Red Carpet Ready Melissa Rivers, Tim Vandehey, 2010-02-02 Be ready the next time the spotlight is on you! She's interviewed "glamazon," watched stars shine (Sharon Stone in a Gap T-shirt at the Oscars) and bomb (Jennifer Aniston in dreadlocks, Cher in an Egyptian headdress), and witnessed many a celebrity rise to the top only to come crashing down a mere year later. And she's both reveled in kudos and despaired over criticism of herself. As the daughter of Joan Rivers and with years of face time with the Hollywood elite, Melissa has learned far more than your average person about what it takes to be a star—not just on the red carpet, but in life. For the first time, she shares the lessons she's learned along the way and teaches you how to embrace your big moments, be it a graduation, a first date, a job interview, a prom, or a wedding. Pulling from inspirational and humorous tales from her probing chats with red-carpet royalty and episodes in her own life, she lays out nine essential rules to seize momentous times with graciousness, fun, preparedness, confidence—and, of course, drop-dead gorgeous style that flatters you. (Hint: It's not always the top designer brand that'll scream stardom.) The walk down the red carpet, as Rivers so colorfully relates, can teach us all some basic but essential lessons in fashion and in life. With miles of red carpet under her belt, Melissa Rivers has seen it all, from the biggest oops! moments to those unforgettable times when a star truly did shine. She knows exactly what it takes to be a star—both on the red carpet

and in life. Based on her insider knowledge and her personal experience under Hollywood's glare, Melissa shares tips and techniques for embracing your momentous times and being at your best when the focus is on you, including: • The simple trick to being the hit of every party • How to escape from a date that's become a train wreck • The celebrity secret to looking radiant, rain or shine • A success strategy that beats pure talent every time • The one rule about people even the superstars are afraid to break • How to apologize or run into your ex and keep your cool

Red Carpet Erich Schwartzel, 2022-02-08 This is a fascinating book. It will educate you. Schwartzel has done some extraordinary reporting. – The New York Times Book Review “In this highly entertaining but deeply disturbing book, Erich Schwartzel demonstrates the extent of our cultural thrall to China. His depiction of the craven characters, American and Chinese, who have enabled

this situation represents a significant feat of investigative journalism. His narrative is about not merely the movie business, but the new world order.”

—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* An eye-opening and deeply reported narrative that details the surprising role of the movie business in the high-stakes contest between the U.S. and China From trade to technology to military might, competition between the United States and China dominates the foreign policy landscape. But this battle for global influence is also playing out in a strange and unexpected arena: the movies. The film industry, Wall Street Journal reporter Erich Schwartzel explains, is the latest battleground in the tense and complex rivalry between these two world powers. In recent decades, as China has grown into a giant of the international economy, it has become a crucial source of revenue for the American film industry. Hollywood studios are now bending over backward to make movies that will appeal to China’s citizens—and gain approval from severe Communist Party censors. At the same time, and with America’s unwitting help, China has built its own film industry into an essential arm of its plan to export its national agenda to the rest of the world. The competition between these two movie businesses is a Cold War for this century, a clash that determines whether democratic or authoritarian values will be broadcast most powerfully around the world. *Red Carpet* is packed with memorable characters who have—knowingly or otherwise—played key roles in this tangled industry web: not only A-list stars like Matt Damon, Angelina Jolie,

and Richard Gere but also eccentric Chinese billionaires, zany expatriate filmmakers, and starlets who disappear from public life without explanation or trace. Schwartzel combines original reporting, political history, and show-biz intrigue in an exhilarating tour of global entertainment, from propaganda film sets in Beijing to the boardrooms of Hollywood studios to the living rooms in Kenya where families decide whether to watch an American or Chinese movie. Alarming, occasionally absurd, and wildly entertaining, Red Carpet will not only alter the way we watch movies but also offer essential new perspective on the power struggle of this century.

50 Oscar Nights Dave Karger, 2024-01-23 An exclusive look behind the scenes of the Academy Awards as top stars and filmmakers discuss their Oscar wins and tell never-before-told tales of Hollywood's biggest night, in a collection of original interviews with Turner Classic Movies host and entertainment media journalist Dave Karger. For almost a century, movie fans have been riveted by the Academy Awards and the stars who have won Oscars. 50

Oscar Nights takes readers behind the scenes of Hollywood's most storied awards show through new and exclusive interviews with dozens of A-list actors, filmmakers, and craftspeople spanning sixty years of the Oscars. Here these artists reflect on their winning work and recount all the details of how they got ready, how they felt when they heard their name and got up on stage to accept their award, what they wore, how the entire experience impacted their life, and more. Some interviews bring to light fun stories like why Hilary Swank decided to celebrate her Academy Award at the Astro Burger in West Hollywood, or insight into the work as Elton John explains why he was convinced he won his Best Original Song award for the wrong tune. Other interviews illuminate why for some honorees, such as Julia Roberts, John Legend, and Octavia Spencer, the day remains a life highlight to be treasured, while for Marlee Matlin, Mira Sorvino, and Barry Jenkins, complex emotions cloud what most think would be a purely celebratory moment. Filled with more than 150 photos of red-carpet moments, emotional acceptances, and after-party play, 50 Oscar Nights is both a stunning record of cinema glamour and a must-read for any movie lover. Full list of interviewees: Nicole Kidman, Elton John, Jennifer Hudson, Steven Spielberg, Jane Fonda, Barry Jenkins, Halle Berry, J. K. Simmons, Julia Roberts, John Legend, Rita Moreno, Martin Scorsese, Marlee Matlin, Dustin Hoffman, Hannah Beachler, Cameron Crowe, Mira Sorvino, Kevin O'Connell, Sally Field, Kristen Anderson-Lopez and Robert Lopez, Eddie Redmayne, Lee Grant, Louis Gossett Jr., Hilary Swank,
