Liar Liar Antonio Diaz LLL,2020-04-04 Fletcher Reede is a crooked lawyer and divorced father living in Los Angeles. He loves spending time with his young son Max; they often play a game where Fletcher makes his hand into the Claw and pretends to chase Max with it. Fletcher, though, has a habit of giving precedence to his career, breaking promises to Max and his ex-wife Audrey, and then lying about the reasons. Fletcher's compulsive lying has also built him a reputation as a successful defense lawyer in California as he climbs the ranks in the firm he works for. Ultimately, Fletcher misses his son's birthday party because he has sex with his boss Miranda, in the hopes of making partner. Max makes a birthday wish that his father would be unable to tell a lie for an entire day ♦ a wish that immediately becomes true. Fletcher soon discovers, through a series of embarrassing incidents ♦ such as when he tells Miranda that he has had better sex than he just did with her ♦ that he is unable to lie, mislead, or even withhold a true answer. These incidents are inconvenient, as he is fighting a divorce case in court which, should he win, could be a boost to his career. His client is Samantha Cole, a gold-digger. His main witness, Kenneth Falk, who Samantha has been cheating with, is eager to commit perjury to win, but Fletcher discovers that he cannot even ask a question if he knows the answer will be a lie; during the case he even objects to himself when he tries to lie to get the desired information. Meanwhile, Audrey is planning to move to Boston with her new boyfriend Jerry, and decides that Max will go with them to protect him from the disappointment Fletcher causes him when he breaks his promises. Fletcher tries desperately to delay the case, even beating himself up, but he cannot conceal that he is able to continue, so the judge insists that he does. Finally, when Fletcher is bound to lose the case, he discovers that Samantha had lied about her age and therefore had signed the prenuptial agreement as a minor, rendering the contract void.

This entitles Samantha to 50% of her husband, Richard Cole's marital assets, equal to \$11.395 million, allowing Fletcher to win the case truthfully. Samantha then insists on contesting custody of their children for an extra \$10,000 in child support payments from Richard. A visibly disheartened Fletcher watches as Samantha literally pulls the crying children out of Richard's arms. Appalled by the decision, Fletcher desperately tries to convince the judge to overturn the ruling, but he insults the judge's methods and is arrested for contempt of court. Fletcher calls Audrey to pay his bail, but she informs him that their plane leaves for Boston that night; his bail is eventually paid by his secretary, Greta.

Liar, Liar T. L. Martin, 2020-07-10 Dirty. That's what I am. Born a dirty little secret and later sold to the worst kind of evil. That day broke me, stealing the most sacred parts of my body and my soul. So I ran from them, from home, from everything. That's when I found him. He became my savior before he even knew I existed. And then I was welcomed into the family. Now he sees me. I make sure of it. I notice the way he watches me when I slip from my bed and fall into someone else's. See the heated flicker in his eyes when I peer up at him from behind red solo cups, wandering hands, and blaring music. Feel the burn in his touch when I stumble and he catches me-and he always catches me. But I'm no longer the same weak girl he discovered hiding behind his house all those years ago, and some demons simply can't be set free. All the lies in the world can't hide that. Even though the same blood doesn't run through our veins, I know he can never be mine. I was never supposed to fall for him. We're family now, and I'm going to be a good little sister. Liar, liar, liar. CONTENT WARNING: contains sex, profanity, and sensitive subject matter, including sexual abuse (such as rape) and taboo content.

Liar Jill Collins, 2022-04-30 There's a school of thought that people lie for one of two reasons.

One, the liar believes he or she is going to yield more from lying than from telling the truth. Two, the liar is unable to discriminate what truth really is. But most lies have one other common motivating denominator, fear. Just as psychiatric sleuth Dr. Morgan Jane Winters arrived on the scene to investigate a suspicious death in the warehouse district of downtown New Orleans, gunfire erupts. Yards away, and in the blink of an eye, Federal Judge Ethan Holmes and his wife Eliza were blindsided by a fate seen all too often on these streets. They were carjacked, sending the judge home to meet his maker. In a quest to set the truth free, Morgan takes us on a page turning ride, unapologetically excavating both self and all who would be part of the events of that night. With our heroine's laser focused, obsessively driven smarts, it doesn't take her long to figure out that the Judge's death was not the result of a carjacking gone bad. It was a hit.

Liar, Liar Gary Paulsen, 2012-04-24 Kevin doesn't mean to make trouble when he lies. He's just really good at it, and it makes life so much easier. But as his lies pile up, he finds himself in big—and funny—trouble with his friends, family, and teachers. He's got to find a way to end his lying streak—forever.

