Little Goose's Autumn Elli Woollard, 2020-09-03

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent – they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

Little Autumn Rose Marcy Saladino Cox, 2019-05-02

Little Autumn Rose is not excited to get out of bed and go to school. After she is finally on her way, Autumn sees a beautiful oak tree that inspires her to draw one for an assignment that day. But when Autumn tells her classmates that trees can talk, they make fun of her. Luckily, her teacher encourages her. After she arrives home from school, Autumn escapes to her secret forest where she embarks on a journey to connect with nature. As she discovers that the greatest joy and happiness can be found in the simple things like

trees, flowers, and tiny creatures, Autumn teaches everyone to look for the good in everything around us and to remember that our happy place is not as far away as we think. In this delightful tale for children, a little girl escapes to her secret forest where she sets out on a quest to connect with nature and all of its beautiful creatures.

**LITTLE NOTES on Autumn Leaves** Frank A. Little, 2014-08-15 Drawing from a wealth of material produced over the course of more than thirty years, Frank A. Little's latest book: Little Notes on Autumn Leaves -- a Collection of New and Selected Poems and Quotes, displays the remarkable range of his Life-Learned "Little" notes based on his innate observation of the world around him. The introduction is beautifully written, but doesn't do justice to the powerful and unexpected emotions that are provoked by the remainder of this written art. Little's new book opens with quotes and poems from 2008 forward; each one reflecting on, and is inspired by, his life-altering incidental diagnosis of gastric cancer and his formidable unsuspecting follow-on treatment. Previously selected quotes and poems were chosen for their motivational impact on the

author himself . . . surviving the seemingly unsurvivable, doing the undoable. Little's poems and quotes reflect the profound impact of his life's observations. His written words captivate you . . . as they stimulate your innermost thought. Little Notes on Autumn Leaves reads like an elegant and sophisticated runway show where a seasoned fashion designer has finally shared his dearest and most precious garments in an artistic, cohesive expression of love for life's cycle of changes and renewals. Quietly Powerful! This is Frank A. Little at his best.
