The Biggest Little Hero John Sazaklis,2014-11-01 The ATOM'S microscopic mutt SPOT takes on the big-time baddie GIGANTA in the ultimate battle of small versus tall.

The Little Hero Andrew Crofts,2006 Iqbal Masih was gunned down by an assassin when he was 13 years old. This story is about a child martyr, who died trying to end child slavery. After he escaped his carpet-master, Iqbal worked to spread the word to other enslaved children that they could be free too.

A Little Hero Fyodor Dostoyevsky,2017-09-27 Full text. The world through the eyes of a child. A perfectly normal 11-year-old boy on the threshold of adolescence, whose adventure simply marks the progression from childhood to youth and early manhood, the time of the awakening of the senses and the pursuit of the opposite sex. The "little hero" falls desperately in love with the beautiful and melancholy Madame M., leaps on the back of an untamable thoroughbred so as not to suffer humiliation in her eyes, and aids in concealing her grand (perhaps even pure) passion for another gentleman from her hateful husband.

Little Heroes Norman Spinrad,Norman Spinrad, B.S>,1988-07 In the near future, millions live in the streets, and the City teems with Uzi-toting enforcers and every imaginable kind of flake. Now, an explosion is about to occur, and a handful of people with a dangerous variety of motives are going to set it off.

A Little Hero Fyodor Dostoevsky,2020-09-29 A Little Hero is a short story that deals with the topic of pre-adolescence, maturity, the abandonment of pure childhood, and the resulting and inevitable discovery of the existence of sexual life. The protagonist is trying to understand the world of adults in every possible way, and faces problems at every turn. Interesting enough, this story lacks the trademark disaster and drama in the majority of Dostoevsky's works, and is a light and humorous reading that does not even look written by him. It should be noted, of course, that Dostoevsky wrote it while he was in prison. Fyodor Dostoevsky

was a famous Russian writer of novels, short stories, and essays. A connoisseur of the troubled human psyche and the relationships between the individuals, Dostoevsky's oeuvre covers a large area of subjects: politics, religion, social issues, philosophy, and the uncharted realms of the psychological. He is most famous for the novels *Crime and Punishment*, *The Idiot*, and *The Brothers Karamazov*. His literary legacy was met with mixed feelings, but remains gargantuan in its influence.
