2021-08-15

Latin America in the World Antonia Garcia-Rodriguez,Daniel J. Greenberg,2020-04-02 From the Foundations in Global Studies series, this text offers students a fresh, comprehensive, multidisciplinary entry point to Latin America. After a brief introduction to the study of the region, the early chapters of the book survey the essentials of Latin American history; important historical narratives; and the region's languages, religions, and global connections. Students are guided through the material with

relevant maps, resource boxes, and text boxes that support and guide further independent exploration of the topics at hand. The second half of the book features interdisciplinary case studies, each of which focuses on a specific country or subregion and a particular issue. Each chapter gives a flavor for the cultural distinctiveness of the particular country yet also draws attention to global linkages. Readers will come away from this book with an understanding of the larger historical, political, and cultural frameworks that shaped Latin America as we know it today, and of current issues that have relevance in Latin America and beyond.

Benny and Omar Eoin Colfer, 2012-11-16 The hilarious debut novel from one of the world's favourite children's authors. Benny Shaw, a young sporting fanatic, is forced to leave his beloved Wexford, home of all his heroes, and move with his family to Tunisia! How will he survive in a place like this? Then he teams up with Omar, and a madcap friendship between the two boys leads to trouble, crazy escapades, a unique way of communicating, and heartbreaking challenges.

How to Take Over the World Ryan North, 2022-03-15 NAMED A BEST NONFICTION BOOK OF THE YEAR BY ESQUIRE
“Comic book fans will fall hard for this delightfully daffy guidebook.

. . . Exuberant, optimistic, and just plain fun, *How to Take Over the World* will both surprise and delight.” —Esquire A book this informative should be a crime! Taking over the world is a lot of work. Any supervillain is bound to have questions: What’s the perfect location for a floating secret base? What zany heist will fund my wildly ambitious plans? How do I control the weather, destroy the internet, and never, ever die? Bestselling author and award-winning comics writer Ryan North has the answers. In this introduction to the science of comic-book supervillainy, he details a number of outlandish villainous schemes that harness the potential of today’s most advanced technologies. Picking up where *How to Invent Everything* left off, his explanations are as fun and elucidating as they are completely absurd. You don’t have to be a criminal mastermind to share a supervillain’s interest in cutting-edge science and technology. This book doesn’t just reveal how to take over the world—it also shows how you could save it. This sly guide to some of the greatest threats facing humanity accessibly explores emerging techniques to extend human life spans, combat cyberterrorism, communicate across millennia, and finally make Jurassic Park a reality.

Twintuition: Double Vision Tia Mowry, Tamera

Mowry,2015-04-21 From actresses Tia and Tamera Mowry comes the story of tween twins Cassie and Caitlyn and their discovery that they have the ability to see things before they occur! This is the first book in the popular Twintuition series. When their mother's new job forces them to move from bustling San Antonio to middle-of-nowhere Aura, Texas, Caitlyn tries to stay positive, focusing on meeting new people and having new adventures. Cassie, on the other hand, is convinced that it's only a matter of time until they'll be sick of Aura and ready to move back to the big city. But being the new kids isn't their only challenge. The girls start experiencing strange visions, and they must work together to change the future before it can happen. Tia Mowry-Hardrict and Tamera Mowry-Housley gained initial fame on the '90s sitcom *Sister, Sister*. Tia can now be seen starring in and producing the Nickelodeon series *Instant Mom* and on the Cooking Channel's show *Tia Mowry at Home*. Tamera is a host and producer on the hit daytime talk show *The Real*, currently airing on FOX. Together they've created a magical series about twin sisters with a powerful gift and an even stronger connection.

Move The Body, Heal The Mind Jennifer Heisz,2022-03-08 A noted neuroscientist reveals groundbreaking research on how

fitness and exercise can combat mental health conditions such as anxiety, dementia, ADHD, and depression, and offers a plan for improving focus, creativity, and sleep. Jennifer Heisz shares paradigm-shifting research on how exercise affects the brain, finding that intervals of intense workouts, or even leisurely walks, help stop depression and dementia, lessen anxiety and ADHD, and encourage better sleep, creativity, and resilience. Physical inactivity is the greatest risk factor contributing to dementia and anxiety—it's as much a factor as genetics. In addition, exercise's anti-inflammatory properties make it the most effective treatment strategy for those who are depressed and don't respond to antidepressants. The book focuses on overcoming inertia; using exercise to help fight addictions; how we can improve our memory with fitness even as we age; and, importantly, how exercise can help us sleep better, improve focus, and be more creative. Included are easy to use plans for unique aerobic and resistance workouts designed to strengthen the brain.

