Charlotte Perkins Gilman

The Yellow Wallpaper and Other Stories Charlotte Perkins Gilman, 2022-05-16 In the Longsellers collection, you will find the most read and loved books of all time. Published in 1892, *The Yellow Wallpaper*, became a classic whenever we talk about feminist literature. The story, told in the format of a diary, tells the story of a woman confined to a room in a country house, under the pretext of treating a condition of depression and hysteria. Lonely and having her life closely controlled by her husband, she begins to obsess over the wallpaper in her room. Charlotte Perkins Gilman is regarded as pioneer in American feminism. Also known for the utopian feminist novel *Herland* and its sequel, *With Her in Our Land*. This book includes 10 short stories by the author, including *The Yellow Wallpaper* and an essay by the author about her creative process, called *Why I Wrote The Yellow Wallpaper*. We hope you'll love this book as much we do, and don't forget to check the rest of the collection for more beloved classics.

The Yellow Wallpaper (Legend Classics) Charlotte Perkins Gilman, 2019-04-30 Part of the Legend Classics series The color is hideous enough, and unreliable enough, and infuriating enough, but the pattern is torturing. Written with barely controlled fury after she was confined to her room for 'nerves' and forbidden to write, Gilman's pioneering feminist horror story scandalized nineteenth-century readers with its portrayal of a woman who loses her mind because she has literally nothing to do. The Legend Classics series: *Around the World in Eighty Days*, *The Adventures of Huckleberry Finn*, *The Importance of Being Earnest*, *Alice's Adventures in Wonderland*, *The Metamorphosis*, *The Railway Children*, *The Hound of the Baskervilles*, *Frankenstein*, *Wuthering Heights*, *Three Men in a Boat*, *The Time Machine*, *Little Women*, *Anne of Green Gables*, *The Jungle Book*, *The Yellow Wallpaper and Other Stories*, *Dracula*, *A Study in Scarlet*, *Leaves of Grass*, *The Secret Garden*, *The War of the Worlds*, *A Christmas Carol*, *Strange Case of Dr Jekyll and Mr Hyde*, *Heart of Darkness*, *The Scarlet Letter*, *This Side of Paradise*, *Oliver Twist*, *The Picture of Dorian Gray*, *Treasure Island*, *The Turn of the Screw*, *The Adventures of Tom Sawyer*, *Emma*, *The Trial*, *A Selection of Short Stories by Edgar Allen Poe*, *Grimm Fairy Tales*

How to Live an Awesome Life Polly Campbell, 2015-10-19 Awe. It is about wonder. About accessing the amazing to express reverence, admiration. Awe like this can show up in every aspect of our lives – even those we declare as not so great. When we can look at all aspects of our lives with this kind wonder and admiration, awe changes us. We are broken open by it. It forces us to rethink things. To tweak our behaviors and choices. To move toward things that matter. Psychologist Nicholas Humphrey says awe forces us to reconfigure our mental model so we can make sense of what we've seen and experienced. It broadens us, inspires us. Awe then, has the ability to awaken us. It can show us the beauty that already exists and remind us who we are at our spiritual core. It brings us closer to our purpose and passion and helps us create meaning. It helps us to live with the mystery in life, to survive the uncertainty of it all. It allows us to sink into the experience of living. To engage in it. To be touched by it. To participate rather than needing to manipulate, contrive, or control every moment, each experience. When you live in awe of your life you are open to diverse experiences. Some are easy peasy, comfortable and even joyous. Others totally suck. But you are okay because you know that within every experience the possibilities are limitless and experience is multi-dimensional. It is never just one thing. It is always more than bad or good. Polly Campbell designed this book to help you engage with the awesome qualities of your life. Do the exercises if you want – or not. Read this book chapter by chapter or go to the section that will help you most right now. Take what works, discard the rest. You will not be graded on how well you use this book. You won't be judged. Living an Awesome Life isn't about following a strict set of rules. It's about living from your essence and using all that to catapult you into your best life. What that life looks like is up to you. You are the creator of your

moments. They are shaped by what you believe, what you notice, how you behave. You get to choose. No matter who you are, what you've done, where you've been, what you've experienced and borne, the very next moment can be awesome. Seriously. Sounds a little woo-woo, I know, but this is totally doable. When you discover the awe in the now, it transforms the next moment and makes it more possible, a bit easier to bear. A bit more awesome. When you string together a whole batch of little awesome moments, you can create a big, fat awesome life. Starting now. From right here

The Yellow Wallpaper and Selected Writings Charlotte Perkins Gilman,2009-05-07 It is stripped off - the paper - in great patches . . . The colour is repellent . . . In the places where it isn't faded and where the sun is just so - I can see a strange, provoking, formless sort of figure, that seems to skulk about . . .' Based on the author's own experiences, 'The Yellow Wallpaper' is the chilling tale of a woman driven to the brink of insanity by the 'rest cure' prescribed after the birth of her child. Isolated in a crumbling colonial mansion, in a room with bars on the windows, the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition includes a selection of her best short fiction and extracts from her autobiography.

All the Living C.E. Morgan,2010-03-02 An astonishing novel that seizes the heart, and sets age-old conflicts against modern life. All the Living has the timeless quality of a parable, evoking a time and place with such beauty and power that it is unforgettable. It's a hot, dry summer and a young woman travels to Kentucky with her lover, Orren, to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As he works through the drought, Aloma struggles to find her way in a combative, erotically charged relationship with this taciturn man. Her growing friendship with a local charismatic preacher further complicates her sense of lonely dissatisfaction as she grapples with the eternal question of whether it is better to fight for freedom or submit to desire. Excerpt: At first she could see his figure only as a dark shape and the sun firing on the watch on his right arm as he turned the wheel. Then when he was finally before her, braking and leaning in slightly under the shade of the visor to pull the keys from the ignition, she found the broad contours of his face and the color of his skin, much browner than the last time she had seen him, the day after the funeral three weeks ago when he came down to the school and sat beside her and set a question to her. He said, You'll come up? And she said, Yes, yes. And it don't matter if it's all out of order like it is? And she shook her head and took his blanched face in her hands and kissed him, and

that had struck her later as an odd reversal, he usually being the one to reach out and pull her to him.

No Living Soul Julie Moffett, 2017-01-02 An ancient secret is no match for amateur sleuth and professional trouble magnet Lexi Carmichael! My work as a computer geek has me traveling around the world, solving mysteries and fighting bad guys. Sometimes with my friends, but always with trouble by my side. So you'd think I would've expected to be plagued by danger when I headed to Egypt with my best friend, Elvis Zimmerman, and boyfriend, Slash, to help track down Elvis's missing and estranged father. Nope. Genius runs in the family, and we quickly discovered Elvis's father is hot on the trail of an ancient and elusive artifact...one that people are willing to kill to find. Tombs, tablets and code come together as we follow a set of clues that has been waiting millennia to be discovered. Cracking code is my specialty, but I never expected to tackle one from fifteen hundred years before the advent of written language. The sands of time are running out. If the artifact falls into the wrong hands, we won't be able to rewrite history. So it's up to us to find and safeguard the secret to ensure no living soul ever encounters it...again.
