Little Ricky's Ambition Richard Lewis Jr., 2022-09-07 Little Ricky is angry all the time. He wants everyone to know that he's tough, and won't listen to his parents. Then he meets Phoenix, a boxing trainer who not only shows him how to throw a better punch, but also shows him how to use the ability to fight life instead of people. After Ricky runs into trouble with the cool kids in his neighborhood, he realizes his training has changed him, and that he is able to handle the trouble without fighting. The Good Pirates of the Forgotten Bayous Ken Wells, 2008-10-01 How a plucky coterie of Louisiana shrimp-boat captains faced down the most destructive hurricane in U.S. history--only to realize that the struggle to preserve their centuries-old culture had just begun With a long and colorful family history of defying storms, the seafaring Robin cousins of St. Bernard Parish, Louisiana, make a fateful decision to ride out Hurricane Katrina on

their hand-built fishing boats in a sheltered Civil War-era harbor called Violet Canal. But when Violet is overrun by killer surges, the Robins must summon all their courage, seamanship, and cunning to save themselves and the scores of others suddenly cast into their care. In this gripping saga, Louisiana native Ken Wells provides a close-up look at the harrowing experiences in the backwaters of New Orleans during and after Katrina. Focusing on the plight of the intrepid Robin family, whose members trace their local roots to before the American Revolution, Wells recounts the landfall of the storm and the tumultuous seventy-two hours afterward, when the Robins' beloved bayou country lay catastrophically flooded and all but forgotten by outside authorities as the world focused its attention on New Orleans. Wells follows his characters for more than two years as they strive, amid mind-boggling wreckage and governmental fecklessness, to rebuild their shattered lives. This is a story about the deep longing for home and a proud bayou people's love of the fertile but imperiled low country that has nourished them.

And the Category Is... Ricky Tucker, 2022-01-25 An Electric Literature "Most Anticipated LGBTQ+ Book of 2022" Selection A love letter to the legendary Black and Latinx LGBTQ underground subculture, uncovering its abundant legacy and influence in popular culture. What is Ballroom? Not a song, a documentary, a catchphrase, a TV show, or an individual pop star. It is an underground subculture founded over a century ago by LGBTQ African American and Latino men and women of Harlem. Arts-based and intersectional, it transcends identity, acting as a fearless response to the systemic marginalization of minority populations. Ricky Tucker pulls from his years as a close friend of the community to reveal the complex cultural makeup and ongoing relevance of house and Ballroom, a

space where trans lives are respected and applauded, and queer youth are able to find family and acceptance. With each chapter framed as a “category” (Vogue, Realness, Body, et al.), *And the Category Is . . .* offers an impressionistic point of entry into this subculture, its deeply integrated history, and how it’s been appropriated for mainstream audiences. Each category features an exclusive interview with fierce LGBTQ/POC Ballroom members—Lee Soulja, Benjamin Ninja, Twiggy Pucci Garçon, and more—whose lives, work, and activism drive home that very category. At the height of public intrigue and awareness about Ballroom, thanks to TV shows like FX’s *Pose*, Tucker’s compelling narratives help us understand its relevance in pop culture, dance, public policy with regard to queer communities, and so much more. Welcome to the norm-defying realness of Ballroom.

80's Baby Lenny Haskins, #84966-083, 2022-11-03 Peppa is an up-and-coming pimp from Richmond, California, who's facing the trials and tribulations of street life on his quest to be the biggest pimp he can possibly be. But the game he's playing comes with ultimate sacrifices and rules he must stick to for him to become successful in the game. He's a con man slash pimp who will do whatever to acquire the almighty dollar. He's dealing with a wife at home who's aware of his dealings with the streets and a flock of hos in his stable who are coming in at a rapid pace, and he's pissing some people off along the way. Eyevette, Peppa's wife, is a drug dealer who's dealing in the streets of Richmond, trying to grind her way to the top rock for rock. And she has the recipe that's going to get her rich. And she's doing so while raising her children and trying to stick by her husband's side through thick and thin and be a good bottom bitch to him and his stable, but while she's getting money, others want in on her turf. Lil Pep is a product of the '80s and is soaking all

his parents' actions in and is watching and preparing himself to be a major pimp like his father or a major hustler like his mother. His innocent youth is being sucked away before his eyes as he's getting the game raw and uncut from his parents. He is growing up in the '80s crack era where anything goes, and he wants in. Will this family make it through the storm, and do they realize the influence that they're having on their children? Dope era. It's all in the game.

Nineteen Landings Q Taylor, 2014-05-14 In the first volume of an intended series, seasoned storyteller Q Taylor shares seven tales—or landings of a mind—that explore an imperfect world in which reality reveals the ugly truth and a diverse band of characters face unique and sometimes horrifying challenges. After a thumping noise awakens a man in his house, he and his cat spring out of bed to investigate. Whoever it is, whatever it is, he is prepared to face it. But when he finds nothing, he returns to bed—only to be awakened again by footsteps. Now he is left wondering if what he hears is all in his imagination or

real. As another man falls asleep next to his future wife, a dark figure with a machete in hand meets him in his dreams. He thinks it is just a nightmare, until he wakes up. Jake Lawnmeyer, a hard-working father of two, will do anything to make his boys happy, including climbing an old mountain. But it is what they find at the top that will change all of them forever. 19 Landings: Book 1 is the first installment in a collection of short tales that cleverly twist thoughts and emotions within intriguing scenarios that encourage all of us to question our own realities.
