God's Country Or Devil's Playground Barney Nelson,2002-11-01 The dramatic desert landscapes of the Big Bend country along the Texas-Mexico border reminded historian Walter Prescott Webb of an earth-wreck in which a great section of country was shaken down, turned over, blown up, and set on fire. By contrast, naturalist Aldo Leopold considered the region a mountainous paradise in which even the wild Mexican parrots had no greater concern than whether this new day which creeps slowly over the canyons is bluer or goldier than its predecessors, or less so. Whether it impresses people as God's country or as the devil's playground, the Big Bend typically evokes strong responses from almost everyone who lives or visits there. In this anthology of nature writing, Barney Nelson gathers nearly sixty literary perspectives on the landscape and life of the Big Bend region, broadly defined as Trans-Pecos Texas and northern Chihuahua, Mexico. In addition to Leopold and Webb, the collection includes such well-known writers as Edward Abbey, Mary Austin, Roy Bedichek, and Frederick Olmsted, as well as a wide range of voices that includes explorers, trappers, cowboys, ranch wives, curanderos, college presidents, scientists, locals, tourists, historians, avisadores, and waitresses. Following a personal introduction by Barney Nelson, the pieces are grouped thematically to highlight the distinctive ways in which writers have responded to the Big Bend.

Church of the Red Arrow Michael Houlihan,2011-02-14 The Church of the Red Arrow is a book about everything at once. It is perfect for people with ADD or people who just get bored easily. You can flip around in it all day like the yellow pages and always wind up home. In this respect it is like the old saying that all roads lead to Mecca. It is poetry, fiction, and nonfiction with a section listing hundreds of unanswerable questions that are thought provoking and good topics of conversation. There are also several short stories which start out linear and end up Joycian. The book covers politics, poetry, and all sorts of paradoxes. It is philosophical and sometimes just plain dumb. I think you will find it an honest read: sometimes whimsical, sometimes seriously difficult, sometimes fusing an antithesis or two often just by accident--hence the conclusion that Lady Luck has smiled on this book. Your author has written three other volumes which could or could not hook up quite nicely with this one if everything in the world were a train. Mr. Houlihan is also a member of the Lefty Jones Band (but it is not his fault). He refuses to play out or be seen in public.

This Country of Mothers Julianna Baggott,2001-04-10 A mosaic of memories, the poems of This Country of Mothers recollect Julianna Baggott’s experiences as both mother and daughter. With wit, compassion, aggression, and anxiety, Baggott examines her maternal history. She recalls moments of creation and destruction in her life, times of elation and of desperation that mold her as both a woman and a poet. This affecting study of motherhood is framed in issues of Catholicism and of poetry itself, challenging and espousing the roles of both. Throughout her poems, Baggott’s personal experiences embrace universal themes to birth poems in a language and style that is both powerfully feminine and accessibly human.

The Amish of Big Sky Country Novels Kelly Irvin,2021-02-09 Mountains of Grace Mercy Yoder loves her life in the tiny village of West Kootenai. And she is in no rush to get married . . . much to the disappointment of her parents. When a devastating wildfire threatens to destroy her beloved community, Mercy and her family evacuate to the nearby town of Eureka. There she meets Spencer McDonald, an Englisch smoke jumper. She finds his directness and ability to express his feelings refreshing and completely different from Caleb, who is tightlipped about his past. But what would her family and community say if Mercy chose a relationship with an Englischer? A Long Bridge Home When the Mast family is forced to evacuate their home in West Kootenai, Christine chooses not to move with her family to her father’s childhood home in Kansas. Instead, she wants to stay close to her beau, Andy Lambright, who has yet to ask for her hand in marriage. Now Christine is on her own for the first time in her life. While working in her uncle’s store Christine meets Raymond Old Fox, whom she befriends, and he introduces her to his rich native culture with strong ties to the earth and nature. Despite the warnings of her aunt and uncle, Christine is inexplicably drawn to Raymond, and her mind is opened to a heritage far different from her own. With her newly expanding horizons, Christine wonders if she can return to the domestic life that is expected of her. Her heart still longs to be with Andy, but she isn’t the same person she was before the fire, and she wonders if he can accept who she is becoming. Peace in the Valley Nora Beachy works in the community store in West Kootenai, takes care of her family, and courts with Levi Raber. She and Levi plan to marry, but Levi wants to wait until he has the money to buy them a house before he pops the question. Nora doesn't want to wait. Is something keeping Levi from marrying her? Nora's peaceful existence is swept away when wildfires threaten her family's home. She's forced to evacuate to Libby where she stays with family in an Amish community that embraces a charismatic style of worship rejected by her own parents and the Kootenai district elders. Nora's drawn to the emotional, powerful style of worship and knows she's headed for a shunning if she doesn't stop breaking the rules. Will she sacrifice her relationship with Levi and her family for a different kind of faith?

Fireflies, Glow-worms, and Lightning Bugs Lynn Frierson Faust,2017-03-01 This is the first comprehensive firefly guide for eastern and central North America ever published. It is written for all those who want to know more about the amazing world of lightning bugs and learn the secrets hidden in the flash patterns of the 75+ species found in the eastern and central U.S. and Canada. As an independent researcher working with numerous university teams, naturalist Lynn Frierson Faust, “The Lightning Bug Lady,” has spent decades tracking the behavior and researching the habitats of these fascinating creatures. Based on her twenty-five years of field work, this book is intended to increase understanding and appreciation of bioluminescent insects while igniting enthusiasm in a fun and informative way. Species accounts are coupled with historical background and literary epigraphs to engage and draw readers young and old into the world of these tiny sparklers. A chart documenting the flash patterns of the various species will aid in identification. Clear photos illustrate the insects’ distinguishing physical characteristics, while habitats, seasonality, and common names are provided in clear, easy-to-understand yet scientifically accurate language. The guide will be welcomed by everyone who wants to learn more about fireflies' and glow-worms' unique traits and about their fragile niche in the ecosystem.
