**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon

and given it an indelible form. It is a book that will be shared for generations to come.

**The Ethics and Poetics of Alterity in Asian American Poetry** Xiaojing

Zhou, 2006-05 Poetry by Asian American writers has had a significant impact on the landscape of contemporary American poetry, and a book-length critical treatment of Asian American poetry is long overdue. In this groundbreaking book, Xiaojing Zhou demonstrates how many Asian American poets transform the conventional “I” of lyric poetry—based on the traditional Western concept of the self and the Cartesian “I”—to enact a more ethical relationship between the “I” and its others. Drawing on Emmanuel Levinas’s idea of the ethics of alterity—which argues that an ethical relation to the other is one that acknowledges the irreducibility of otherness—Zhou offers a reconceptualization of both self and other. Taking difference as a source of creativity and turning it into a form of resistance and a critical intervention, Asian American poets engage with broader issues than the merely poetic. They confront social injustice against the other and call critical attention to a concept of otherness which differs fundamentally from that underlying racism, sexism, and colonialism. By locating the ethical and political questions of otherness in language, discourse, aesthetics, and everyday encounters, Asian American poets help advance critical studies in race, gender, and popular culture as well as in poetry. *The Ethics and Poetics of Alterity* is not limited, however, to literary studies: it is an invaluable response to the questions raised by increasingly globalized encounters across many kinds of boundaries. The Poets Marilyn Chin, Kimiko Hahn, Myung Mi Kim, Li Young Lee, Timothy Liu, David Mura, and John Yau

*The Jerome Kern Encyclopedia* Thomas S. Hischak, 2013-06-06 Jerome Kern (1885-1945)

Approximately 100 of Kern's most important songs are discussed, and other entries address awards, collaborations, working methods, song styles, and other related subjects. The encyclopedia also includes a brief biography of Kern, a chronology of his life and work, and appendices on recordings, interpolations, revivals, and remakes.

*"I am Jugoslovenka!"* Jasmina Tumbas, 2022-02-22 *"I am Jugoslovenka"* argues that queer-feminist artistic and political resistance were paradoxically enabled by socialist Yugoslavia's unique history of patriarchy and women's emancipation. Spanning performance and conceptual art, video works, film and pop music, lesbian activism and press photos of female snipers in the Yugoslav wars, the book analyses feminist resistance in a range of performative actions that manifest the radical embodiment of Yugoslavia's anti-fascist, transnational and feminist legacies. It covers celebrated and lesser-known artists from the 1970s to today, including Marina Abramovic, Sanja Ivekovic, Vlasta Delimar, Tanja Ostojic, Selma Selman and Helena Janecic, along with music legends Lepa Brena and Esma Redžepova. *"I am Jugoslovenka"* tells a unique story of women's resistance through the intersection of feminism, socialism and nationalism in East European visual culture.

**Michael Jackson** Shawn Henning, 2010-06-17 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, he's collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures - all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms

with the loss of Michael's huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michael's career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book... from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning... you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer
