Life's a Beach Claire Cook,2014-02-27 New York Times bestseller! Chosen as a best summer read by People, Redbook, Good Housekeeping, and Good Morning America! Life's a bit of a beach these days for Ginger Walsh, who finds herself single at 41 and back home living in the family FROG (Finished Room Over Garage). She's hoping for a more fulfilling life as a sea glass artist, but mostly she's babysitting her sister's kids and sharing overnights with Noah, her glassblower boyfriend with commitment issues and a dog Ginger's cat isn't too crazy about. Then a shark movie comes to town, and everyone is clamoring for a close-up. Midlife love, laughter, sibling rivalry and self-discovery . . . Goes down as easy as it sounds.—People Magazine A gleefully quirky coming of age story.—Redbook Laugh out loud.—Good Housekeeping As always, Cook's delightful way with dialogue and her deft demonstrations of how family members manage to support one another even while driving each other crazy, make reading this book a day at the beach.—Hartford Courant A funny page-turner.—Fort Worth Star-Telegram Perfect-for-the-beach summer novel. . . a bumpy delight.—Boston Common In this lighthearted, breezy read, Cook displays a wry sense of humor and knows how to write realistic characters.—Library Journal Claire Cook has an original voice, a sparkling style, and a window into family life that will make you laugh and cry. Life's a Beach is filled with hilarity, sister love and sister hate, juicy arguments and hard-won reconciliations, but most of all, heart.—Adriana Trigiani If I had a sister, I'd want her to be Claire Cook. If I had a summer, I'd want it to be the summer that two sisters sparred over everything from fertility to photography to family. And if I could follow up the wry, wacky poignancy of Must Love Dogs with any book, it would be Life's a Beach. Claire Cook is wicked good.—Jacquelyn Mitchard Life's a Beach is a delicious coming-of-age novel—about two forty-something sisters who don't quite manage that feat until it's almost too late. I devoured this slice of family life served up in Claire Cook's inimitably warm and witty style. Tender, touching, and terribly, terribly, funny!—Mary Kay Andrews Go to ClaireCook.com for your free gift, 41 Essential Quotes To Get Your Glow On, exclusively for newsletter subscribers. Solitude John B. Hough,2007 Patricia Dailey, psychiatrist and ceramic artist, 08/17/2007 A Spiritual JourneyI think this book is the author's way of sharing his trail through the wilderness of spiritual development. It is really quite wonderful to see that his way has worked for him. I think it took great courage to write it down for all of the rest of us to see. Making connections to the greater world or the inner world seems to lead to the same place - one of inner happiness and contentment. It just depends on your own temperament and disposition as to whether or not the path takes an inward or outward course. Respecting your own inner experience is key to that process.

A Year in the Life of a "Dead" Woman Lynnette Porter,2019-09-24 Perhaps I should have realized that cancer runs in my family. After all, three grandparents and my father and brother perished from this disease. Yet, when I received my colorectal cancer diagnosis, I was surprised. I never expected to be primarily identified as a cancer patient. Following a typical combination of chemotherapy, radiation, surgery, and more chemo, I was presumably cancer-free when my post-treatment scans looked clean. Nonetheless, within a year I received a terminal diagnosis; cancer had metastasized in my lungs. Thus began my year as a dead woman--a time of chaotic emotions, new priorities, and rapid-fire plans and changes. Expecting the unexpected became a theme in my life, but the things that turned out to be most shocking are social, familial, and even my expectations about what is realistic for a dead woman to be or do. Preconceptions about a terminal cancer diagnosis frequently are based on popular culture depictions of cancer and dying, which can be misleading as a guide for knowing what to expect when you're expecting to die. This memoir provides one woman's often-irreverent, pop culture-illustrated guide to life that deconstructs some common preconceptions about living with a terminal diagnosis.

What a Life Keith Weber,2020-11-23 Keith Weber recalls a lifetime of being an entrepreneur and living life to the fullest during his forty-five years in New Zealand and now forty years in Australia in this memoir. He grew up with his uncle and aunt, but he loved them as though they were his parents. When his mother remarried, he was told he could go live with her and his stepfather, but he decided to stay put. He enjoyed being a Boy Scout, went to Sunday School, loved Rugby Union, and observed with interest the happenings surrounding World War II. But growing up, he also made some wrong choices and faced some hard times. As he got older and entered the workforce, he learned that truth of sayings such as, “God works in mysterious ways” and “Tough Times Never Last -But Tough People Do!” In sharing his experiences, he provides lessons for those who want to start their own business, travel, and meantime enjoy life.

