*The Yellow Wallpaper* Charlotte Perkins Gilman, 2023-03-06 Edited with a new introduction by Aimee McLaughlin *The Yellow Wallpaper* by American writer Charlotte Perkins Gilman, first published in January 1892, is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century. What happens when a woman is pushed too far? Is she able to express her thoughts and feelings, or is she forced towards the expectation of behaving 'normally' again soon? A woman travels with her husband to an old colonial mansion after a nervous breakdown triggered by the birth of their child. Confined to the nursery and allowed only to breathe fresh air, eat well and rest in line with a regimented 'cure', she slowly begins to unravel

at the seams. Her only distraction is writing in secret – that, and the woman she begins to see trapped inside the yellow wallpaper of the room itself. Isolated and breaking apart, she sets herself a task: to free the woman, and to become one with her temporary confinement. Charlotte Perkins-Gilman's 'The Yellow Wallpaper' presents a harrowing, disturbing account of mental stress, confinement and female turmoil - within which the only available solace can be found inside four peeling, sickly yellow walls ... Our new edition also features the sequence of poems *Woman* by Charlotte Perkins Gilman. The gothic genre offers Gilman an effective mode of diagnosing contemporary culture whilst in tandem expressing her ensuing fears and anxieties. Gilman within this novella, gothicises the domestic setting, inverting the pillars of domesticity: family, security and understanding, in turn unveiling the dangers lurking behind the familiarity of gender roles within marital relations. The intimate first-person narration of the narrative serves to enhance Gilman's exposure of the oppressive forces of a male-dominated society, as she deplores her protagonist's inferior position in her domestic arrangement. The female narrator is encumbered by masculine superiority, undoubtedly dwelling in the middle of patriarchy. Embedded within her characterisation is the subjugated role bestowed upon Victorian women. Gilman projects derangement onto a familiar literary figure – the middle-class wife and mother – placing the source of this madness in the inviolate sphere for dutiful women – the home. from the new introduction to *The Yellow Wallpaper*

**The Restoration of Israel** Michael E. Fuller, 2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel's future restoration. Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration. In this model, Israel's restoration is characterized by the features of (a) a future re-gathering, (b) the fate of the nations, and (c) the establishment of a new Temple. The present work focuses primarily on the first two features. Through this framework Jews in the Greco-Roman period could draw on Israel's history and legacy, but re-appropriate 'exile and return' in new and creative ways. Finally, the writing of Luke-Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions.

*The Wisdom Instructions in the Book of Tobit* Francis M. Macatangay, 2011-03-29 Scholars have shown renewed interest in the Book of Tobit since fragments of the text were found at Qumran. However, the wisdom instructions of Tobit 4 have remained largely ignored. The present study provides an extensive treatment of this important section, reading Tobit's wisdom discourse as a vital component in the literary expression of the author and as a strong indication of the significant role of the sapiential tradition in the world of Diaspora living. In the context of Second Temple

Judaism, Tobit's wisdom discourse is part of an essential avenue for shaping identity and creating a distinct ethos for those outside the land.