Twintuition: Double Trouble Tia Mowry,Tamera

Mowry,2016-05-10 From actresses Tia and Tamera Mowry comes the second book in their delightful Twintuition series about the superspecial—and sometimes supernatural—bond between sisters!

In *Double Trouble*, identical twins Cassie and Caitlyn Waters have adjusted to small-town life in Aura, Texas, but they're still not used to seeing visions of the future. And their Sight is only getting stronger as their twelfth birthday nears! But even with this new gift, neither girl could have predicted what the mysterious package they received would contain—a connection to the father they know nothing about and the grandmother they never knew they had. As the twins struggle to discover more about their own history, they distract themselves by planning a birthday bash with their new friends. But when the visions of the upcoming party show it will be more of a catastrophe than a celebration, the girls work together to keep it fiasco-free. Tia Mowry-Hardrict and Tamera Mowry-Housley gained initial fame on the '90s sitcom *Sister, Sister*. Tia can now be seen starring in and producing the Nickelodeon series *Instant Mom* and on the Cooking Channel's show *Tia Mowry at Home*. Tamera is a host and producer on the hit daytime talk show *The Real*, currently airing on FOX. Together they've created a magical series about twin sisters with a powerful gift and an even stronger connection.

Artemis Fowl and the Last Guardian Eoin Colfer, 2013 Opal Koboi, power crazed pixie is plotting to exterminate mankind and

become fairy queen. If she succeeds, the spirits of long-dead fairy warriors will rise from the earth, inhabit the nearest available bodies and wreak mass destruction. But what happen sif those nearest bodies include crows, or deer, or badgers - or two curious little boys by the names fo Myles and Beckett Fowl? Yes, it's true. Criminal mastermind Artemis Fowl's four-year-old brothers could be involved in destroying the human race. Can Artemis and Captain Holly short of the Lower elements Police stop Opal and prevent the end of the world?

The Draglings Bedtime Story Randal Spangler,2021-11-30 A rhyming bedtime story about two little cookie-loving dragons.

My First Puzzles: Dinosaurs ,2008

Super Pumped: The Battle for Uber Mike Isaac,2019-09-03
Now a SHOWTIME® original series starring Emmy winners Joseph Gordon-Levitt and Kyle Chandler and Academy Award nominee Uma Thurman. Now streaming – Only on SHOWTIME. Named one of the best books of the year by NPR, Fortune, Bloomberg, Sunday Times A New York Times Book Review Editor’s Choice “If you want to understand modern-day Silicon Valley, you need to read this book.” —John Carreyrou, New York Times best-selling author of *Bad Blood* Hailed as the definitive book on Uber and Silicon

Valley, Super Pumped is an epic story of ambition and deception, obscene wealth, and bad behavior that explores how blistering technological and financial innovation culminated in one of the most catastrophic twelve-month periods in American corporate history. Backed by billions in venture capital dollars and led by a brash and ambitious founder, Uber promised to revolutionize the way we move people and goods through the world. What followed would become a corporate cautionary tale about the perils of startup culture and a vivid example of how blind worship of startup founders can go wildly wrong.

Some Of Myself Suzanne D Williams, 2022-02-14 I can't do this again, she cried. I can't. It'll be like last time, and my life will be ruined. I just wanted to start over. Shh. No, it won't. You have me. The last thing Eden Riske expected when she came home was the discernment of fellow teacher Austin Lowell. Football coach, history teacher, fitness buff, Austin is strength and patience in a handsome package. However, it seems even his presence can't stop the rumors swirling around her or the hatred of someone determined to do her harm. But this job is supposed to be her salvation, her way out of her troubled past. Except now, everything is falling apart, and the one thing that might destroy her is the very secret she's

held inside for so long.