Life, Faith, and Saltwater Taffy J. B. Hazelton, 2022-01-20 Life, Faith, and Saltwater Taffy combines a playful beach theme and scriptural foundation to bring fresh perspective to vital topics: living in community with others, balancing self-care with service, navigating the inevitable storms of life, and growing in relationship with God. Readers are welcomed as unique and beloved creations and invited to consider what they would carry for a day by the shore, in order to embrace what is life-giving and set down unnecessary burdens. The book culminates with a look at lighthouses and an exploration of how each individual can provide a clear lens for shining God's light brightly into the world. With its conversational tone and relatable anecdotes, you just may close this book feeling as though you have been sitting by the water, having a heart-to-heart with an encouraging friend. Each chapter includes a thought-provoking quote and a prayer. A Diving Deeper section follows, with suggestions for reflection, gratitude, further reading, and action. Designed for personal reading or group study, Life, Faith, and Saltwater Taffy also makes a wonderful gift.

Life According to Brian B. M. Dawes, 2021-03-31 Life According to Brian chronicles 44 stories of mishap and misadventure of a scale unparalleled in modern man. Disguised in comedy to protect the seriously guilty, the story follows Brian's escapades traversing the world and captures not only the lunacy of life but the luck involved in avoiding one's own death. The guidebook for the mentally impaired includes: poaching, drugs, imprisonment, kidnapping, poisonings, alien hunters, crocodile suicide and much, much more... The sorry episodes are being played out via a game of chess. God and Charles Darwin, seeking to save mankind, are plotting Brian's untimely demise. The winner of each play gets to choose the method of death. Constantly interrupted by visiting deities, kings, queens and E.T., the two main players are frustrated in their attempts to have some peace and play the game, with a nice cup of tea and some Mr Kipling cake. Send the kids away, euthanise the cat, find a comfy chair, pour a pint of the finest whisky...have a reliable psychiatrist on speed dial. Come inside and enjoy the ride...

Real Life Moments J. Mark Fox, 2008 One of the most challenging things I have faced as the husband of one wife and the father of five boys and two girls is the same thing you have faced, no matter how many children you have. It is a constant challenge to be the husband and the father we are called by God to be and to give our wife and children what they need us to give. This book is designed to be read by the dad who is busy making a living at a job but does not want to overlook making a life at home. My hope is that each story will make you laugh or think or even cry, and that God will use this book to encourage you in your own journey as a godly man. There are fifty-two life lessons in this book, one for each week of the year. They are not dated, so you can start anytime in the year and use it for the next 52 weeks. Or, you can read the lessons in 52 days if you like. Or, 52 hours. Hey, you could probably read through the whole book in about 52 minutes, but I don't think you would be able to do all the action items that fast. Nor would you want to. At the end of each lesson, there is a prayer you can read as an encouragement to your own heart's cry to the Lord. There is also an action item that exhorts you to do something in response to what you just read. Hey, I'm a guy, too. I know the tendency we guys have to believe that just thinking about something, or just hearing a good idea and agreeing with it is equivalent to actually DOING it. Sorry. I wish it were so, but that's just not going to fly. Go ahead and check your bags with Reality Airlines and follow through on those good intentions you have entertained for years. This book, I hope, will help you to do that. If nothing else, you will have a collection of wild and funny and sobering stories to share with your family around the supper table. Or, if you are a pastor or a teacher, these pages can help you illustrate biblical truths in your next sermon or Sunday School lesson. No matter how you use this book, my prayer is that it will be a blessing to you. And I would love to hear from you. Feel free to email me at markfox@antiochchurch.cc You can visit the church website at www.antiochchurch.cc I look forward to it -Mark

Here are prompts and road maps for twenty-seven essential conversations—with your parent, other family members, and health care providers—including: Does my parent need help around the house? You'll get informed, have a productive discussion, and make a plan—so you can get back to making the most of your time with your parent.

What's up guys? It's me, Eva! You may know me from my YouTube channel, MyLifeAsEva. So here's a book by me, totally for you. I'll tell you a ton of my secrets, a lot of fail stories, and how I made it through—and how you can, too! My Life Lois Brown, 2012-02-29 Lois Brown offers a straight retelling of her history in My Life. This autobiography is about growing up on a large farm in Newberry, Florida the daughter of Albert Preston Hodge and Lois Magnolia Stephens. It is interesting to note how simplicity makes the details of Browns story all the more compelling for readers. Perhaps it is the careful, loving attention the author gives to everyone who populates the book. A precision that is clean and bright makes even barbecued goat (her brother Walters favorite) seem a natural and necessary part of living. The book is built with well-organized chapters that manage to take all the threads of family history into a very readable whole. Again, it is Lois Browns talent for storytelling that comes to the fore. Nothing is out of place and each disparate chapter blends into another with nary a bump for the reader. The interesting details continue without flagging and the writing is seen to be a concise, consistent and steady rhythm that is almost hypnotic. The author knows all the details of local color so intimately that the reader is taken straight into the sights and sounds of a tobacco auction or reads of some delicious home cooking whose aromas can almost come out of the page. From early childhood onward, we see how the woman Lois

Brown is formed from both the fertile ground of family history and an intelligent personality. Replete with pictures and stories that defined moments and true lives, here is the remarkable result of Lois Browns patience and determination to tell her story.
