

Lil Kingdom

Jean Middlemass

Princess Lillian and Grandpa's Goodbye Jenny Fulton, 2021-02 Princess Lillian's hand is held in mommy's as she is led through a hospital corridor. A comforting angel whispers help along the way. Princess Lillian almost doesn't recognize the man lying in bed, then, she realizes the man is grandpa. In a deeply American Indian and Christian tradition, an intimate celebration of a loved one's passing occurs as a family says good-bye to a man eager to meet his best friend, the King Above All Nations. Another remarkable Capture Books picture book.

My Day in Heaven with My Lil' Sister Quest Delaney, 2013-03 Can you imagine heaven? Christians expect to see heaven when they die, but Quest Delaney didn't have to wait that long. When his young sister tragically died, Quest's psychic powers allowed him to travel past the pearly gates where angels flock and people fly. *My Day in Heaven with My Lil' Sister* is the remarkable story of his unearthly experience. Quest had several clues early in life that he was different. As a child he heard his late grandmother's voice and saw a strange light. He was also saved by an angel from two deadly encounters. His awareness of the supernatural opened him up to believe in the

ultimate miracle: a chance to be with a beloved sister after her death. This amazing story will widen your understanding of the afterlife. Join Quest on his divine travels in My Day in Heaven with My Lil' Sister.

Latin American History Goes to the Movies

Stewart Brewer, 2015-09-25 Latin American History Goes to the Movies combines the study of the rich history of Latin America with the medium of feature film. In this concise and accessible book, author Stewart Brewer helps readers understand key themes and issues in Latin American history, from pre-Columbian times to the present, by examining how they have been treated in a variety of films. Moving chronologically across Latin American history, and pairing historical background with explorations of selected films, the chapters cover vital topics including the Spanish conquest and colonialism, revolution, religion, women, U.S.-Latin American relations, and more. Through films such as City of God, Frida, and Che, Brewer shows how history is retold, and what that retelling means for public memory. From Apocalypto to Selena, and from Christopher Columbus to the slave trade, Latin American History Goes to the Movies sets the record straight between the realities of history and cinematic depictions, and gives readers a solid foundation for using film to understand the complexities of Latin America's rich and vibrant history.

A Moon's Mystic Journey James E Boston

IV, 2023-04-28 She's on the run for her life. All she wanted to do was prove her high school bullies wrong by becoming a famous pop star. She buried the past and looked to the future. Little did she know the past would come back to haunt her. Dark Moonwish is a young woman with a lot on her plate. She lives in a Conformist Kingdom and is heavily criticized and harassed for her unique culture and beliefs. She has to help her only lifelong friend

on her journey of self-discovery. She is trying to accomplish her aspirations of becoming a pop star. She is trying to avoid being captured because she's wanted for murder. Will this young woman overcome her obstacles and accomplish her goals? We'll see on this magical journey full of laughter, discovery, and struggles. In a dark, lonely world, the only guidance that she has is the moon's light.

World Economic Outlook, October 2014:
International Monetary Fund. Research Dept., 2014-10-07 The pace of recovery has disappointed in recent years, and downside risks have increased, including from heightened geopolitical tensions. These increased risks make it a priority to raise actual and potential growth. In a number of economies, an increase in public infrastructure investment can also provide support to demand and help boost potential output. And in advanced economies as well as emerging and developing economies there is a general, urgent need for structural reforms to strengthen growth potential or make growth more sustainable. The four individual chapters examine the overall global outlook, the prospects for individual countries and regions, the benefits of increased public infrastructure investment in terms of raising output, and the extent to which global imbalances have narrowed significantly since their peak in 2006.

The Encyclopedia of Contemporary American Fiction, 2 Volumes Patrick O'Donnell, Stephen J. Burn, Lesley Larkin, 2022-03-01 Fresh perspectives and eye-opening discussions of contemporary American fiction In *The Encyclopedia of Contemporary American Fiction: 1980-2020*, a team of distinguished scholars delivers a focused and in-depth collection of essays on some of the most significant and influential authors and literary subjects of the last four decades. Cutting-edge

entries from established and new voices discuss subjects as varied as multiculturalism, contemporary regionalisms, realism after poststructuralism, indigenous narratives, globalism, and big data in the context of American fiction from the last 40 years. The Encyclopedia provides an overview of American fiction at the turn of the millennium as well as a vision of what may come. It perfectly balances analysis, summary, and critique for an illuminating treatment of the subject matter. This collection also includes: An exciting mix of established and emerging contributors from around the world discussing central and cutting-edge topics in American fiction studies Focused, critical explorations of authors and subjects of critical importance to American fiction Topics that reflect the energies and tendencies of contemporary American fiction from the forty years between 1980 and 2020 The Encyclopedia of Contemporary American Fiction: 1980-2020 is a must-have resource for undergraduate and graduate students of American literature, English, creative writing, and fiction studies. It will also earn a place in the libraries of scholars seeking an authoritative array of contributions on both established and newer authors of contemporary fiction.

Writing on Water Maggie Harris, 2017-02-16
'Maggie Harris mines the hidden corners of marriage, motherhood, exile, and the places we choose to call home... Whether exploring Guyana's junglescapes and flatlands, Irish cliffs or rural Wales, her characters arrive on the page eager to tell their stories.' - Sharon Millar '...bitter-sweet, beautifully written tales.' - Janet Montefiore Maggie Harris' short-story collection

Writing on Water is told through voices from the Caribbean where she was born and Britain where she has lived as an adult, and through them, the wider world. These are stories of migration, belonging and survival, of children and families brought together or torn apart. This is a varied collection containing stories such as 'Sending for Chantal', a story of Caribbean migration about a child who hasn't seen her mum since she was 4 and is now in her 30s, which was the Regional Winner of The Commonwealth Short Story Prize in 2014. Maggie, who lives in West Wales, writes poetry and prose and also won the poetry section of the Guyana Prize for Literature 2014.
