The Adorable Circle of Life ,2017-05-09 Savage. Menacing. Ruthless. Predators get a pretty bad rap. Sure, they prey on helpless animals that never stand a chance, but behind those jagged teeth, powerful jaws, and razor-sharp claws, every predator has a softer side. Maybe even an adorable one. Everyone has compassion for the cute bunny or lamb. But what about their predators who are working hard for their meal? Capturing their prey is a life-or-death game. Just think about the last time you had to hunt for food while hangry. You can understand, right? Including famous quotes from history that give context to these disturbingly cute illustrations, Alex Solis shares his sense of humor while giving readers a way to enjoy the darkest parts of life with a smile. It's time to give these predators a break! Because, in the end, both predators and their prey play a role. I mean, it's not their fault they were made this way! They're just living off of instincts, doing what comes naturally to them. So rather than turning away from nature, let's celebrate all the animals who complete The Adorable Circle of Life.

Vintage Humour Alex Rowell,2018-05-01 Abu Nuwas, the pre-eminent bacchic bard of the classical Arabic canon, was loved and reviled in equal measure for his lyrical celebration of Abbasid Baghdad's dissolute nightlife, his cutting satires of religion and the clergy, and the extraordinary range and virtuosity of his literary talent. Vintage Humour contains approximately 120 translations, each replicating the monorhyme scheme of the originals, with commentary where appropriate, a brief history of the poet's life and times, and a glossary of the key themes, motifs, and running jokes of the poems themselves. Based on extensive research with both Arabic and English source materials, Vintage Humour is an illuminating collection, of interest to both general and informed readers with an interest in Islamic studies, Arabic literature, and the history of Iraq and the Middle East.

The Lion Tracker's Guide To Life Boyd Varty,2019-10-22 Somewhere deep inside, you know what your gift, purpose, and mission are. Boyd Varty, a lion tracker and life coach, reveals how the wisdom from the ancient art of tracking can teach you how to recognize these essential ingredients in a meaningful life. Know how to navigate, don't worry about the destination, and stay alert. These are just a few of the strategies that contribute to both successful lion tracking and a life of fulfillment. When we join Boyd Varty and his two friends tracking lions, we are immersed in the South African bush, and, although we learn some of the skills required for actual tracking, the takeaways are the strategies that can be applied to our everyday lives. Trackers learn how to use all of their senses to read the environment and enter into a state of "greater aliveness." When we learn to find and follow our inner tracks, we learn to see what is deeply important to us. In the same way the trip in the classic Zen and the Art of Motorcycle Maintenance was a vehicle to examine how to live out our values, the story of this one-day adventure—with danger and suspense along the way—uses the ancient art of tracking to convey profound lessons on how to live a purposeful, meaningful life of greater harmony.

Errol Flynn Thomas McNulty,2015-05-07 Errol Flynn set the standard for the modern action hero in films like The Adventures of Robin Hood, Dodge City, and The Sea Hawk. This biography follows Flynn from his birth in Tasmania, Australia, in 1909, to his death in Vancouver, Canada, in 1959. Included is analysis of his films, discussion of the 1943 rape trial that changed his life, a survey of the FBI's infamous surveillance, and the first detailed account of his television appearances in the 1950s. First-hand interviews with Flynn's friends and colleagues are complemented by research from FBI files, correspondence, Flynn's diary, and other sources. Illustrated with rare and previously unpublished photographs, the study also gives attention to the historical backgrounds and cultural influences that contributed to Flynn's fame; the work takes an objective and analytical look at the actor's adventurous life. The study includes two appendices: the first is a collection of quotations from various celebrities, from memories of his talent and style to anecdotes about his wild pool parties. The second appendix is a filmography including all Flynn's work for film, stage, and television, with cast and crew information.

