Guide to Hong Kong Medical, Health and Welfare Libraries and Information Resources Grace Cheng,1996-01-01 This comprehensive guide includes detailed information on the policies, services and facilities of about 80 libraries, and is a valuable resource for all those involved in medical, health and social welfare services in Hong Kong.

The Dragon Head of Hong Kong Ian Hamilton,2013-12-17 The prequel to the wildly popular Ava Lee series. Young Ava Lee is a forensic accounting who has just opened her own private firm. One of her clients, Hedrick Lo, has been swindled of more than a million dollars by a Chinese importer named Johnny Kung. Desperate, Lo persuades Ava to find and retrieve the monies owed. Ava goes to Hong Kong, where she plunges into the dangerous underground collection business and meets a man who will forever change her life ...

Society John J. Macionis,2014-06-02 Seeing Sociology in your Everyday Life With a complete theoretical framework and a global perspective, Society: The Basics, 13/e offers students an accessible and relevant introduction to sociology. Author John J. Macionis empowers students to see the world around them through a sociological lens, helping them to better understand their own lives. This informative, engaging, and entertaining title will change the way readers see the world and open the door to many new opportunities.

Aristotle Poetics Leonardo Tarán,Dimitri Gutas,2012-03-19 This important new editio maior of Aristotle's Poetics is based on all the primary sources and is accompanied by a details critical apparatus. The introductory chapters provide important new insights about the transmission of the text to the present day and especially the significance of the Syro-Arabic tradition.

A Modern History of Hong Kong Steve Tsang,2003-12-31 This major history of Hong Kong tells the remarkable story of how a cluster of remote fishing villages grew into an icon of capitalism. The story began in 1842 with the founding of the Crown Colony after the First Anglo-Chinese war - the original 'Opium War'. As premier power in Europe and an expansionist empire, Britain first created in Hong Kong a major naval station and the principal base to open the Celestial Chinese Empire to trade. Working in parallel with the locals, the British built it up to become a focus for investment in the region and an international centre with global shipping, banking and financial interests. Yet by far the most momentous change in the history of this prosperous, capitalist colony was its return in 1997 to 'Mother China', the most powerful Communist state in the world.

A Concise History of Hong Kong John M. Carroll,2007-06-07 When the British occupied the tiny island of Hong Kong during the First Opium War, the Chinese empire was well into its decline, while Great Britain was already in the second decade of its legendary Imperial Century. From this collision of empires arose a city that continues to intrigue observers. Melding Chinese and Western influences, Hong Kong has long defied easy categorization. John M. Carroll's engrossing and accessible narrative explores the remarkable history of Hong Kong from the early 1800s through the post-1997 handover, when this former colony became a Special Administrative Region of the People's Republic of China. The book explores Hong Kong as a place with a unique identity, yet also a crossroads where Chinese history, British colonial history, and world history intersect. Carroll concludes by exploring the legacies of colonial rule, the consequences of Hong Kong's reintegration with China, and significant developments and challenges since 1997.

Trade eBooks in Libraries Paul Whitney,Christina Castell,2017-01-01 With the advent of downloadable retail eBooks marketed to individual consumers, for the first time in their history libraries encountered an otherwise commercially available text format they were prevented from adding to their collections. Trade eBooks in Libraries examines the legal frameworks which gave rise to this phenomenon and advocacy efforts undertaken in different jurisdictions to remove barriers to library access. The principal authors provide a general historical overview and an analysis of library/eBook principles developed by a variety of library associations and government reviews. In addition, experts from twelve countries present summaries of eBook developments in their respective countries and regions.

