Little Spider (Russian / English Edition) Karen Ferrand Carroll,2017-10-09 So many of us wonder how great life would be if we were more like someone else. **The Brave Little Spider** Giovanni Caliendo,2011-06-01 Field Notes about the real, Brave Little Spider. This story for readers of ages 4 to 6 is about The Brave Little Spider that originated quite by accident when one morning I went in the garden to water my vegetables. While opening the water facet I noticed a very small spider that had spun a web attached between a wild flower and the water pipe. I was immediately fascinated by how such a small creature was able to spin so fast and in a very short time the web was completed. The spider then seemed to place himself comfortably in the middle of the web and wait for smaller insects to get caught in his silken trap. I also thought how similar his plan of action was to when humans go fishing. By late evening I had returned to water my vegetables and noticed that the little spider was still waiting inside his web. Only by now I was able to see that the catch of the day were several mosquitoes and many small gnats. The little spider had also individually wrapped them for safe keeping and no doubt to be eaten later when he felt hungry. It was then when I suddenly thought, What if a great big giant comes in my garden and this little spider is the only one who can save my vegetable from being eaten? ...What will he do? Fortunately, I soon concluded that my, Brave Little Spider, would do the only sensible thing. Spin the strongest and largest web and save my vegetable garden from the great big giant! Thus the Brave Little Spider in my story saved the forest where he lived with many friends; but it's also a delightful story about a creature we have mistakable come to vilify in old tales and misconceptions. Spiders, as we all should know, play a useful part in the realm of Mother Nature as do bees, eagles and all living creatures. Every one of us has our role to play if we want this planet named Earth, to survive. As you will see when reading this story, our little hero was able to make a difference and save his community from devastation. This short tale was written for young readers and for those of us, who still retain a spark of just fairness and have remained young at heart. Giovanni

**I Am a Little Spider** Marta Prims,Núria Roca,2001 For many seasons, Barron's large-format, beautifully illustrated I Am volumes have been favorites among parents and toddlers. Introduced this season are two brand new I Am titles. As with the previously published volumes, these books feature full-page, full-color, beautifully rendered naturalistic illustrations of animals in their environments. Simple story lines explain how the animals live and interact with one another, as well as with other creatures in the world of nature. Here are beautiful and instructive introductions to animals and nature for pre-school boys and girls. (Ages 1-5) Children get to see several different kinds of spiders in large, wonderfully realistic, full-color illustrations.

**The Story of the Brave Little Spider** Giovanni Caliendo,2011-07-01Field Notes: This second version of the Brave Little Spider was created especially for young readers of ages 7 to 9. I have also retained the original story, while adding sections of interest depicting young students discussing real facts about spiders. Their discussion after having been on a nature field trip illustrates the need to preserve our environment and wild animal habitats. In addition basic drawing instructions were added, including how to observe wildlife, with sample personalized pages about creating Field Notes. This new version of the Brave Little Spider was revised especially for those young readers who are at the beginning stages of exploring the natural world around them. :: This story about The Brave Little Spider originated quite by accident when one morning I went in the garden to water my vegetables. **Itsy the Clever Spider** Susie Linn,2018 This heartwarming story about a clever spider is a perfect story for back-to-school days.

**Little Clumsy Spider** Joyce E. Van Kirk,2016-01-30 A little Spider was trying to take cover from a terrible storm heading his way. Climbing up the tree to sneak inside a hole he sees in the tree. But he doesn't make it in time; the tree gets uprooted and spun around while little spider is hanging on and the tree eventually falls to the ground. The poor little Spider wakes up and finds himself not quite himself. He makes friends with a ladybug that was standing nearby him while he was complaining about what has happened to him. They decided to go on a journey to find the doctor who might be able to help. Maybe Fluffy caterpillar could help him with his crooked walk and his lopsided webs. Ladybug promises to stay with him as long as he has this problem. They walk for days looking for her friend. Ladybug was hoping he hasn't changed over yet.

**Little Miss Spider** David Kirk,2002 It's Christmas Eve and Little Miss Spider is lonely--she doesn't have a little brother or sister to help build snowy creatures and join in her holiday games. Just when Little Miss Spider is wishing her hardest for a friend, she gets whopped with a snowball and discovers Asparagus Beetle.

*The Itsy Bitsy Spider* Iza Trapani,2013-01-01 The spirited itsy bitsy spider has captured the hearts of generations of children in the much-loved nursery rhyme. Now she's back—on a new magical journey! Over 2.5 million copies in print! This all-new adventure for the itsy bitsy spider has exciting encounters with a fan, a mouse, a rocking chair, a cat, and a big maple tree. Finally, the itsy bitsy spider finds a lovely spot to spin a new silky web. Iza Trapani’s vibrant watercolor illustrations paired with a playful rhythm makes this new take on an old favorite feel like an instant classic. A perfect read-aloud; children will enjoy time and again the delightful antics of the energetic itsy bitsy spider.

The Little Spider's Story Robert C. Brouillette,2011-09-01 The Christmas story is told through the eyes of a little spider who lives in a web on the wall of the cave where Jesus is born on Christmas morning. A CD accompanies this book in which the author reads and sings the tale. If this book does not contain the CD, please order your free copy from 2firespublishing.weebly.com.