Man in the Landscape Paul Shepard,2010-07-01 A pioneering exploration of the roots of our attitudes toward nature, Paul Shepard's most seminal work is as challenging and provocative today as when it first appeared in 1967. Man in the Landscape was among the first books of a new genre that has elucidated the ideas, beliefs, and images that lie behind our modern destruction and conservation of the natural world. Departing from the traditional study of land use as a history of technology, this book explores the emergence of modern attitudes in literature, art, and architecture--their evolutionary past and their taproot in European and Mediterranean cultures. With humor and wit, Shepard considers the influence of Christianity on ideas of nature, the absence of an ethic of nature in modern philosophy, and the obsessive themes of dominance and control as elements of the modern mind. In his discussions of the exploration of the American West, the establishment of the first national parks, and the reactions of pioneers to their totally new habitat, he identifies the transport of traditional imagery into new places as a sort of cultural baggage.

The Deserter Nelson DeMille,Alex DeMille,2019-10-22 An "outstanding" (Publishers Weekly, starred review) blistering thriller featuring a brilliant and unorthodox Army investigator, his enigmatic female partner, and their hunt for the Army's most notorious—and dangerous—deserter from #1 New York Times bestselling author Nelson DeMille and Alex DeMille. When Captain Kyle Mercer of the Army's elite Delta Force disappeared from his post in Afghanistan, a video released by his Taliban captors made international headlines. But circumstances were murky: Did Mercer desert before he was captured? Then a second video sent to Mercer's Army commanders leaves no doubt: the trained assassin and keeper of classified Army intelligence has willfully disappeared. When Mercer is spotted a year later in Caracas, Venezuela, by an old Army buddy, top military brass task Scott Brodie and Maggie Taylor of the Criminal Investigation Division to fly to Venezuela and bring Mercer back to America—preferably alive. Brodie knows this is a difficult mission, made more difficult by his new partner's inexperience, by their undeniable chemistry, and by Brodie's suspicion that Maggie Taylor is reporting to the CIA. With ripped-

from-the-headlines appeal, an exotic and dangerous locale, and the hairpin twists and inimitable humor that are signature DeMille, The Deserter is the first in a timely and thrilling new series from an unbeatable team of True Masters: the #1 New York Times bestseller Nelson DeMille and his son, award-winning screenwriter Alex DeMille.

Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California’s gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father’s heart in everything. Michael obeys God’s call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel’s every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband’s pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, Redeeming Love is a life-changing story of God’s unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

Eastman Was Here Alex Gilvarry,2017-08-22 “Absorbing...Eastman is a riveting...presence who demands to be loved and remembered.” —The Boston Globe An ambitious new novel set in the literary world of 1970s New York, following a washed-up writer in an errant quest to pick up the pieces of his life. One of Esquire's Best books of 2017 (So Far), The Millions’ Most Anticipated Books of the Second Half of 2017, and BuzzFeed’s Exciting New Books You Need To Read This Summer The year is 1973, and Alan Eastman, a public intellectual, accidental cultural critic, washed-up war journalist, husband, and philanderer; finds himself alone on the floor of his study in an existential crisis. His wife has taken their kids and left him to live with her mother in New Jersey, and his best work feels as though it is years behind him. In the depths of despair, he receives an unexpected and unwelcome phone call from his old rival dating back to his days on the Harvard literary journal, offering him the chance to go to Vietnam to write the definitive account of the end of America's longest war. Seeing his opportunity to regain his wife’s love and admiration while reclaiming his former literary glory, he sets out for Vietnam. But instead of the return to form as a pioneering war correspondent that he had hoped for, he finds himself in Saigon, grappling with the same problems he thought he'd left back in New York. Following his widely acclaimed debut, From the Memoirs of a Non-Enemy Combatant, Alex Gilvarry employs the same thoughtful, yet dark sense of humor in Eastman Was Here to capture one irredeemable man's search for meaning in the face of advancing age, fading love, and a rapidly-changing world. “With his second book, Gilvarry establishes himself as a writer who defies expectation, convention and categorization. Eastman Was Here is a dark, riotously funny and audacious exploration of the sacred and the profane—and pretty much everything in between.” —Téa Obreht, New York Times bestselling author of The Tiger's Wife