China's Hong Kong Shigong Jiang,2017-05-09 This book differs from most others of its kind, by looking at the Hong Kong issue from China's perspective, which in turn mirrors China's own situation. Through a legal lens, the author conducts a political and cultural examination of the past and the present, and provides a comprehensive overview of the many theories and problems concerning Hong Kong. Including reflections on the theory of administrative absorption of politics, a historical review of "one country, two systems" and an analysis of the form and nature of the Basic Law, it offers a valuable reference resource for studying the historical, political and legal context of Hong Kong under the principle of "one country, two systems". Instead of over-simplifying the issue of Hong Kong or only seeing it as a Chinese regional issue, the book regards it as a central Chinese issue and the key to understanding China.

Living in Hong Kong Janine Scott,2010

Hong Kong Luke Richardson, ★★★★★ If you're missing travel and love a good thriller, READ THIS SERIES! When Jamie's colleague and former lover goes missing, the police start to ask questions. After traces of blood are discovered in his car, the net closes in. Sure, a body's not been found, but there's plenty of evidence to land Jamie behind bars. Back from Kathmandu and working together to find missing people, Leo and Allissa take the case. All they have to do is find a woman who's supposed to be dead to free a man charged with murder. But, when the investigation leads to the backstreets and building sites of Hong Kong, things get more difficult than either had imagined. As predator becomes prey and lives become expendable, Leo and Allissa must face one of the city's most dangerous men as well as ghosts from their own past. With a man's freedom hanging in the balance and their relationship under strain, can they find what they're looking for before it's too late? HONG KONG is Luke Richardson's second international thriller. If you like fast-paced mysteries, then you'll love this compulsive sequel. Praise for Hong Kong: ★★★★★ "Exceptional piece of work." ★★★★★ "What a fabulous follow up!" ★★★★★ "Another fantastic book from Luke Richardson, it's had me gripped from page one." ★★★★★ "An excellent and original story which will stay with you."

China's Hong Kong Shigong Jiang,2017 This book differs from most others of its kind, by looking at the Hong Kong issue from China's perspective, which in turn mirrors China's own situation. Through a legal lens, the author conducts a political and cultural examination of the past and the present, and provides a comprehensive overview of the many theories and problems concerning Hong Kong. Including reflections on the theory of administrative absorption of politics, a historical review of one country, two systems and an analysis of the form and nature of the Basic Law, it offers a valuable reference resource for studying the historical, political and legal context of Hong Kong under the principle of one country, two systems. Instead of over-simplifying the issue of Hong Kong or only seeing it as a Chinese regional issue, the book regards it as a central Chinese issue and the key to understanding China.

A Dictionary of Hong Kong English Patrick J. Cummings,Hans-Georg Wolf,2011-06-01 This book is the first dictionary of Hong Kong English. It includes only words and word senses that are particular to Hong Kong English, legitimizing it as a variety in its own right. While the main focus is on contemporary language use from all domains of Hong Kong life, historical terms and references are covered as well. Entries are designed according to state of the art lexicography and show pronunciation, source language, frequency, authentic usage, and cultural conceptualizations. The dictionary also provides a brief history of Hong Kong English, a list of acronyms and abbreviations, historical place names and their current equivalents, words of Hong Kong origin now in international use, as well as further reference material. Patrick J. Cummings has taught English and science in Hong Kong for more than a decade. Hans-Georg Wolf is chair professor for development and variation of the English language at Potsdam University, Germany.

The Hong Kong Diaries Chris Patten,2022-06-21 The diaries of the last British Governor of Hong Kong, published on the 25th anniversary of the handover In June 1992 Chris Patten went to Hong Kong as the last British governor, to try to prepare it not (as other British colonies over the decades) for independence, but for handing back in 1997 to the Chinese, from whom most of its territory had been leased 99 years previously. Over the next five years he kept this diary, which describes in detail how Hong Kong was run as a British colony and what happened as the handover approached. The book gives unprecedented insights into negotiating

with the Chinese, about how the institutions of democracy in Hong Kong were (belatedly) strengthened and how Patten sought to ensure that a strong degree of self-government would continue after 1997. Unexpectedly, his opponents included not only the Chinese themselves, but some British businessmen and civil service mandarins upset by Patten's efforts, for whom political freedom and the rule of law in Hong Kong seemed less important than keeping on the right side of Beijing. The book concludes with an account of what has happened in Hong Kong since the handover, a powerful assessment of recent events and Patten's reflections on how to deal with China - then and now.

