Step-by-Step Home Design and Decorating DK,2012-04-02 When it comes to restyling, redecorating, and sprucing up your home, the big question is where to start. Step-by-Step Home Design and Decorating has all the answers. Everything you need to know to give your home a complete makeover appears in this eBook. And with everything presented step by step, from the planning stages through to the finishing touches, it is the most practical home guide there is. On the basis that people often want to decorate their homes themselves (or need to for reasons of cost), this book helps you to do the best job possible. Even the initial design and planning stages are presented step by step, to give you confidence when devising color schemes, designing layouts, and choosing flooring or lighting options. Approaching the home room by room, every practical project is given the step-by-step treatment too, encouraging you to make blinds, cover cushions, put up wallpaper and much more. Clear instructions and photography (or diagrams) are provided to help you at every stage. Comprehensive in its scope, and utterly practical, Step-by-Step Home Design and Decorating is the indispensable reference for anyone restyling their home.

National Electrical Code 2011 National Fire Protection Association,2010 Safe, efficient, code-compliant electrical installations are made simple with the latest publication of this widely popular resource. Like its highly successful previous editions, the National Electrical Code? 2011 LOOSE LEAF combines solid, thorough, research-based content with the tools you need to build an in-depth understanding of the most important topics. It provides the full text of the updated Code regulations alongside expert commentary from code specialists, offering code rationale, clarifications for new and updated rules, and practical, real-world advice on how to apply the code. And in a loose-leaf format, it's easy to customize your experience with the Code by adding job- and situation- specific materials. New to the 2011 edition are articles including first-time Article 399 on Overhead Conductors with over 600 volts, first-time Article 694 on Small Wind Electric Systems, first-time Article 840 on Premises Powered Broadband Communications Systems, and more. This winning combination has created a valuable reference for those in or entering careers in electrical design, installation, inspection, and safety.

Wallpapers in Historic Preservation Catherine Lynn,1977 The papered and bordered wall was an important feature of American interiors during the 18th, 19th, and early 20th centuries. Paper hangings, both imported and of domestic manufacture, were more widely used than many of our restored buildings might lead us to believe. This book attempts to catalog and describe the variety, as well as accounting for restoration and preservation of pieces as part of the historical record. --Amazon.
