Digital Culture & Society (DCS) Ramón Reichert, Annika Richterich, Pablo Abend, Mathias Fuchs, Karin Wenz, 2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. toward equality. It's also the story of one couple and the ups and downs of everyday life in the face of changing rules and attitudes toward them and their relationship. Last, not least, it's a book that celebrates the rich history and culture of the Sami and their land, Sápmi, as well as their ongoing struggle to achieve recognition and win back the right to self-determination over lands they've lived on for thousands of years. Last Winter's Snow is Hans M Hirschi's first novel set almost entirely in Sweden, but it is the second time (after Fallen Angels of Karnataka) he takes his readers on a journey into the mountainous regions of Scandinavia in one of his acclaimed novels.

Snow Orhan Pamuk, 2011-10-18 From the Nobel Prize winner and the acclaimed author of *My Name is Red* comes a spellbinding story of a poet seeking his lost love in a remote Turkish town riven by religious conflict and cut off from the world by a blizzard. Returning to Turkey from exile in the West, Ka is driven by curiosity to investigate a surprising wave of suicides among religious girls forbidden to wear their head scarves in school. But the epicenter of the suicides, the eastern border city of Kars, is also home to the radiant and newly divorced Ýpek, a friend of Ka's youth whom he has never

forgotten and whose spirited younger sister is a leader of the rebellious schoolgirls. As a fierce snowstorm descends on Kars, violence between the military and local Islamic radicals begins to explode, and Ka finds his sympathies drawn in unexpected and dramatic directions.

Thad Snow Bonnie Stepenoff, 2003 Thad Snow (1881-1955) was an eccentric farmer and writer who was best known for his involvement in Missouri's 1939 Sharecropper Protest--a mass highway demonstration in which approximately eleven hundred demonstrators marched to two federal highways to illustrate the plight of the cotton laborers. Snow struggled to make sense of the changing world, and his answers to questions regarding race, social justice, the environment, and international war placed him at odds with many. In Thad Snow, Bonnie Stepenoff explores the world of Snow, providing a full portrait of him. Snow settled in the Missouri Bootheel in 1910--Swampeast Missouri, as he called it--when it was still largely an undeveloped region of hardwood and cypress swamps. He cleared and drained a thousand acres and became a prominent landowner, highway booster, and promoter of economic development--though he later questioned the wisdom of developing wild land. In the early 1920s, cotton fever came to the region, and Snow started producing cotton in the rich southeast Missouri soil. Although he employed sharecroppers, he became a bitter critic of the system that exploited labor and fostered racism. In the 1930s, when a massive flood and the Great Depression heaped misery on the farmworkers, he rallied to their cause. Defying the conventions

of his class, he invited the Southern Tenant Farmers' Union (STFU) to organize workers on his land. He became a friend and colleague of Owen Whitfield, an African American minister, who led the Sharecroppers' Roadside Strike of 1939. The successes of this great demonstration convinced Snow that mankind could fight injustice by peaceful means. While America mobilized for World War II, he denounced all war as evil, remaining a committed pacifist until his death in 1955. Shortly before he died, Snow published an autobiographical memoir, *From Missouri*, in which he affirmed his optimistic belief that people could peacefully change the world. This biography places Snow in the context of his place and time, revealing a unique individual who agonized over racial and economic oppression and environmental degradation. Snow lived, worked, and pondered the connections among these issues in a small rural corner of Missouri, but he thought in global terms. Well-crafted and highly readable, Thad Snow provides an astounding assessment of an agricultural entrepreneur transformed into a social critic and an activist.

The Ocean Calls Tina Cho, 2020-08-04 A breathtaking picture book featuring a Korean girl and her haenyeo (free diving) grandmother about intergenerational bonds, finding courage in the face of fear, and connecting with our natural world. Dayeon wants to be a haenyeo just like Grandma. The haenyeo dive off the coast of Jeju Island to pluck treasures from the sea--generations of Korean women have done so for centuries. To Dayeon, the haenyeo are as strong and graceful as mermaids. To give her strength, Dayeon eats Grandma's abalone porridge. She practices holding her breath while they do the dishes. And when Grandma suits up for her next dive, Dayeon grabs her suit, flippers, and goggles. Snow Burn Lauren McCracken, 2017-06-24 Jo Collins is, like a lot of teenagers, bored and can't wait to leave home when she graduates--bored with her predictable suburban parents, immature peers, unchallenging schoolwork, and her seemingly empty life. But on the night she is supposed to depart her Huntsville home for the family's--always so tedious--annual Florida vacation, a fight with her mother highlights the frustration and loneliness that resides

underneath Jo's boredom. Wanting to escape the tension the fight has caused, Jo leaves home in a huff and enters a night that challenges everything she has ever known—about herself and about her past. In the course of a few hours, she wanders into an illegal fight club where she meets the brutally handsome and mysterious Chris. In his company she briefly becomes a fugitive, only to eventually return home and find her parents viciously murdered. Despite police dismissal, Jo vows to learn the truth about her family's murder. What she could not prepare for is a truth which will force her to face a world where the supernatural is everywhere present, and her once simple life now is filled with werewolves, vampires, ghosts, and demons. As if the supernatural wasn't enough, what about the Dorcha Fola—an ancient lineage devoted to eradicating supernatural threats? Is it possible that Jo has inherited this lineage of "dark blood" too? Is she the one destined to avenge her parents' deaths? A romance inhabiting a supernatural adventure story, *Snow Burn* is filled with twists and turns, ensuring the reader, like Jo, will never face boredom again.

Snow on the Desert Ben Kraieski, 2013-12-18 The Turner family, headed by Jessup Paul Turner, is a power force in the country. The family is obsessed with the preservation of its heritage and dynasty, but is cursed with marriages that produce a single male heir each generation. Jessup Paul Turner's wife produces an heir. Unfortunately, the heir is a girl. The girl, Debra, while in college, falls in love with a Black student. They marry

against family wishes and she becomes pregnant, unacceptable for the Turner dynasty preservation. Turner determines that the child must be killed to preserve the Turner lineage. Turner sends men, led by his personal bodyguard, to kill the baby. The bodyguard, in love with Debra, kills the hit men instead. The young child is precocious and as he matures, believes himself to be the son of God. He attracts a large following, called the Jessupites. Turner, now with a male heir, as a result of a relationship with a prostitute, is determined, now more than ever, to have the Black boy killed. He puts into motion a plan to kill the Black Prophet.