Hong Kong History Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades. Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme. However, the book is by no means merely a general survey of the recent studies of Hong Kong history; it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context.

Multilingual Hong Kong: Languages, Literacies and Identities David C.S. Li, 2017-01-12 This volume gives an up-to-date account of the language situation and social context in multilingual Hong Kong. After an in-depth, interpretive analysis of various language contact phenomena, it shows why it is such a tall order for Hongkongers to live up to the Special Administrative Region government's language policy goalpost, 'biliteracy and trilingualism'. A detailed contrastive analysis between Cantonese and (a) English, (b) Modern Written Chinese, and (c) Putonghua helps explain the nature of the linguistic and acquisitional challenges involved. Economic forces and sociopolitical realities helped shape the 'mother tongue education' or 'dual Mol streaming' policy since September 1998. The book provides a critical review of the significant milestones and key policy documents from the early 1990s, and outlines the concerns of stakeholders at the receiving end. Another Mol debate concerns the feasibility and desirability of teaching Chinese in Putonghua (TCP). Based on a critical review of the TCP literature and recent psycholinguistic and neuroscience research, the language-in-education policy implications are discussed, followed by a few recommendations. Hongkongers of South Asian descent saw their life chances curtailed as a result of the post-1997 changes in the language requirements for gaining access to civil service positions and higher education. Based on a study of 15 South Asian undergraduate students' prior language learning experiences, recommendations are made to help redress that social inequity problem.

Uneasy Partners Leo F. Goodstadt, 2005-01-01 Challenging the wisdom about the way capitalism and colonialism joined forces to transform Hong Kong into one of the world's great cities, this book deploys case studies of the clash of interests between alien colonials and their Chinese constituents and the conflict between a pro-business government and its political and social responsibilities.

Ho Chi Minh in Hong Kong Geoffrey C. Gunn, 2021-07-29 It was the trial of a century in colonial Hong Kong when, in 1931-33, Ho Chi Minh - the future President of Vietnam - faced down deportation to French-controlled territory with a death sentence dangling over him. Thanks to his appeal to English common law, Ho Chi Minh won his reprieve. With extradition a major political issue in Hong Kong today, Geoffrey C. Gunn's examination of the legal case of Ho Chi Minh offers a timely insight into the rule of law and the issue of extradition in the former British colony. Utilizing little known archival material, Gunn sheds new light on Ho Chi Minh, communist and anti-colonial networks and Franco-British relations.

From Hackney to Hong Kong—The Story of a Lucky Man Clive Grossman, 2021-06-15 This is the anecdotal story of Clive Grossman SC and his travels from his birthplace in Hackney in London during the Second World War to what was then Southern Rhodesia. He describes his life in Rhodesia and what later became Zimbabwe, growing up there, schooling, working as a clerk then university in Cape Town, practice at the Bar, his time in the military, and eventually his trip to Hong Kong which resulted in an invitation to work in the Attorney General's Office and a life thereafter at the Hong Kong Bar.

E-book Platforms for Libraries Mirela Roncevic, 2014-01-01 E-book vendors continue to experiment: adjustments to business models, consolidation of content, and mergers with competitors mean constant change.

Library Of Hong Kong Ebooks Introduction

In today's digital age, the availability of Library Of Hong Kong Ebooks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Library Of Hong Kong Ebooks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Library Of Hong Kong Ebooks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Library Of Hong Kong Ebooks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Library Of Hong Kong Ebooks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Library Of Hong Kong Ebooks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Library Of Hong Kong Ebooks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Library Of Hong Kong Ebooks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Library Of Hong Kong Ebooks books and manuals for download and embark on your journey of knowledge?

FAQs About Library Of Hong Kong Ebooks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