Liar, Liar Gabrielle Williams, 2004-12-01 Welcome to life Down Under, where the clubs, the drinks, the fashion, and the sex is out of control--where blackmail and chaos count as foreplay, and the only thing more insane than lying to win someone's heart is telling the truth to keep it.

Liar, Liar, Pants on Fire Diane deGroat, 2003 Gilbert is nervous about portraying George Washington in front of the class, and he feels even worse when he cannot find his main prop.

Liar, Liar Gary Paulsen, 2011-03-08 Kevin doesn't mean to make trouble when he lies. He's just really good at it, and it makes life so much easier. But as his lies pile up, he finds himself in big—and funny—trouble with his friends, family, and teachers. He's got to find a way to end his lying

streak—forever.

Liar, Liar Paul Guay, Stephen Mazur, 2000-06-01 Jim Carrey stars as a lawyer whose habit of lying all the time must be broken when his son makes a birthday wish that his father tell the truth for 24 hours. Without his daily defense of lies and smooth talk, Carrey finds himself blurting out everything he's thinking and feeling, with hilarious results.

Liar Liar K.J. Larsen, 2012-08-31 Burned by her run-around ex-husband Johnnie Ricco, Caterina DeLuca took the skills she mastered during marriage and opened her own private eye agency. Now she's a second-story woman, armed with a camera, ready to print 8×10 glossies for use in divorce court. The men in her big, whacko family, all Chicago cops—one a crook—aren't sure what to make of Cat's career choice. But hey, it's serve and protect! Then one Rita Polansky retains Cat. Rita's liar-liar husband is the mysterious, but seriously hot, Chance Savino. Cat is hot on his heels when an exploding building hurls her out of her stilettos and into the hospital. The FBI claims Chance was killed in the fireworks, but concussed Cat remembers a different scenario. She escapes the hospital to meet with her client. But when Rita doesn't show, Cat breaks into her home to find Rita with a knife in her chest and two clues at the murder scene: a clutch of candy wrappers and Chance Savino, rummaging through Rita's drawers. One surprise after another piles up. As no one else sights Savino, everyone around Cat thinks she's crazy. Everyone except a determined killer who has put her on his kill list.

Liar, Liar Judi Curry, 2019-10-24 *Liar, Liar: A Non-Fiction Account of Online Dating Experiences* By: Judi Curry Judi is a retired educator that lost her husband in 2009 to lung cancer after 46 years of marriage. Married at seventeen, she had never lived on her own and after the pangs of loss numbed, she decided that she would like to find a full-time companion to spend the rest of her life

with. The only problem was where would a 60+ year-old female go to find such companionship? Online dating seemed a viable answer, so she signed up with online dating services to meet that companion. *Liar, Liar* is a word for word accounting of the men she talked to over a period of four years. The wording of the communications has not been edited, nor changed, for to do so would have changed the communication drastically between them. Although each of the chapters are about the “scammers” she met, she did meet several men that were sincere and their stories are not part of the book because of that sincerity. At this point she is still looking for a companion, but not online.

Liar J. R. Allison, 2012-08-15 Under all the glamour surrounding Beverly Hills, a sleazy underbelly quietly festers. As love for barter, lowlife scams, and trashy pickups lurk in the shadows, a small-time hustler masquerades as a big shot. Forty-year-old Joel Schebschitz is a friendly supplier of antique jewelry who knows a sexy woman when he sees one and that doesn't include his wife. Claudia Alonzo is a voluptuous Brazilian model looking for a fast buck. When the long-legged beauty approaches Joel with the hope of selling her ruby ring, he jumps at the opportunity. But there is only one problem: Claudia is not attracted to Joel at all. A mastermind at devious manipulation, Claudia knows Joel may be very useful to her, so she happily strings him along as he trails after her heels like a lovesick puppy dog. In this scandalously provocative tale set among the bogus glitz of Southern California, steamy sex transforms into murderous hate as a diabolical war ensues between a rapacious gold-digger and a monstrous liar. *Liar* is very entertaining, smart, insightful, funny and truly sexy. A must-read. Russell Andrews, author of *Hades* A very sexy and hilarious book Peter Gethers, chief editor for Random House

Liar Lia Fairchild, 2016-03 From Bestselling author, Lia Fairchild... When all you've known are lies, how do you face the truth? My past was a bitch. Now it's come back to haunt me. After months apart, Daniel and I are finally trying to make our relationship work. But my lies run deeper than either of us imagined. Lies so terrible I imprisoned them in the darkest recesses of my mind. Just when my heart begins to come alive, the lies seep out of the shadows...revealing secrets with the power to crush me. ~ ~ ~ Despite both of our troubled pasts, I want her...more than I've ever wanted anyone or anything. I'm determined to fight for her--to fight for us--even if it means facing my own demons. I have to reach Gray before it's too late...before the truth completely destroys her.
